Chief Ridberg described staffing the midnight shift and their impacts on overtime.

Chief Ridberg briefly described the impact of civilian dispatching on his operations.

Chief Ridberg responded to questions about the settlement of the Honulik v. Town of Greenwich lawsuit and its impact on his operations. Chief Ridberg and Lt. Kordick demonstrated and detailed their desires to reorganize the Police force relative to the table of organization.

Town Attorney John Wayne Fox and Tax Collector Louis Caravella explained to the BET Budget Committee the possibility of charging a different tax rate for automobiles registered in the Town of Greenwich. There were a number of questions and Town Attorney Fox promised to get back to the Committee with an answer about the legality of taxing Town of Greenwich vehicles differently from real estate, commercial properties and business personal property.
