EXECUTIVE SESSION

Mr. Drake asked for a motion to enter Executive Session to discuss Cyber Security.

Upon a motion by Mr. Duus, seconded by Ms. Erickson, the Committee voted 4-0-0 to exit Executive Session at 12:25 P.M.
4. **Risk Management Overview**  
Ms. Zanesky commented that Ms. Rausch from Gallagher & Co, the Town’s insurance broker will attend the Committee’s March meeting to provide a preview of the current market and cost of insurance premiums for this upcoming renewal. She cautioned that Property and Casualty markets are volatile, which will result in increased premiums. Departments come to Ms. Zanesky to review insurance requirements prior to RFP/RFB’s being issued. Ms. Zanesky will follow-up with the Bruce Museum to ask if the Fine Arts policy should be increased since more frequent loan exhibits are anticipated with the expansion of Gallery space. The composition of the Town’s structure of stacked general liability insurance policies was discussed.

Ms. Zanesky described the range of the Town’s insurance programs in which she participated. PMA Management Corp. of New England, Inc., is the Town’s new third-party claims administration services vendor involved with the Town’s liability, auto and property claims. Worker’s Compensation claims will continue to be handled by CIRMA. She indicated that she is working on the development of a new Safety Inspection program along with the tracking process. She discussed the At-Fault accidents program for Parks & Rec, DPW, Police and Fire Departments which brings accountability to the departments for repair of Town vehicles which are damaged as a result of an employee’s actions or inactions. The Tools for Schools, the State air quality program, “walk through” visits of school facilities with GPS was also discussed. Ms. Zanesky founded the Cyber Security Task Force, a Town-wide departmental working group of IT professionals, the Risk Manager, Comptroller and a paralegal exchanging concerns and experiences with cybersecurity issues. Ms. Zanesky is President of the Connecticut Chapter of the Public Risk Management Association (PRIMA) and a member of the Chapter Relations and Membership Enhancement Committee with PRIMA National, which are very helpful resources.

The Committee asked about expense versus coverage for the most recent water damage at GHS and whether the subrogation issue has been resolved. Chubb Insurance has sought expert advice to accelerate the resolution process. Ms. Zanesky was encouraged to follow-up with Ms. Baisley, Greenwich Dept. of Health, and Mr. Warzoha, Emergency Management Director, to learn plans in the event of a Coronavirus outbreak in Town.
