MEMORANDUM

TO: Veronica Baron Musca, First Selectman’s Office
FROM: Melissa Evans, Traffic Operations Coordinator
DATE: February 10, 2016
RE: Establishment of 25 MPH Speed Limit
Indian Head Road

AGENDA ITEM FOR BOARD OF SELECTMEN
ESTABLISHMENT OF 25 MPH SPEED LIMIT

This proposal is to establish a 25 MPH speed limit for Indian Head Road. The Engineering Division received a resident request for speed limits signs to be posted. A review of the street revealed that no approved speed limit exists. An investigation was completed and it was determined that a 25 MPH speed limit should be established for Indian Head Road.

Attached please find the investigation report and map, for inclusion on the next Board of Selectmen meeting agenda.

TRAFFIC INVESTIGATION REPORT  
TOWN OF GREENWICH

Date: January 7, 2016

Location: Indian Head Road

Correspondent: Joan Campanella
31 Indian Head Road

Concern: Ms. Campanella contacted the Engineering Division to express her concerns with the speed of traffic on Indian Head Road. There are many walkers and joggers in the neighborhood, including Ms. Campanella who walks her dogs along the road. There are no sidewalks and with increased construction in recent years, there are many larger vehicles on the street as well.

Observations: Indian Head Road is a local roadway running south from Riverside Avenue to Indian Point Lane, for a distance of .59 miles. There is currently no established speed limit.

There are no sidewalks on Indian Head Road and parking is allowed on both sides of the street except for on both sides of the section northerly from Willow Road to Riverside Avenue.

Automated traffic counts were recorded for a period of seven (7) days from September 24, 2015 to October 1, 2015 and the results were as follows:

- Indian Head Road southbound, 85th percentile speed – 33 MPH
- Indian Head Road northbound, 85th percentile speed – 30 MPH

Recommendations: It is recommended that a 25 MPH Speed Limit be established and posted for Indian Head Road.

In addition, a work order has been submitted to the DPW – Highway Division to have two (2) School Bus Stop warning signs installed on Indian Head Road, to alert drivers to the numerous school bus stops along the street.

Investigated by: Melissa G. Evans, Traffic Operations Coordinator

Approved by: James W. Michel, PE, Deputy Commissioner
