Hello All,
Requesting a road closure request for the final phase of work in front at 180 Bible Street. The new pole was installed as planned on February 11, 2015. Now the stub poles must be removed and a new guy and span wires must be installed. The work will require a full day: stub poles removed, new guy and span wire. We are requesting Wed., March 18, 2015.

Our request will require closing Bible Street between Clover Place and Cat Rock Road. The detour for northbound traffic would be Clover Place to Dandy Drive to Valley Road to Cat Rock Road (reverse for southbound traffic). All local traffic will be allowed access. Eversource will be installing the appropriate detour signs, notifying adjacent properties and hiring two police officers to handle traffic control. If the weather does not cooperate we will need to reschedule and will notify you of such a change.
Thanks,

Tracey
