Discussion on the present policy of Town Departments concerning the use of collection agencies to collect past due amounts. The Internal Auditor will obtain the cost of the collection agencies being used by the Parking Authority and the Tax Collector. The Internal Auditor will report back to the Committee at a future meeting.

A revised letter was distributed to the Committee, showing changes requested. Dissuasion followed as to the cause of the overpayments, and the correct street address of the property (some resident listing and the mail address as shown on the property records of the Town have different descriptions). Discussion about sending the notices by Certified mail and or posting the Street addresses in the Newspaper followed, and the recommended changes will be submitted at the May meeting.
5. Report by Town Attorney, John Wayne Fox, and Risk Management Recommendations to Town Departments to mitigate Town Liability.

Attorney Fox discussed three cases that were settled recently against the Town, they were in the following Departments, Police, Library, and Nathaniel Witherell. Mr. Fox stated that possible changes will be reflected in the Law Departments with the possibility of hiring an additional attorney and an attorney with special knowledge in certain areas.
