SUBJECT TO APPROVAL
Upon a motion by Mr. Mason, seconded by Mr. Blankley, the Committee voted 4 to 0 to come out of Executive Session at 8:53 A.M.

A motion was made by Mr. Mason, seconded by Ms. Oberlander to move to item #3 Internal Audit Report. Mr. Norton requested that Ms. Katz remain with the Committee as it reviews the Internal Audit Report.

2. Internal Audit Report

• **Update on Parking Services Audit Report**

Ms. Frame had added an addendum to the report of a cash revenue investigation. The results led to the arrest of a Parking Services employee on April 17, 2017, who was charged with larceny and forgery, with a misdemeanor count of making a false entry as a government agent. After confessing to police, the employee resigned on April 21, 2017. The employee was arraigned in Superior Court on April 24. A plea will be entered on May 26, 2017 when a future date will be set for either sentencing or trial.

Management responses:

- Physical custody of the smartcard inventory was taken on November 4, 2016 and distributed to staff in small quantities.
- Worked with vendor to re-establish recharge activity log, date of completion December 6, 2016.
- Will implement new policies for receiving and recording receipts and transaction adjustments. Mr. Norton requested a completion date.
- Will control and monitor employee access and access to transaction record. Mr. Norton requested completion date.
- Re-examine policies to a large portion of manually processed voids and reductions. Mr. Norton requested completion date.

- Ms. Azrelyant, Director Parking Services will increase 2020 budget to enable a strategic plan to increase parking stations.
- Replaced outdated multi-space machines and parking lot pay stations implemented December 30, 2016.
- Identify and deposit daily meter and pay stations by location, reconcile and document receipt activity reported by pay stations, implemented February 1, 2017.
- Ms. Frame will follow up with Ms. Azrelyant to ensure Best Practices of periodic rotation of cash handling employees.
- Ms. Azrelyant disagrees with a recommendation to reduce the number of smartcard increments offered. Ms. Frame reported that she was told that the practice of issuing smartcards in \$5.00 increments is a value to the customer, a customer service decision.

Mr. Mynarski recommended that Mr. Kordick and Ms. Azrelyant attend the June meeting to review progress made on the re-write of the department's policies and procedures. He asked Ms. Katz to work with Ms. Frame and expand the annual audit to include testing of these new procedures. Ms. Katz will speak with RSM colleagues to discuss scope and approach, noting that there would be a forensic cost associated.

Ms. Oberlander questioned whether the TOG's insurance would compensate for lost revenue. Mr. Mynarski replied that the Town would have to determine the total amount and Ms. Damato submit a claim. Ms. Damato noted that there is a \$50,000 (fifty thousand dollar) deductible, but will discuss with insurance carrier.

SUBJECT TO APPROVAL

Upon a motion by Ms. Oberlander, seconded by Mr. Blankley, the Committee voted 4 to 0 to retain RSM US LLP to perform an audit by the Forensic Audit Unit of RSM US LLP.
