**AGENDA**

1. Advisory Opinion to Planning & Zoning  
Greenwich Avenue and Arch Street / Havemeyer Place along with Greenwich Avenue and Fawcett Place / Grigg Street (Greenwich Avenue Historic District – National register of Historic Places)  
Greenwich, CT 06830

Review of proposed intersection improvements submitted by the Town of Greenwich Department of Public Works to confirm that the MI Plans for this project are in compliance with the existing Greenwich Avenue Historical District as part of the approval process for the Municipal Improvement.

The Historic District Commission will consider the following elements in their opinion - location, setting, design, materials, workmanship, feeling, and association. The Historic District Commission will only allow public comments that relate to these areas.

**THE NATIONAL REGISTER OF HISTORIC PLACES**

The National Register of Historic Places is a federal program administered by the National Park Service in partnership with state governments. The National Register was created by the National Historic Preservation Act of 1966 to recognize and protect properties of historic and cultural significance.

It should be noted that under Federal Law, the listing of a property in the National Register places no restrictions on what a non-federal owner may do with their property up to and including destruction, unless the property is involved in a project that receives Federal assistance, usually funding or licensing/permitting.

However, before this occurs, any member of the public can, or the property owner should contact

the State Historic Preservation Office (SHPO) for an opinion. The SHPO is the state agency that oversees historic preservation efforts in their state.

Finally, THIS APPLICATION IS NOT TO DETERMINE A CERTIFICATE OF APPROPRIATENESS. Certificates of Appropriateness are only applicable to changes within a Local Historic District or to a Local Historic Property.

***Disclaimer: The following issues and/or subject matter will not be discussed: vehicle parking; vehicle traffic; pedestrian traffic; pedestrian safety; driver safety; pedestrian crossing distances; sight lines; emergency vehicle access ways; ADA issues and challenges; and open space.***

***The Town complies with all applicable federal and state laws regarding non-discrimination, equal opportunity, affirmative action, and providing reasonable accommodations for persons with disabilities. If you require an accommodation to participate, please contact the Commissioner of Human Services at 203-622-3800 or [alan.barry@greenwichct.org](mailto:alan.barry@greenwichct.org) as soon as possible in advance of the event.***
