Tiger Venture LLC; applications PLPZ 2018 00108 and PLPZ 2018 00112, for a final site plan and special permit, to construct a new residence, pool, pool patio, tennis court, driveway and related site and stormwater improvements the result of which would exceed the 150,000 cubic feet in volume threshold on a 4.299-acres property located at 24 Meeting House Road in the RA-4 zone. *(Staff: JP) (Must open by 8/11/2018) (Maximum extension to open granted) (Postponed at the 5/1/2018 meeting)*

Michael J. Banks; applications PLPZ 2018 00136 and PLPZ 2018 00137, for a final coastal site plan and special permit, to construct a new mixed-use building with a moderate income housing unit with general site improvements to the site which include four (4) surface parking spaces, two (2) spaces interior to the building and one ADA compliant surface parking space. The proposed building would house retail space and a jobbing establishment on the first floor, and four (4) one-bedroom units on the second floor, one (1) of which would be deed restricted as a moderate income unit per Section 6-110 of the Town's Building Zone Regulations on a 4,984 sq. ft. property located at 4 Armonk Street in the LBR-2 zone. *(Staff: PL) (Must close by 8/9/2018) (Maximum extension to close granted) (Continued from the 5/1/2018 and 5/31/2018 meetings) (Seated: Maitland, Alban, Levy, Hardman (for Fox), and Yeskey (for Macri))*

Planning and Zoning Staff; application PLPZ 2018 00233, for a Zoning Text amendment, submitted pursuant to Section 6-22 of the Town of Greenwich Building Zone Regulations, and Section 8-3 of the Connecticut General Statutes, to amend Sections: 6-15(a)(1) and (2); 6-17(d)(1) through (12); 6-19(a)(4); 6-20(b), (c), (d), and (e); 6-94(a)(1),(5), (8), and (9); 6-94(b)(1) through (4); 6-95(a), (a)(2)(A), (a)(3), (a)(7), and (a)(8); 6-100; 6-101(a); 6-106(a); 6-108(c); 6-109(d)(5); and 6-205 Note 7 of the Town of Greenwich Building Zone Regulations. The Building Zoning Regulations currently specify when a particular use is subject to a special permit application subject to Planning and Zoning Commission review and approval, or a special exception subject to review and approval by the Zoning Board of Appeals. Application PLPZ 2018 00233 is a proposal to amend the aforementioned Sections such that all special exception uses would now be reclassified as special permit uses with the exception of accessory uses in residential zones over a certain size (see Section 6-95(a)(2)(A)), which would still be handled by the Planning and Zoning Board of Appeals unless it is part of a special permit application already required per Section 6-101, then only a special permit is needed. The net effect of this would be that the outside resources available to the Planning and Zoning Commission would now be applied to the questions of use that had previously been characterized as special exception uses. These resources include analytical reports prepared by Planning and Zoning Staff, which include specific comments from Town Departments, reports from the Commission's Traffic Consultant, and public briefing meeting prior to the public hearings. This would also have the effect of significantly reducing the time it takes to go through the regulatory process from approximately nine (9) months to four (4) months. Lastly proposed, is a modification that would allow the Commission, under special permit applications, to permit a limited increase of FAR for special permit uses in residential zones, for those properties that also rezone to Historic Overlay to protect historic assets, and also for non-profit educational institutions. A complete copy of the proposed text amendments are on file and available in the Planning and Zoning Office, Greenwich Town Hall, 101 Field Point Road, Greenwich, CT 06830, and also on the Town of Greenwich's website at:

Banks; applications PLPZ 2018 00136 and PLPZ 2018 00137, for a final coastal site plan and special permit, to construct a new mixed-use building with a moderate income housing unit with general site improvements to the site which include four (4) surface parking spaces, two (2) spaces interior to the building and one ADA compliant surface parking space. The proposed building would house retail space and a jobbing establishment on the first floor, and four (4) one-bedroom units on the second floor, one (1) of which would be deed restricted as a moderate income unit per Section 6-110 of the Town's Building Zone Regulations on a 4,984 sq. ft. property located at 4 Armonk Street in the LBR-2 zone. *(Staff: PL) (Must close by 8/9/2018) (Maximum extension to close granted) (Continued from the 5/1/2018 and 5/31/2018 meetings) (Seated: Maitland, Alban, Levy, Hardman (for Fox), and Yeskey (for Macri))*

Planning and Zoning Staff; application PLPZ 2018 00233, for a Zoning Text amendment, submitted pursuant to Section 6-22 of the Town of Greenwich Building Zone Regulations, and Section 8-3 of the Connecticut General Statutes, to amend Sections: 6-15(a)(1) and (2); 6-17(d)(1) through (12); 6-19(a)(4); 6-20(b), (c), (d), and (e); 6-94(a)(1),(5), (8), and (9); 6-94(b)(1) through (4); 6-95(a), (a)(2)(A), (a)(3), (a)(7), and (a)(8); 6-100; 6-101(a); 6-106(a); 6-108(c); 6-109(d)(5); and 6-205 Note 7 of the Town of Greenwich Building Zone Regulations. The Building Zoning Regulations currently specify when a particular use is subject to a special permit application subject to Planning and Zoning Commission review and approval, or a special exception subject to review and approval by the Zoning Board of Appeals. Application PLPZ 2018 00233 is a proposal to amend the aforementioned Sections such that all special exception uses would now be reclassified as special permit uses with the exception of accessory uses in residential zones over a certain size (see Section 6-95(a)(2)(A)), which would still be handled by the Planning and Zoning Board of Appeals unless

it is part of a special permit application already required per Section 6-101, then only a special permit is needed. The net effect of this would be that the outside resources available to the Planning and Zoning Commission would now be applied to the questions of use that had previously been characterized as special exception uses. These resources include analytical reports prepared by Planning and Zoning Staff, which include specific comments from Town Departments, reports from the Commission's Traffic Consultant, and public briefing meeting prior to the public hearings. This would also have the effect of significantly reducing the time it takes to go through the regulatory process from approximately nine (9) months to four (4) months. Lastly proposed, is a modification that would allow the Commission, under special permit applications, to permit a limited increase of FAR for special permit uses in residential zones, for those properties that also rezone to Historic Overlay to protect historic assets, and also for non-profit educational institutions. A complete copy of the proposed text amendments are on file and available in the Planning and Zoning Office, Greenwich Town Hall, 101 Field Point Road, Greenwich, CT 06830, and also on the Town of Greenwich's website at:
