Board of Selectmen Meeting  
Thursday, July 30, 2015  
10:00 a.m.  
Town Hall Meeting Room

AGENDA

1. Welcome and Pledge of Allegiance

2. Approval of Minutes  
   a. Board of Selectmen Regular Meeting on July 17, 2015

3. First Selectman’s Updates – Peter J. Tesei

4. Old Business

5. New Business  
   a. Conservation Commission – Resolution Encouraging Property Owners to Shred and/or Compost Leaves on Private Properties  
   b. DPW – Request for Temporary Intersection Closure and Detour Route for Mason Street at Lexington Avenue  
   c. Fashion on the Avenue – Request for Temporary Road Closure  
   d. Community Development Advisory Committee (CDAC) Funding Recommendations for the Community Development Block Grant (CDBG) – Program Year 2016  
   e. Zoubek Mooring Issue

6. Appointments and Nominations

7. Executive Session

8. Adjourn
Town of Greenwich
Board of Selectmen Meeting
July 17, 2015
10:00 a.m.
Town Hall Meeting Room

Draft Minutes

1. The meeting opened at 10:14 a.m. with the Pledge of Allegiance.
   a. Attendance:
      i. First Selectman Peter J. Tesei – Present
      ii. Selectman John F. Toner – Present
      iii. Selectman Drew Marzullo – Present

2. Approval of Minutes
   a. Minutes of Regular Board of Selectmen meeting held on 6-11-2015 were reviewed and approved as presented without objection.
   b. Minutes of Special Board of Selectmen meeting held on 6-19-2015 were reviewed and approved as presented without objection.
   c. Minutes of Special Board of Selectmen meeting held on 6-29-2015 were reviewed and approved as presented without objection

3. First Selectman’s Update
   a. The Town of Greenwich received a $1,000,000 contribution from The Friends of Nathaniel Witherell. These funds are a part of the gift supporting Project Renew.
   b. July 14 marked Bastille Day in Town, with ceremonies and a flag raising. Those of French ancestry in Town celebrated their independence.
   c. Eversource Energy held their second public information meeting and presentation to demonstrate the various phases of the proposed substation that is in front of the Connecticut Siting Council. Eversource has been amenable to the Town’s comments. A public hearing is pending for September 1 at the Cole Auditorium of Greenwich Library.
   d. On July 15, the First Selectman met with the Economic Advisory Committee. Topics discussed were the impacts of the CT State budget on the Town, ways to make Greenwich more attractive to businesses and millennials, and to make Greenwich “greener.” The EAC will be inviting a representative from Deloitte to speak at Town Hall on September 17 regarding aspects of the State budget on businesses.
   e. A meeting of the Retirement Board was held on July 15, at which it was decided to reappoint citizen member and current incumbent, John Chadwick.
   f. On July 27, the Town of Greenwich will celebrate 25 years of the enactment of the Americans with Disabilities Act. The First Selectman’s Advisory Committee for People with Disabilities in Greenwich will be hosting this event at 10:00 a.m. in the Town Hall Meeting Room.
   g. There will be a meeting next week with various members of the Greenwich Chamber of Commerce and Town staff to review the annual Sidewalk Sales days. This will be an opportunity to improve the overall management of this program for years going forward.
4. Old Business

There were no items of Old Business before the Board of Selectmen.

5. New Business

a. Greenwich Police Department – Veteran’s Day March – November 11, 2015
   i. The Greenwich Police are requesting a temporary road closure of Greenwich Avenue on November 11, 2015 in honor of Veteran’s Day.
   ii. Lieutenant Tom Keegan from GPD and Bruce Winningham from the Greenwich Military Covenant of Care were in attendance. This is the fourth year of this program, and is consistent with previous years’ programs.
   iii. This year’s ceremonial walk to the World War II memorial will honor service in the Vietnam War. The theme is called “Welcome Home.”
   iv. John Toner motioned to approve the request for temporary road closure, as presented by the GPD. Drew Marzullo seconded. The motion passed unanimously at 10:33 a.m.

b. Greenwich 375th Anniversary update – Davidd Strackbein, Chairman
   i. The Town of Greenwich has a rich and diverse history since its founding in the year 1640. The First Selectman requested that the following narrative written by Davidd Strackbein be added to today’s minutes:

   1. One of the great assets of the Greenwich community is the rich and diverse history covering the 375 years since the founding of Greenwich in 1640. One might ask what is history and why should we collect, preserve and disseminate history, including the history of Greenwich?

   2. History is an account of the past. We rely upon evidence to construct such accounts. We should question the reliability of each piece of evidence and recognize that any single piece of evidence is insufficient to build a reliable account of the past. Therefore, it is incumbent upon us to collect additional evidence of our town’s past on a continuous basis in order to create a more comprehensive basis for constructing an updated account of the past of Greenwich for dissemination to our citizens and society at large. Examples of unanswered questions related to the account of Greenwich past include the identity of the Native American Indians from whom the July 18, 1640 land purchase was made, the precise dating and location of the original southwestern border between Connecticut and New York, and the resolution of the competing claims to early Greenwich by the Native American Indians, the English and the Dutch.

   3. History is essential to both society and individuals as it provides information concerning the behavior of societies and individuals and thereby helps us to understand how the society we live in came to be as well as the impact of the past upon the present as a source of understanding change in our society. History provides a foundation for citizenship as it helps us confirm our identity in
society and encourages responsible participation in society. Furthermore, history provides insights to people in their vocations and influences their perspective with respect to the direction of our society.

4. In observing the 375th Anniversary of Greenwich, we have combined the celebration of the anniversary with an emphasis on programs and events related to the history of Greenwich for the benefit of current and future generations. These activities are the product of extraordinary efforts of another key asset of the Greenwich community, our world class volunteers and community partners who have generously contributed their time, talents and energy, and the wonderful support of the leadership and members of our town government who are instrumental in making Greenwich a great place for us to live. There is insufficient time to address the contributions of each individual and each community partner who has participated in this town-wide community effort to date, but we know that we owe every one of them a deep debt of gratitude.

5. The initial celebration of the 375th Anniversary, brought together the thirty-nine Houses of Worship throughout Greenwich on the first day of January 2015, for one minute at 1:00 p.m. as the bells in the steeples tolled and the leaders of the congregations heralded the beginning of this milestone year, recognizing the diversity of religions today versus the wilderness of 1640.

6. On February 22, 2015 at Putnam Hill Park, a little known Town pocket park on East Putnam Avenue across from Temple Shalom, was rededicated in a joyful celebration replete with a fife and drum corps, a Police Honor Guard, the Daughters of the American Revolution and the Sons of the American Revolution in an American Revolutionary War reenactment at Putnam Cottage and a reinstallation in Putnam Hill Park of a D.A.R. memorial to General Israel Putnam’s dramatic escape to seek reinforcements during a pivotal February 1779 Revolutionary War battle in central Greenwich.

7. Starting on May 16, 2015 a series of mini-bus, walking, and bicycle tours was initiated in eleven neighborhoods of Greenwich. In order to initiate this series the District Chairs of the Representative Town Meeting were asked to nominate residents in their respective districts as guides to undertake the identification and research related to existing sites and architectural features which contributed to the neighborhood’s history and development since its founding. The Neighborhood Tours program included the creation of maps of the neighborhoods and descriptions of the points of historical interest as well as narrated tours of each neighborhood by resident docent guides. Having given their tours
and mapping their neighborhoods for the printed guides, these dedicated volunteers have been asked to join us today to share what they discovered 375 years after the founding of Greenwich was unique about their neighborhood in 2015.

8. The tours covered Old Greenwich (Pat Larrabee, May 16th), Pemberwick/Glenville (Vin DeMarco, May 31st), Riverside (Jack Moffly, Nancy Ozizmir, and Bruce Barker, June 6th), Stanwich Historic District (Debbie Reynolds [Carter Reynolds, 13th generation Stanwich family], June 13th), Fourth Ward (Dean Gamanos, June 14th), Cos Cob (Lou Caravella, Carol Burns, Debra Mecky, Christopher Shields, June 20th), Greenwich Point History Bike Tour (Anna Greco, June 21st), Byram (Patricia Baiardi Kantorski, June 27th), Chickahominy/Byram Park/Byram Shore (Cheryl Dunson, July 8th), Northwestern Greenwich (Helen Itin-O'Malley and Louisa Stone, July 11th), and Founders Day Tour (Sue Baker and Chris Franco, July 18th) and Co-Chair of the Neighborhood Tours Committee Mary Ellen LeBien. The Neighborhood Tour maps and brochures provide further documentation of the history of the neighborhoods of Greenwich and are attached.

9. On July 3rd, the Independence Day Fireworks were held on a lovely summer evening at Binney Park and Greenwich Point by the Greenwich Department of Parks and Recreation. On July 4th our community partner, Independence Day Association of Greenwich, held the Fourth of July Ceremony for community participants on the steps of Town Hall, which included patriotic music, remembrances, citizenship awards, patriotic readings, refreshments, and a Fourth of July flag-raising in honor of Independence Day.

10. Tomorrow, on July 18th a Founder's Day commemoration of the 375th Anniversary of the founding of Greenwich on July 18, 1640 will take place at Innis Arden Cottage on Greenwich Point. With light refreshments and the accompaniment of the Greenwich Symphony Brass Band, the program will include the First Selectman's welcome and commemoration remarks, remarks of attending dignitaries, and the proposed dedication of a 375th Anniversary plaque to be installed on Greenwich Point as a memorial to the founding of Greenwich.

ii. Request for Approval of the Installation of a 375th Anniversary Memorial Plaque to be mounted on the Bluff at Greenwich Point:

1. On July 18, 2015 Greenwich will celebrate the 375th Anniversary of the founding of Greenwich. On July 18, 1640 Robert Feake, and Captain Daniel Patrick purchased land between the Asamuck [the stream bisecting Binney Park] and Patomuck [the stream which marks the border between Greenwich and Stamford] rivers, and
Elizabeth Feake, the wife of Robert Feake, purchased "ye neck by ye Indians called Monakeawoge, by us Elizabeth Neck" as her "Perticaler purchas" [now called Greenwich Point]. This land purchase is considered the founding of Greenwich.

2. Your approval is requested to install a plaque which includes the language of the 1640 deed on a boulder on Greenwich Point as a memorial of the 375th Anniversary. In keeping with the mission of the Greenwich 375th Anniversary, the plaque will serve to honor the Town's rich cultural heritage by sharing, preserving and fostering memories of the past and present while creating a legacy for tomorrow.

   iii. Davidde Strackbein thanked the many volunteers and community partners who have contributed their time and energy on this program, and who are instrumental in making Greenwich a great place to live.

   iv. John Toner motioned to approve the request to install a plaque at Greenwich Point commemorating the founding of Greenwich. Drew Marzullo seconded. The motion passed unanimously at 11:43 a.m.

   v. Peter Alexander thanked Davidde Strackbein for her hard work.

6. Appointments and Nominations

There were no appointments or nominations before the Board of Selectmen.

7. Executive Session

John Toner motioned to enter into executive session to discuss a workers' compensation claim and four pending tax appeals against the Town. Drew Marzullo seconded. The motion passed unanimously at 11:50 a.m.

Present in Executive Session were: J. Wayne Fox (Town Attorney), Gene McLaughlin (Assistant Town Attorney), Pete Mynarski (Comptroller), Tiffany Navarro (Workers’ Compensation Administrator), Heather Porto (Outside Counsel), Ben Branyan (Town Administrator), and Michael Rosen (Executive Assistant to the First Selectman).

John Toner motioned to enter into public session at 12:19 p.m. Drew Marzullo seconded. The motion passed unanimously.

John Toner motioned to approve the recommended CIRMA settlement of Claim Number 0063952 for $29,000.00. Drew Marzullo seconded. The motion passed unanimously at 12:20 p.m.

John Toner motioned to approve the settlement of Docket No. HHB CV 14-6026950S, WH House, LLC v. Town of Greenwich, as presented, with a credit of $49,052 to be applied against future tax payments. Drew Marzullo seconded. The motion passed unanimously at 12:21 p.m.
John Toner motioned to approve the settlement of Docket No. HHB CV 13-6028106S, *Masson v. Town of Greenwich*, as presented, with a credit of $10,831 to be applied against future tax payments. Drew Marzullo seconded. The motion passed unanimously at 12:22 p.m.

John Toner motioned to approve the settlement of Docket No. HHB CV 14-6026949S, *Davidson v. Town of Greenwich*, as presented, with a credit of $21,221 to be applied against future tax payments. Drew Marzullo seconded. The motion passed unanimously at 12:23 p.m.

John Toner motioned to approve the settlement of Docket No. HHB CV 11-6027031S, *Greenwich Plaza, Inc. v. Town of Greenwich*, as presented, with a credit of $489,908 to be applied against future tax payments. Drew Marzullo seconded. The motion passed unanimously at 12:24 p.m.

John Toner motioned to adjourn at 12:25 p.m. Drew Marzullo seconded. The motion passed unanimously.

The next regular meeting of the Board of Selectmen will be on Thursday, July 30, 2015 at 10:00 a.m. in the Town Hall Meeting Room.
Michael,

The proposed resolution was adopted by the Conservation Commission at our July meeting.

The Commission is now asking the BOS to adopt the resolution. Would like to have this on the July 30 BOS meeting.

leafcomposting_BOSresol.docx

The Conservation Commission will be rolling out an educational program this fall on leaf composting. This will be done coordination with DPW, P&R, and BOE along with some of our NGO partners.

This is aimed at reducing the leaves that need to be picked up by the Town. It is modeled after the program in Westchester County called "Love 'em and Leave 'em"

We are still working out the details but our program’s theme will be something like "Leaves: Nature's Treasures"

Thanks,

Denise

**Town of Greenwich**
Resolution Encouraging Property Owners
to Shred and/or Compost Leaves on Private Properties
Adopted by the Conservation Commission on July 1, 2015

Proposed for Adoption by the Board of Selectman on July 30, 2015

**WHEREAS**, the Town of Greenwich recognizes that current leaf collection practices are costly to the Town, are not in keeping with long term sustainability of our natural resources, and often have a negative impact on human health, safety and the natural environment as demonstrated by following:

- The annual coast of leaf pickup is averaging $325,000.00
- Piles of leaves placed along curbsides cause slippery condition, narrow the vehicular travel lanes and block storm drains
- Leaves deposited on the street absorb oil and grease washed off the cars. Once contaminated, this valuable resource turns into a waste that takes the pollutants with them when they travel downstream
- Dust particles that become air born during leaf blowing may trigger allergies and asthma attacks
- Blowing and collecting leaves is expensive and time consuming.
- Hauling leaves away is a lost opportunity of using this valuable resource for soil amendment, protection, and fertilization.; and

**WHEREAS**, leaf shredding and composting have variety of benefits which include, but may not be limited to:

- Reduction of waste and disposal cost
- Reduction of flooding resulting from clogged storm drains
- Improvement of soil structure and its microbial content when shredded leaves are left in place
- Improvements in soil health that result in conservation of soil moisture, modification of its temperature, prevention of erosion, and inhibition of weed growth
- Increase the efficiency of nutrient uptake by plants
- Decreases or eliminates the need for leaf blowing which saves on energy, labor, and time
- Less or no leaf blowing significantly reduces dust and noise pollution; and

**WHEREAS**, the Conservation Commission in coordination with the Dept. of Parks and Recreation and the Dept. of Public Works has developed an outreach program on leaf shredding and composting that includes:

- the implementation of a demonstration program on Town owned lands to lead by example
a series of workshops which will provide free education to all property owners willing to participate; now therefore be it

RESOLVED, that the Town of Greenwich endorses this leaf recycling program and encourages all property owners, landscape professionals, property managers, and caretakers to make optimal use of this rich organic resource by mulching and/or composting leaves on private properties and in doing help the Town to reduce the cost of unnecessary leaf collection/disposal and promote sustainable practices.

FURTHER RESOLVED, the Town encourages the property owners, landscape professionals, property managers and caretakers to use Town’s educational programs as guidance and contact Conservation Commission Staff at 203-622-6461 for any further questions.

RE: Agenda Item for July 30, 2015 Meeting
Temporary Intersection Closure and Detour-Mason Street at Lexington Avenue
Town Project 09-17

This project involves modifying an existing drainage manhole at the intersection Mason Street at Lexington Avenue and Amogerone Crossway in order to accommodate a new, larger drainage pipe. The intersection of Mason Street at Lexington Avenue will be partially closed for approximately one week at the start of construction. Traffic will be allowed to proceed south on Mason Street and turn right from Amogerone Crossway onto Mason Street. Traffic will be restricted from going north on Mason Street, turning onto Lexington Avenue and left from Amogerone Crossway onto Mason Street. See the attached detour plan.

The replacement of storm drain lines will be on Mason Street from Lexington Avenue to East Putnam Avenue, Church Street from East Putnam Avenue to William Street and East Putnam Avenue at the intersection of Church Street and Mason Street.

The Contractor anticipates starting construction at Mason Street and Lexington Avenue and plans to install approximately 80 feet of pipe per day. The lane closures will be limited to the work area with traffic being maintained in both directions during construction. This will require the loss of some on-street parking. Full closures on Church Street or East Putnam Avenue will not be required.

Attached for review and approval by the Board of Selectmen is the detour plan for the one week partial intersection closure with detour.

The project schedule is proposed from August 2015 until December 2015 and is dependent on the weather. The exact date of the intersection closure is contingent upon the completion of gas main replacement by Connecticut Natural Gas. As soon as this date is determined, the Board of Selectmen will be notified, all businesses in the vicinity will be notified and the DPW website will be updated.

To: The Greenwich Board of Selectmen
Event: Fashion on the Avenue
Date of Event: Thursday, September 10, 2015
Location: Street closing on Greenwich Avenue

Greenwich retailers united in 2010 to launch *Greenwich Fashion on the Avenue*. Since then, this annual event has grown to a great community initiative, with a red carpet runway show down the center of Greenwich Avenue. Over 50 local businesses including retail stores, restaurants, salons, spas, banks and others participate annually in the event. Over 25 media outlets cover the event in pre and post-event press. Fashion on the Avenue creates great partnerships and relationship building among the Greenwich retail and business community. Last year several hundred people gathered on Greenwich Avenue to view the fashion show, followed by attending and supporting events in stores and restaurants.

Based on the tremendous success of Greenwich Fashion on the Avenue, this year we would like to follow the same format, closing Greenwich Avenue between Elm Street and Havemeyer Place between the hours of 4:00 and 9:00 p.m. This is a new location due to logistics necessary for power source. Speeches and fashion show commentary will take place in front of the Greenwich Arts Council building.

Set up of the event will take place from 4:00 – 5:30 p.m. The street will open to guests and press at 5:30 p.m. and the fashion show will begin at 6:00 p.m. The show will end at 7:00 p.m. The street will reopen to traffic at 9:00 p.m.

Given that Fashion on the Avenue is best celebrated as a civic event, we would welcome your support in endorsing this program for Greenwich.

We look forward to working with you and the Greenwich business community to help make Greenwich Fashion on the Avenue an exciting civic celebration on Thursday, September 10.

Sincerely,

Geri

MC
Memorandum

TO:       Peter J. Tesei, First Selectman
FROM:     Princess A. Erse, Community Development Administrator
DATE:     July 24, 2015
RE:       Community Development Advisory Committee (CDAC) Funding
Recommendations for the Community Development Block Grant (CDBG) Program Year (PY) 2016

As you know, one of the requirements of the CDBG program is for the Town to develop and implement a citizen participation plan that enables and promotes citizen involvement. To meet this requirement, the Town established the Community Development Advisory Committee (CDAC). CDAC is an advisory committee to the First Selectman and is currently comprised of 28 individuals (23 regular members and 5 alternate members) representing various town bodies and agencies such as the RTM, BET, P&Z Commission, Housing Authority Commission, Board of Social Services, Board of Health, NOW and League of Women Voters.

For PY2016, a total of 32 proposed activities (15 public/human service programs and 17 rehabilitation/capital improvement projects) were submitted totaling $1,378,995.00 in CDBG funding request. In addition to the three CDAC public meetings, there were two public hearings held during the first half of 2015. CDAC members also established subcommittees assigned to carryout onsite visits and in-depth evaluations prior to finalizing the funding recommendations. During the June 18, 2015 CDAC meeting, the Advisory Committee finalized their funding recommendations for CDBG program year 2016 (signed copy enclosed).

The enclosed document is being presented during the Board of Selectmen meeting for informational purposes only. No action is required from the Board. A public hearing has been scheduled on August 11, 2015 (Tuesday) to begin at 7pm in the Town Hall Meeting Room. The purpose of this public hearing is for the First Selectman to solicit citizen input and comments on the CDAC funding recommendations for CDBG PY2016. Following the August 11th public hearing the First Selectman will issue his final funding allocations for program year 2016 will be issued. The final allocations will then be submitted to the BET and RTM for their review and approval. Once all the required town approvals have been obtained, the final 2016 Annual One-Year Action Plan will be submitted to HUD.
