## Sec. 12-6.1. Property tax relief for seniors and totally disabled homeowners.

- (a) *Statutory authority; age or disability qualification.* Pursuant to General Statutes § 12-129n property tax relief shall be provided to any resident of the town with respect to real property occupied by such resident as his or her principal residence or held in trust for the benefit of and occupied by such resident as his or her principal residence for which the resident is liable for taxes as owner or as tenant for life or years under General Statutes § 12-48, who meets the qualifying total annual income herein and who is:
- (1) A. Sixty-five (65) years of age or over,
    - B. Whose spouse, living with the resident is sixty-five (65) years of age or over, or
    - C. Who is sixty (60) years of age or over and the surviving spouse of a taxpayer receiving relief in the town under this section at the time of his or her death; or
  - (2) Who is under age sixty-five (65) and eligible in accordance with applicable federal regulations to receive permanent total disability benefits under Social Security, or has not been engaged in employment covered by Social Security and accordingly has not qualified for benefits thereunder but who has become qualified for permanent total disability benefits under any federal, state or local government retirement or disability plan, including the Railroad Retirement Act and any government-related teacher's retirement plan, in which requirements with respect to qualification for such permanent total disability benefits are comparable to such requirements under Social Security.

The ages specified in clause (1) of this subsection shall have been attained by December 31 preceding the application for tax relief under this section. The term "property" as used in this Section 12-6.1 shall mean "real property" unless otherwise specified.

- (b) *Taxpayer qualification.* Residents or spouses qualifying for tax relief under this section must be taxpayers of real property located in the town for one (1) year immediately preceding their receipt of tax benefits under this section and meet the requirements set forth in subsection (k) of this section with respect to the qualifying total annual income allowable for their federal income tax year preceding the year in which application is made for tax relief under this section.
- (c) *Other relief.* Prior to the granting of property tax relief, such person must first have applied for tax relief under any other statute for which he or she is eligible and shall certify to the assessor and tax collector the tax credits received thereunder. No property tax relief granted under this section, together with any property tax relief received by any such person under all applicable statutes shall exceed, in the aggregate seventy-five (75) percent of the total amount of the tax which would, except for those applicable statutes and this section, be laid against the person applying for tax relief hereunder.
- (d) *Limit on abatement.* The total credit and deferral abatement of property tax revenue which may be granted in each tax year by the town pursuant to the provisions of this section shall be set by the Board of Estimate and Taxation at the time it sets the mill rate for such tax year at an amount which is:
- (1) Not less than the lesser of:
    - A. Five hundred seventy thousand dollars (\$570,000.00); or
    - B. The amount of the tax relief for approved applications; and
  - (2) Not greater than an amount, equal to one-half of one (½) percent of the total real property tax levied in the town in the current tax year.

Such tax relief granted to eligible persons for any fiscal year shall be decreased if necessary to keep the total amount of the town tax relief within such limit by applying such decrease ratably to the relief for the eligible persons with the highest qualifying total annual income and relief determined under subsections (f) and (k) and

---

then if no relief is left for persons with such income and relief, by applying the decrease ratably to the relief for the persons with the next highest income and relief and so on for the others, until the decrease that is required to stay within such limit is met.

- (e) *Principal residence requirement.* For purposes of this section the principal residence requirement in subsection (a) shall be met if the resident seeking qualification shall have maintained residence in the property for which tax relief is being sought for at least one hundred eighty-three (183) days during the twelve (12) months immediately prior to the filing of an application hereunder and does not otherwise qualify as a resident of any other country, state, municipality or territory.
- (f) *Qualifying total annual income.* Qualifying total annual income for tax relief under subsection (k) of this section shall be reviewed and determined by the assessor on the basis of amounts listed in the computation of total income for federal income tax purposes furnished by the taxpayer for the year preceding the filing of an application for tax relief hereunder of the applying individual, if unmarried, or jointly, if married, regardless of whether or not separate federal income tax returns were filed by such person or his or her spouse and shall be adjusted in accordance with paragraphs (1) and (2) of this subsection (f).
- (1) *Included in income.* Qualifying total annual income is defined as gross income, as defined in the Internal Revenue Code of 1986, as may be amended from time to time, plus income from the following sources, whether or not such sources were included in amounts listed for the computation of total income in a federal income tax return. To the extent that the following sources are not included as total income in a federal income tax return, as determined by the assessor, they will be included and the qualifying total income shall be adjusted accordingly. The following sources shall be included [from] for calculating the qualifying total annual income:
- A. Wages, bonuses, commissions, gratuities and fees, self-employment net income;
  - B. Gross Social Security, Federal Supplemental Security Income, payment for jury duty (excluding travel allowance);

  - I. Pensions, including veterans' and railroad retirement;
  - J. Severance pay; Unemployment compensation;
  - K. Worker's compensation;
  - L. Alimony;
  - M. Capital gains, provided that, to the extent there is no capital gain, qualifying total annual income shall not be decreased by capital losses;
  - N. Partnership income, provided that, to the extent there is no net income, qualifying total annual income shall not be decreased by partnership net income losses;
- (2) *Excluded from income.* Qualifying total annual income shall exclude income from the sources listed in this paragraph (2), whether or not such sources were included in amounts listed for the computation of

---

total income in a federal income tax return or under paragraph (1) of this subsection (f). To the extent that they were included in a federal income tax return or under paragraph (1) above, as determined by the assessor, they will be excluded and the qualifying total income shall be adjusted accordingly. The following sources shall be excluded from calculating the qualifying total annual income:

- A. Social Security payments specifically for a dependent person or minor child;
  - B. Casualty loss reimbursements by insurance companies;
  - C. Gifts, bequests or inheritances, except for any interest or other income produced by the gift, bequest or inheritance;

For a married homeowner whose spouse is a resident of a health care or nursing home facility and who is receiving payment related to such spouse under Title XIX Medicaid, total income shall not include the spouse's Social Security income, provided that the following has been submitted to the assessor on the facility's letterhead and signed by the administrator or other nursing home official:
    - (i) Proof that the spouse is in a health care or nursing home facility;
    - (ii) The name and address of the facility;
    - (iii) The period during the benefit year that the spouse was in the facility;
    - (iv) The period during the benefit year that the spouse was on Title XIX Medicaid;
  - H. Food stamps; fuel assistance; child support payments and temporary family assistance program payments.
- (g) *Delinquent taxes.* No tax relief shall be given under this section to any person who has delinquent taxes to the town from real property, personal property or motor vehicles, including capital assessments or user charges owed to the town which have not been paid in full or brought current by June 1 preceding the fiscal year for which tax relief shall be granted. For purposes of this section, abated taxes shall not be considered delinquent.
- (h) *Form of application.* The form of application for property tax relief under this section shall:
- (1) Be made by affidavit on forms provided by the assessor and accompanied by documentation of all qualifying income, including a copy of the applicant's most recent federal tax return for the taxpayer's fiscal year immediately preceding the town's fiscal year for which tax relief is being requested; and
  - (2) State the qualifying information set forth in the preceding sections of this section, whether or not the applicant has previously applied or is currently applying for any other tax relief for the elderly or disabled under any state statute.

For those persons not required by law to file a federal tax return, an affidavit from such persons shall be required attesting to the fact that they are not required to file a tax return. In the case of an application for tax deferral as provided under this section the assessor shall take from the applicant, who shall be an individual and not a trust, an agreement in writing, signed, witnessed and acknowledged as required for a conveyance of land, containing the street address and land records volume and page of the deed to the property to the applicant or other legal

description, that states the obligation to repay the deferred taxes and expressly grants to the town a security lien therefor on such real estate, which agreement shall be recorded in the land records with the lien filed by the tax collector in accordance with paragraph (k)(2) herein. The assessor shall provide the applicant for a tax deferral written notice that if the applicant's property is mortgaged, entering into this agreement may violate the mortgage covenants and the applicant should contact his or her mortgage lender.

- (i) *Filing dates.* An application for property tax relief under this section, including any required affidavit and documentation, shall be filed by mail or delivered in person to the assessor's office not earlier than February 1, nor later than May 15 to obtain property tax relief for the next fiscal year. For those persons who have sought and received by May 15 an extension of time to file a tax return, the application must nevertheless be filed by May 15 and a copy of the tax return must be received by the assessor's office by June 15 or the application will be denied. If the qualifying total annual income for the year following that contained in the application remains less than the limit of the category approved for a resident under subsection (k) then that resident shall not be required to file an application in the next following year but shall only be required to file an application biennially and the assessor may rely on the approved application on file to continue the tax relief accordingly. Otherwise, based on changes for such following year in qualifying total annual income that exceed the limit of the category approved for a resident or for a claim that the resident be allowed a larger relief based on a lower income category under subsection (k), the resident shall notify the assessor of such change and, if still qualifying for property tax relief, shall file again annually, by the dates set forth in this subsection.
- (j) *Assessment limit.* The property tax relief available hereunder shall be available for one (1) residence only collectively for each applicant and spouse and shall not be available to any residence with an assessed value in excess of one hundred and fifty percent (150%) of the highest median assessed value of residences sold during each of the prior assessment years, October 1 to September 30, since the inception of the last town-wide revaluation as calculated by the assessor.
- (k) *Computation of credit or deferral.* The tax relief provided by this section shall be elected by the applicant, subject to subsection (c), as either a credit, as provided in the following paragraph (1) of this subsection (k), or a deferral, as provided in the following paragraph (2) of this subsection (k), but not both:
  - (1) *Tax credit.* The computation of the amount of property tax credit hereunder for the fiscal year commencing July 1, 2019, shall be determined on the following graduated basis:

Qualifying Total Annual Income	Property Tax Credit
Less than \$27,000.00	\$2,352.00
\$27,000.00—\$40,500.00	\$1,609.00
\$40,501.00—\$56,500.00	\$1,238.00
\$56,501.00—\$68,000.00	\$619.00

The computation of the amount of property tax credit hereunder for the fiscal year commencing July 1, 2020 shall be determined on the following graduated basis:

Qualifying Total Annual Income	Property Tax Credit
Less than \$27,000.00	\$2,352.00
\$27,000.00—\$33,500.00	\$1,980.00
\$33,501.00—\$40,500.00	\$1,609.00
\$40,501.00—\$48,500.00	\$1,423.00
\$48,501.00—\$56,500.00	\$1,238.00
\$56,501.00—\$62,000.00	\$928.00
\$62,001.00—\$68,000.00	\$619.00

---

The amount of property tax credit in the fiscal year commencing in July 1, 2020, and for subsequent years shall be adjusted by a percentage change from the prior year as follows:

- (A) *Revaluation year.* In a fiscal year in which a tax assessment revaluation becomes effective, the percentage change shall be the product of the new mill rate times the new grand list divided by the product of the prior grand list times the prior mill rate, minus one (1).

Example:

Prior grand list \$20 Billion

Prior mill rate 12 mills

New grand list \$40 Billion

New mill rate 6.2 mills

$$\begin{aligned} & \text{Benefit change} \\ & = ((6.2 \text{ mills} \times \$40 \text{ Billion}) / (12 \text{ mills} \times \$20 \text{ Billion})) - 1 \\ & = (\$248 \text{ million} / \$240 \text{ million}) - 1 \\ & = .03333 \text{ or } 3.333 \text{ percent increase} \end{aligned}$$

- (B) *Non-revaluation year.* In a fiscal year in which a tax assessment revaluation does not become effective the percentage change shall be the same as the percentage change in the mill rate from the prior year.

The adjusted tax credit shall be published by the assessor on the town's website.

(2) *Tax deferral.*

- A. For the fiscal year commencing July 1, 2019, the amount of tax deferral that persons with a qualifying total annual income of sixty-eight thousand dollars (\$68,000.00) or less may apply for shall be three thousand dollars (\$3,000.00). The qualifying total income, but not the deferral amount, shall be adjusted in each subsequent fiscal year by the tax assessor pursuant to paragraph (3) of this subsection (k).
- B. The amount of tax deferred shall be reimbursed to the town on the death of the taxpayer or transfer of the property as provided in subsections (l) and (m) herein and shall be subject to the following:
- (i) The tax deferred shall be subject to an interest charge equal to the nominal rate for the United States Treasury security ten-year constant maturity quoted on an investment basis in the Federal Reserve Statistical Release as of each July 1, or the first business day thereafter, plus two hundred (200) basis points (two percent (2%)),
  - (ii) The interest rate will change annually, shall become effective July 1 and remain in effect for the twelve-month period through and including June 30 and shall compound annually,
  - (iii) Interest shall accrue from the date of deferral to the date of payment, and
  - (iv) The cumulative amount of deferred taxes plus interest may be repaid in whole at any time.
- C. Once the amount including interest that is cumulatively deferred for any property exceeds fifty percent (50%) of the assessed valuation of that property or the taxpayer's prorated assessed valuation of that property as determined by the assessor under subsections (n) or (o) herein the taxpayer for that property shall no longer qualify for a tax deferral.
- D. Upon the approval of an application for deferral the assessor shall forward notification of the approval together with the agreement specified in subsection (h) herein to the tax collector who shall file in the land records the agreement together with a tax lien on the property which shall

---

become effective and be continued in the same manner as with other tax liens for the cumulative amount of deferred taxes plus the interest specified herein.

- (3) *Adjustment of qualifying total annual income.* For fiscal years commencing July 1, 2020, and in all subsequent years thereafter, the assessor shall adjust the qualifying total annual income by the percentage increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) affecting the town designated "New York-Newark-Jersey City, N.Y.-N.J.-P.A." rounded down to the nearest five hundred dollars (\$500.00).
- (l) *Death of taxpayer.* Upon the death of any person entitled to tax relief pursuant to this section, the tax relief hereunder shall end the following June 30, unless his or her spouse is otherwise qualified hereunder. Any deferred tax plus interest shall be paid by the expiration of two hundred seventy (270) days from the date of death and if not paid shall become delinquent from the expiration of such time limit in the same manner as for delinquent taxes.
- (m) *Transfer of property.* If any person entitled to tax relief hereunder transfers the property with respect to which the tax relief hereunder has been granted to someone other than a spouse otherwise qualified hereunder, the tax relief shall be suspended as of the date of transfer, the deferred tax plus interest shall thereupon become due and if not paid within thirty (30) days shall become a delinquent tax from the date of transfer. The nonqualifying transferee of such property shall be liable for any such unpaid taxes and shall pay the town a prorated share of taxes that become due and owing as provided by General Statutes § 12-81a.
- (n) *Proration of relief.* The property tax relief provided for in this section may, in any case where title to real property is recorded in the name of the taxpayer or his or her spouse and any other person or persons, be prorated to reflect the fractional portion of such taxpayer or spouse or, if such property is a multiple family dwelling, such relief may be prorated to reflect the fractional portion of such property occupied by the taxpayer.
- (o) *Cooperatives.* Persons qualifying in accordance with the age or disability and income requirements of this section shall be eligible if they are unit owners and occupiers of a cooperative. The amount of annual property tax relief in accordance with this section to any such person shall be determined in relation to an assumed amount of property tax liability applicable to the assessed value for the dwelling unit which such person owns and occupies as determined by the assessor which may be based on the number of cooperative shares attributable to the unit compared to the total number of shares in the cooperative. For purposes of this section the assessor shall determine the assumed amount of property tax liability applicable to the assessed value for the dwelling unit of each such person who is otherwise eligible under this section, but such determination shall not constitute a tax bill for purposes of property taxation of such cooperative or any individual dwelling unit thereof. Annually not later than the first day of June, the assessor, upon the basis of an application for such relief, shall determine, with respect to the assessment list for the assessment year commencing October 1 immediately preceding, the portion of the assessed value of the entire cooperative, as included in such assessment list, attributable to the dwelling unit occupied by such person. The assumed property tax liability for purposes of determining the amount of such relief shall be the product of such assessed value and the mill rate in the town as determined for purposes of property tax imposed on said assessment list for the assessment year commencing October 1 immediately preceding. The amount of relief to which such person shall be entitled for such assessment year shall be equivalent to the amount of tax reduction for which such person would qualify, considering such assumed property tax liability to be the actual property tax applicable to such person's dwelling unit and such person as liable for the payment of such tax.
- (p) *Procedures.* The tax collector and assessor shall prescribe with regard to their respective duties under this section, such forms and procedures as may be necessary to implement this section. The assessor, in addition, shall take such steps as are necessary to satisfactorily establish the facts as to the age or disability and the qualifying income of an applicant for benefits under this section by requesting and reviewing income tax forms filed therewith and any additional evidence of age or disability and qualifying income, which the

---

assessor may require. This documentation shall not be open to public inspection. The assessor may deny the application of a person who fails to provide information required by the assessor that is necessary to determine eligibility.

- (q) *Effective date.* This section, as amended, shall be effective starting with applications accepted February 1, 2019 through May 15, 2019. for tax relief for the fiscal years commencing July 1, 2019.
- (r) *Notice to taxpayers.* The Town Tax Collector shall include on each taxpayer's real property tax bills notice of the availability of the Senior and Disability Property Tax Relief provided by this section.
- (s) *Expiration.* All provisions of this section, as amended, shall cease to be effective on June 30, 2024, unless an ordinance extending this section is properly submitted to the Board of Selectmen, the Board of Estimate and Taxation and the Representative Town Meeting and approved prior to December 31, 2023.

WHEREAS, the Board of Estimate and Taxation (“BET”) and the Representative Town Meeting have approved specific appropriations for the Greenwich High Field Remediation project in the Town’s Capital Budget for Fiscal Year 2023-2024.

**BE AND IT IS HEREBY RESOLVED:**

Section 1. To meet the portion of the approved capital budget appropriations for the Greenwich High Field Remediation (collectively, GHD Remediation Project”), \$2,000,000 general obligation bonds of the Town are authorized to be issued in one or more series, maturing in annual installments of principal in compliance with the General Statutes of Connecticut, as amended from time to time (the “Connecticut General Statutes”), *provided* the final installment shall be due not later than the fifth year after their date. The bonds shall be in the denomination of \$5,000 or a whole multiple thereof, be issued in fully registered form, be executed in the name and on behalf of the Town by the facsimile or manual signatures of the Chairman of the Board of Estimate and Taxation or another authorized BET member designated by the Chairman and the Treasurer, and countersigned by the Comptroller, have the seal of the Town affixed and attested by the Town Clerk, be certified by a bank or trust company, and be approved as to their legality by nationally-recognized bond counsel. Section 2. The aggregate principal amount of the bonds of each series to be issued, and the manner of issue and sale shall be determined by the Comptroller, *provided* the bonds shall be issued in amounts which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the costs of issuance of such bonds. The annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details and particulars of such bonds, including approval of the rate or rates of interest payable thereon, shall be determined by the Comptroller, in accordance with the Connecticut General Statutes.

Section 3. Said bonds shall be sold by the Comptroller, in a competitive offering or by negotiation, in his discretion. If sold in a competitive offering, the bonds shall be sold at not less than par and accrued interest on the basis of the lowest net or true interest cost to the Town. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least five days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds. If the bonds are sold by negotiation, provisions of the purchase agreement shall be approved by the Comptroller.

Section 4. The Comptroller is authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. Notes evidencing such borrowings shall be signed by the Chairman of the Board of Estimate and Taxation or another authorized BET member designated by the Chairman and the Treasurer, and countersigned by the Comptroller, have the seal of the Town affixed and attested by the Town Clerk, be approved as to their legality by nationally-recognized bond counsel, and be certified by and payable at a bank or trust company designated by the Comptroller, pursuant to Section 7-373 of the Connecticut General Statutes. They shall be issued with maturity dates which comply with the provisions of the Connecticut General Statutes governing the issuance of such notes, as the same may be amended from time to time. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a capital cost of the GHS Remediation Project. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any temporary borrowings then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 5. The Board of Education is authorized in the name and on behalf of the Town to apply to the Connecticut Commissioner of Education for any and all State grants-in-aid for the GHS Remediation Project.

Section 6. The Town hereby expresses its official intent pursuant to §1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and any time after the date of passage of this Resolution in the maximum amount and for the GHS Remediation Project with the proceeds of bonds, notes or other obligations ("Tax Exempt Obligations") the Town. The Tax Exempt Obligations shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the GHS Remediation Project, or such later date as the Regulations may authorize. The Town hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Comptroller is authorized to pay project expenses in accordance herewith pending the issuance of Tax Exempt Obligations.

Section 7. The Comptroller is hereby authorized, on behalf of the Town, to enter into agreements or otherwise covenant for the benefit of bondholders to provide information on an annual or other periodic basis to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notices to the MSRB of material events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds or other obligations authorized by this Resolution. Any agreements or representations to provide information to MSRB made prior hereto are hereby confirmed, ratified and approved.

Section 8. The time for the issuance of bonds, notes or other obligations authorized hereunder shall not be limited but shall remain in full force and effect until all payments are made and all borrowings completed for the Capital Budget Projects financed by such bonds or other obligations.

Section 9. The Chairman of the Board of Estimate and Taxation or another authorized BET member designated by the Chairman, the Treasurer and the Comptroller are hereby authorized, on behalf of the Town, to enter into any other agreements, instruments, documents and certificates, including tax and investment agreements, for the consummation of the transactions contemplated by this resolution and to Town with engineers, contractors and others in connection therewith.
