*Comments:*
   a. The gate to be slightly raised to make sure it clears the grades of the road and for snow removal (for practical not aesthetic reasons.)

4. **1075 Post Road Realty LLC, 1075 East Putnam Avenue**: Application PLPZ202000078 for an Exterior Alteration review for painting of the building to match building at 5 Riverside Lane on a property located at 1075 East Putnam Avenue in Riverside, CT in the LBR-2 zone.

*Motion:* Hein  
*Second:* LoBalbo  
*Vote:* Unanimous (Hein, Strazza, LoBalbo, Boldt, Brake-Smith, Cohen, Contadino, Conte, Krueger, Meniconi, Pugliese.)

*Note of the Motion:*
   a. ARC notes that precedence denying painting of brick buildings has been in response to proposed painting being related solely to branding on buildings that do not present the scale or location compatible for painting.
   b. Based on scale and location of Aux Delices building, ARC is amenable to consider proposed painting, however the proposal in its current state is not acceptable.
   c. Painting of the brick needs to be studied as a full master plan of the area to include plans for trim, awnings, windows, fenestration and lights. Must be harmonious with the existing building.
   d. Study the choice of white—is there another color that is more harmonious?
