Assistant Town Attorney Aamina Ahmad said there isn’t any evidence that the Town has previous riparian right agreements. She also highlighted various points that would be included in a lease agreement to protect the Town's interests. Further review by Planning & Zoning, the U.S. Army Corps of Engineers, the state Department of Energy and Environmental Protection, the Town’s departments of Public Works and Parks and Recreation would be necessary.

Harbor Management Commission vice chair Lile Gibbons said the proposed plan has been discussed at various levels for at least three years and it would provide a means to preserve the Town’s waterfront.    a. All expenditures listed below shall be based on and as prioritized by the Greenwich Affordable Housing Plan. Funds from the Trust shall only be used for the following authorized purposes:
      i. Creation of affordable rental or homeownership housing units. To encourage the development of affordable housing through a variety of means including, but not limited to, the provision of favorable financing to developers of affordable housing, or by means of the direct write-down of costs for non-profit developers of affordable housing, or to subsidize the acquisition of sites, existing structures or designated affordable housing units which comprise a portion of a larger development containing housing which is not deemed affordable to persons of low and moderate income.
      ii. Multi-family rehabilitation program. To finance the rehabilitation, repair, renovation or alteration of existing and deteriorated multi-family residential properties in a manner that preserves or enhances the affordability of dwelling units within such properties through interest rate subsidies, or the direct subsidy of project costs.
      iii. Limited Equity Cooperative or Condominium Conversion Properties. To assist in the acquisition, rehabilitation, repair, alteration or renovation of residential properties deemed appropriate for conversion to a "common interest community" as defined pursuant to CGS 47-202(7) and consistent with the Town’s current Affordable Housing Plan.
      iv. Studies to determine the affordable housing needs of Greenwich residents and for the preparation of the Greenwich Affordable Housing Plan. Selection of vendors for such service shall be compliant with Greenwich Purchasing Department standards and requirements.
v. Administrative expenses arising pursuant to the execution of Trust purposes and goals.

b. Except for payments related to preparation of the GAHP, affordable housing needs studies and administrative expenses, no Expenditures shall be made from the Fund in absence of an approved GAHP and all expenditures must demonstrate how they meet the goals and priorities established therein.

4. Once the Fund has, for the first time, reached a level of three hundred thousand dollars ($300,000.00) and all other relevant conditions have been met, the Board of Trustees shall thereafter accept, on a continuous basis, requests for funds for authorized purposes from eligible parties. Eligible parties include, but are not limited to, for-profit and not-for-profit housing developers or not-for-profit organizations with the goal of furthering affordable housing, along with the Housing Authority of the Town of Greenwich (Greenwich Communities). Individuals shall not be considered eligible parties. The Board shall review and make a determination whether or not to grant such requests.

5. Whenever two million dollars ($2,000,000.00) or more are available in the Trust, the Board of Trustees shall issue a Notice of Funds Available (NoFA) to solicit proposals for how to further the Town's Affordable Housing Plan. Such NoFA shall be issued no later than two (2) weeks after the first Board meeting after the monies in the Trust reach the above threshold. No later than seven (7) months after the issuance of the NoFA, the Board of Trustees shall render a decision on whether or not and how to fully or partially disburse the monies of the Fund.

6. Any proposed expenditure over five hundred thousand dollars ($500,000.00) approved by the Board of Trustees shall be submitted as a recommendation to the Board of Selectmen and the Representative Town Meeting. The Representative Town Meeting may reject such recommended expenditure within forty-five (45) days of receipt by a vote of two-thirds (2/3) of its members present and voting. If, within forty-five (45) days of receipt of the recommendation, the Representative Town Meeting fails to reject such recommendation, it shall be considered approved.

7. The Board of Trustees shall, at the end of each Fiscal Year, prepare a Report listing all expenditures and projects supported in said Fiscal Year, how they address affordable housing needs and priorities in accordance with the Greenwich Affordable Housing Plan. Said report shall be completed and submitted to the Planning & Zoning Commission, the Representative Town Meeting, the Board of Estimate and Taxation and the Comptroller by no later than September 15 of the following Fiscal Year. The Report shall also be posted on the Town of Greenwich website for public inspection and shall be available in hardcopy at the Town of Greenwich Planning & Zoning Department and Town Clerk office for review during normal business hours.

Sec. 6-331. - Interpretation.

Nothing in this Chapter shall be construed to limit any powers lawfully exercised by the Planning & Zoning Commission exercising the powers of such Commission pursuant to State Statute or Special Acts or to Article 9, Section 83 of the Greenwich Town Charter.
PROPOSAL

FOR THE INSTALLATION OF AMERICAN FLAGS ALONG GREENWICH AVENUE

PREPARED FOR: THE TOWN OF GREENWICH, BOARD OF SELECTMEN

BY: GREENWICH COMMUNITY PROJECTS FUND

APRIL 22, 2021
OVERVIEW

Stars and Stripes Greenwich Ave, created by the Greenwich Community Projects Fund (GCPF), seeks approval from the Town of Greenwich to bring historic, patriotic flair back to the downtown.

The tradition that has since been overlooked dates back to the 1970s when merchants along the Avenue displayed the American Flag on parking meters along their storefront.

GCPF is proud to propose a revival of this initiative to continue its inherent mission of community spirit in the heart of Greenwich.
PROJECT SCOPE

GCPF to feature full-size American flags on lamp posts along Greenwich Avenue, the commercial and civic center of the Town. Smart placement of flags ensures each will be illuminated every night by the light from the lamp posts.

INSTALLATION & MATERIALS
Custom-made metal flag poles and brackets to be mounted to the top of the lamp posts along Greenwich Avenue.
- Paul Chiapetta Welding to install custom-made brackets to hold flags
- Carbon-fiber flag poles to be 6 ft. in length
- Approximately thirty two (32) full-size American Flags, measuring 3 ft. x 5 ft. each

TIMELINE
- Bracket Installation: Three weeks prior to Memorial Day
- Flag Display: 5/23 - 6/6 (Memorial Day), 6/27-7/11 (Independence Day), 8/29 - 9/12 (Labor Day), and on 11/11 (Veteran’s Day)

MAINTENANCE
Forecasted storms and/or high winds will prompt the removal of flags until the weather event is over. Any service and remediation will be done within a 24 hr window of notification.

FUNDING
GCPF will secure flag sponsorships at $500 per flag. Sponsors will be acknowledged online, across social media platforms, via a banner on the Avenue, and within a thank you ad in the paper.

Description of program: Kids in Crisis’ SafeHaven for Kids Emergency Shelter Program (ESP) operates 24/7/365 to serve CT newborns to 18 year olds who are not safe at home due to severe family conflict, abuse, neglect, or rejection; are homeless; or for other urgent reasons require respite care. It is the only CT shelter for children that: 1) is south of New Haven; 2) has an onsite Health Clinic; 3) accepts kids referred by family and community members concerned about their safety and well-being; 4) accepts any gender identity; 5) accepts kids under age 6. The ESP provides a safe, nurturing environment with comprehensive individualized counseling, medical care, educational services and therapeutic recreation. All are provided at no cost to children and families.

Need for program: The CT Dept. of Children and Families Office of Research and Evaluation affirms that abuse and neglect can impact children’s mental and physical health: “Some of the negative consequences highlighted by the Child Welfare Information Gateway include: impaired brain development, cognitive difficulties, increased drug/alcohol use, and a variety of physical health issues. The mental health impacts for abuse and neglect to children include: anxiety, depression, dissociation . . .” Long-term research has proven kids who witness abuse at home are more likely to become involved in the juvenile justice system and become abusers themselves.

Neighborhood area to be served: The primary catchment area is Fairfield County.

Plan to implement the program: SafeHaven for Kids trained Counselors answer Crisis Helpline calls 24/7/365, provide immediate counseling/referrals, and may meet caller to provide immediate safety planning or for other needs (e.g. food/warm coat for runaway). ~1/3 callers require continued support, provided for as long as needed. When evident from call/meeting there is no safe/appropriate alternative, with parent/guardian permission, children enter the Emergency Shelter Program.

Description of program: ________________________________

Replace failing domestic hot water heater with energy efficient model
Continue replacement of lighting with LED lighting
Replace pool filter with energy efficient model

Need for program: ______________________________________

The YMCA of Greenwich was built in 1916 and is over 110,000 square feet. NAA grant funds allow us to make our building energy efficient and simultaneously reduce our heating, cooling, and electrical costs. We will continue to replace inefficient lighting with LED lighting as well as replace our inefficient domestic hot water heater and pool filters.

Neighborhood area to be served: __________________________

The YMCA of Greenwich serves residents from all neighborhoods in Greenwich. Our 5,000 plus members will all benefit from this program.

Plan to implement the program: ____________________________

Once NAA approval is received, our Facilities Manager, Drew Hall will hire the appropriate subcontractors and order equipment. The domestic hot water heater has already been designed by our engineers as has the pool filter system. We are ready to go directly to the manufacturer and place the order. He will be responsible for the timetable, day to day management of the project and supervision of all workmen. Our COO, Mike Kelly, has oversight and ultimate responsibility for all projects at the facility. This is a continuation of the lighting replacement and will follow the same project schedule at past years (September-December) and be completed by December 2020. The domestic hot water and pool filter replacement schedule will be to order the systems.

Description of program: ____________________________________________

YWCA Greenwich will engage a vendor to replace 2 failing boilers on its campus at 259 East Putnam Avenue in Greenwich, CT. The current aging boilers will be replaced with 4 new 98% high efficiency condensing boilers. We have received a quote from Coastal Mechanical which includes materials and labor as well as repiping and electrical work. They will also remove and dispose of the 2 existing boilers.

Need for program: ____________________________________________

The current boiler is inefficient and has experienced multiple outages in the past few years. The heating system is tied to the heating of the swimming pool, requiring the system to run in the summertime as we are also cooling the building for the comfort of the occupants including clients of our domestic abuse services, staff and YWCA members. The system was originally installed when the building was built in 1970 and has exceeded its life expectancy. Both ongoing maintenance and repairs have become prohibitively expensive. On windy days, the boilers can fail due to backdraft from the chimney and create high levels of carbon monoxide.

Neighborhood area to be served: ____________________________________________

YWCA Greenwich is located in Greenwich, CT. Approximately 80% of our clients and members are from the Greenwich community, but we welcome all who would like to participate in our programs.

Plan to implement the program: ____________________________________________

YWCA Greenwich has conducted a full assessment of the boilers and worked with HVAC professionals to evaluate our options. The best course of action was determined to be boiler replacement rather than continuing repairs. COVID-19 has stalled fundraising and implementation of this project but is expected to be back on track during the summer of 2021.

Description of program: Energy efficiency related repairs

Add insulation into the church walls, replace roof and install an HVAC system.

Need for program: The church was built in 1894, and desperately needs insulation in the walls. The roof is very old and needs replacement. The church has no central air conditioning and uses a few window air conditioners, but this creates a lot of heat loss in the winters.

Neighborhood area to be served: Old Greenwich, C.T.

Plan to implement the program: Engage donors and contractors who are willing to participate in the NAA Program. We have already started conversations with potential donors.
Timetable:

Program start date: *immediately as soon as practicable*

Attached for review by the Board of Selectmen is a proposed detour for work associated with the Greenwich Ave & Elm St Intersection Improvements project. This phase of the project involves milling and paving of the entire intersection.

Installation of new bump-outs, granite curbing, sidewalk, landscape islands and amenities have been progressing well since mid-March 2021 and is anticipated to be completed around mid-May 2021. Milling and paving of the intersection is tentatively scheduled for the week of May 24, 2021.

By utilizing the proposed detour, the milling and paving operation is anticipated to last between 3 and 5 days, weather depending. Without utilizing a detour, the work could take up to 3x as long given the volume of traffic and pedestrians who travel through the intersection. In order to further increase productivity, The Department of Public Works has obtained the attached noise variance to begin setup no earlier than 4:00 AM and begin operating machinery no earlier than 5:00 AM, Monday through Friday.
The Department of Public Works is requesting to close a 0.20-mile section of Elm Street as shown on the attached Detour Plan in accordance with the following information:

**Elm Street**

- Complete closure of West Elm St between Benedict Pl and Greenwich Ave (vehicles will have local access only to businesses, buildings and parking areas)
- Complete closure of East Elm St between Mason St and Greenwich Ave (vehicles will have local access only to businesses, buildings and parking areas)
- Traffic to be detoured in both directions
- Work requiring a detour will occur between May 24, 2021 and June 11, 2021.
- Closure will only be in effect during work hours allowed by noise variance. Detour signs will be covered and barricades removed outside of work hours.
- Detour is approximately 0.50 miles and will utilize Benedict Pl, Lewis St and Mason St.

Upon approval, the Engineering Division is prepared to notify nearby residents of the project commencement and activities through a press release and mailings. In addition, updates will be posted to the project website.

Memorandum

To: Jason Kaufman, Senior Civil Engineer
From: Michael S. Long, Director of Environmental Services
Date: April 30, 2021
Subject: Noise Ordinance Variance Request – Greenwich Ave & Elm Street Intersection

This office has received your request for a variance to perform work beyond the hours allowed for construction at the above site. The reason for the request is to complete the work as soon as possible during the allowed time frame and avoid negative traffic impacts and extended road closures at this busy intersection. The contractor for the project is FGB construction. The work involves milling and paving of the streets. Work is estimated to last 3 to 5 days, but additional time is requested to account for bad weather.

This office will grant a variance for the following dates and time frames:

From May 24, 2021 through Friday June 11, 2021 (Mondays through Fridays excluding Memorial Day) allowed to start prep work from 4am to 5 am and commence milling and paving work after 5 am each day

Notify nearby residents of the work plan prior to start. Any alteration to this time schedule or scope of work will void this variance.

RETAINER AGREEMENT

The Honorable Fred Camillo
First Selectman
Greenwich Town Hall
101 Field Point Road
Greenwich, CT 06830

Email: fred.camillo@greenwichct.org

Dear First Selectman Camillo,

We are pleased and honored that the Town of Greenwich (the “Town”) wishes to continue to retain our law firm to provide legal services for the Town. This Retainer Agreement sets forth the terms and conditions under which the Town has engaged our firm, Marino, Zabel & Schellenberg, PLLC (the “Firm” or “we” or “us” or “our”), to provide legal services in connection with the matters described in this Retainer Agreement. We agree to provide legal services to the Town, and the Town agrees to pay the Firm’s fees and expenses, as provided in this Retainer Agreement.

Attorney Barbara Schellenberg, who is a member of the Firm, will serve as the Town Attorney (subject to confirmation of her appointment by the Town’s Board of Selectmen) and head of the Town’s Law Department as provided in the Town Charter. Other attorneys associated with the Firm including Timothy Herbst, Dennis Kokenos, Courtney George, and Owen Weaver will be regularly available to provide legal services to the Town.

Scope of Representation. The Town is engaging the Firm to provide legal services for the Town in connection with the following matters:

• Retainer Services. For a monthly retainer fee as set forth below, the Firm will provide legal services to the Town (“Retainer Services”) as follows:

We will provide an attorney on site at Town Hall for consultation during regular office hours (“Office Hours”). Office Hours will be scheduled as reasonable and appropriate to seek to maximize the benefit for the Town, and normally will be provided by Barbara Schellenberg (who will serve as the appointed Town Attorney), Timothy Herbst, and Dennis Kokenos. A schedule of Office Hours will be established so that Town officials, administrators, and employees will be able to determine when our attorneys will be available for consultation in person at Town Hall. It is anticipated that Office Hours will usually be scheduled in approximately 4-hour blocks and will usually be offered 4 times weekly – normally by Barbara Schellenberg (2 blocks), Timothy Herbst (1 block), and Dennis Kokenos (1 block), but the Office Hours and staffing may vary. In addition, Office Hours may from time-to-time be provided remotely via zoom or other video conference technology due to circumstances such as the COVID-19 pandemic, other health emergencies or events, or scheduling conflicts or limitations.
We will provide legal advice to the Town on matters relating to the Town’s interests before Town boards and commissions including, but not limited to, the Representative Town Meeting, the Board of Selectmen, the Board of Assessment Appeals, the Board of Estimate and Taxation, the Board of Ethics, the Historic District Commission, the Planning and Zoning Commission, the Inlands Wetlands & Watercourses Agency, the Conservation Commission, and the Town Clerk, Town Tax Collector, and the Assessor. Attorneys from the Firm will attend meetings of Town boards and commissions as reasonably requested, and may attend remotely if permissible under applicable law.

In addition, we will be available for consultation and legal advice as reasonably requested for legal opinions on municipal issues, and for legal services relating to the review, negotiation, and drafting of municipal contracts (collective bargaining contracts are covered separately below) and leases.

**Monthly Retainer Fee.** As fees to the Firm for the Retainer Services described above, the Town agrees to pay the Firm a monthly retainer fee in the amount of twelve thousand five hundred dollars ($12,500.00). If the hourly rate value of the Firm’s Retainer Services in any month is more than 120% of the monthly retainer amount (the “Monthly Allowance”), the Firm will bill the Town for the legal services provided above the Monthly Allowance. If the hourly rate value of the Firm’s Retainer Services in any month are less than the monthly retainer amount, the amount of the difference between the monthly retainer amount and the hourly rate value of the Firm’s Retainer Services for the month will be applied to increase the Firm’s Monthly Allowance for subsequent months until fully utilized as part of the Monthly Allowance.

- **Hourly Services.** In addition to the Retainer Services described above, the Town has engaged and may in the future engage the Firm to provide legal advice and representation for the Town, as requested by the Town (subject to appropriate conflicts checks), on an hourly rate basis (“Hourly Services”) as follows:

  **Non-Retainer General Legal Services.** The Firm will provide legal advice and consultation to the Town as requested on general labor and employment matters, zoning and land use issues, and other specific legal matters outside of usual Retainer Services.

  **Specific Litigation or Other Matters.** The Town may engage the Firm to provide legal advice and representation for the Town for specific litigation or other matters including, but not limited to, particular lawsuits or administrative matters, labor grievances, prohibited practices complaints, collective bargaining negotiations, tax appeals, and other appeals. Any such engagement of the Firm for specific litigation or other matters shall be confirmed by e-mail or other written confirmation by the Firm to the Town’s First Selectman which refers to this Retainer Agreement and accepts the engagement.

For engagements of the Firm for Hourly Services as described above, the Firm agrees to be paid by the Town at a reduced hourly rate of $300 for attorneys rather than the Firm’s usual hourly rate of $400.
Itemized Bills. The Firm will send to the Town itemized bills setting forth (i) the services provided by the Firm as Retainer Services, and (ii) any services provided by the Firm as Hourly Services, in connection with the matters covered by this Retainer Agreement.

Costs and Expenses. The Town agrees to pay the Firm for all costs and expenses which the Firm pays or incurs on the Town’s behalf in connection with the matters covered by this Retainer Agreement. Costs and expenses may include, among other things, delivery service fees, computerized research charges, copying charges, fax charges, fees for service of process and subpoenas, court fees, transcript fees, and fees for experts and consultants. The Firm may require the Town to provide advances to cover anticipated costs and expenses, or the Firm may require the Town to pay costs directly to third-party providers as they render bills. Costs and expenses incurred in by the Firm in connection with Retainer Services are not included in the monthly retainer amount and will be itemized on the Firm’s bills and paid by the Town in addition to the monthly retainer amount.

Town Cooperation. The Town agrees to provide to the Firm all relevant information known or available to the Town concerning the matters for which the Firm is providing legal representation and advice to the Town, and the Town agrees that such information will be complete and accurate (to the best of Town’s knowledge and belief) and that the Town will cooperate fully with the Firm in its representation of the Town concerning the matters. The Town also acknowledges that the Firm has advised the Town that the Town has a duty to preserve documents, materials, and electronically stored information that are potentially relevant to claims or defenses concerning matters involving disputes that are covered by this Retainer Agreement.

Termination of Representation. The Town may terminate the Firm’s representation of the Town at any time by sending to the Firm written notice of such termination. The Firm may also, upon notice to the Town, terminate its representation of the Town if the Town fails to pay any amounts due to the Firm under this Retainer Agreement, or for any other reason that the Firm deems such a termination to be appropriate. If any matter for which the Town has retained the Firm is then in litigation, the Town agrees that the termination is not effective until the court has approved the withdrawal of the Firm as the Town’s counsel. If the Firm’s representation of the Town is terminated, the Town remains obligated to pay all amounts due to the Firm under this Retainer Agreement.

Entire Agreement; Modification. This Retainer Agreement represents the entire agreement between the Town and the Firm concerning the Firm’s representation of the Town in connection with the matters described in it, and it supersedes any previous retainer agreements between the Town and the Firm. This Retainer Agreement may only be modified or supplemented (i) by a writing signed by both the Town and the Firm which specifically refers to this Retainer Agreement, or (ii) by a written confirmation or e-mail sent by the Firm to the Town confirming the Firm’s engagement for Hourly Services matters as described in the section of this Retainer Agreement entitled “Scope of Representation” above.

Governing Law. This Retainer Agreement and the rights and obligations of the parties under it shall be governed, construed and enforced in accordance with Connecticut law without giving effect to any choice of law or conflict of law provision or rule (whether of Connecticut or any
other jurisdiction) that would cause the application of the laws of any jurisdiction other than Connecticut.

**Severability.** Whenever possible, each provision of this Retainer Agreement shall be interpreted in such a manner as to be legal, valid and enforceable under applicable law. If, however, any provision of this Retainer Agreement as presently written is found to be illegal, invalid or unenforceable under applicable law, such provision shall be deemed to be amended, restated and replaced by a provision that is legal, valid and enforceable and which produces, as nearly as may be possible, the result originally intended by the parties. If any invalid and unenforceable provision cannot be restated to be valid and enforceable as provided herein, then the invalid and unenforceable provision shall be severable and the remaining portions of this Retainer Agreement shall survive and be enforced as if this Agreement had been entered into without the invalid or unenforceable provision, provided that the remaining provisions are capable of reasonable substantial performance without the invalid and unenforceable provision.

**Execution in Counterparts.** This Retainer Agreement may be executed in multiple counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same agreement, and copies of this Retainer Agreement with signatures that are transmitted by facsimile or other electronic means shall have the same force and effect as originals.

**File Retention and Destruction.** At the conclusion of any matter for which the Firm has been engaged to provide legal services for the Town, the Firm will retain a file relating to the matter (a “Client File”) for a period of 7 years. The Firm may at its option store some or all of the Client File materials in electronic form. If Client File materials are stored by the Firm in electronic form, any original paper documents the Town provided to the Firm in connection with the matter, and any paper copies of other Client File materials (such as pleadings, deposition transcripts, discovery documents, trial exhibits, billing records, etc.) will, at the Town’s request and expense, either be gathered and returned to the Town or will be destroyed. At the expiration of the 7-year period, the Firm reserves the right to arrange to destroy the Client File materials (whether in electronic or paper form), and the Town agrees that the Firm may destroy the Client File materials, unless the Town has notified the Firm in writing before the expiration of the 7-year period that the Town wishes to take possession of the Client File materials and has made arrangements acceptable to the Firm to do so. Any destruction of Client File Materials may take place only in compliance with the CT State Library General Records Retention Schedules for Municipalities ([General Records Retention Schedules for Municipalities – Connecticut State Library (ctstatelibrary.org)]). The Firm reserves the right to charge administrative fees and costs associated with researching, gathering, retrieving, copying and delivering Client File materials to the Town, and the Town agrees to pay any such charges. This provision applies to any Client File materials being held or stored by a third-party vendor.

To the extent that legal work is assigned or referred through the Town Attorney’s office to any law firm other than MZS, including specifically Cohen and Wolf, P.C., we shall not share in any fee paid by the Town to any such firm or receive any pecuniary benefit of any kind as a result of such assignment or referral.
Please acknowledge the Town’s acceptance of and agreement to the terms of this Retainer Agreement by signing where provided below.

Thank you again for your consideration and confidence.

Very truly yours,

MARINO, ZABEL & SCHELLENBERG, PLLC
