MINUTES – Gisborne Conference Room, Town Hall  
Monday, October 23, 2017  

Committee: Arthur D. Norton; Elizabeth K. Krumeich, Jill Oberlander; Nancy Weissler  

Others: Peter Mynarski, Comptroller; Andy Duus, RTM Budget Overview Committee; Rommel Nobay, RTM Health and Human Services Committee; Danyal Ozizmir, RTM Budget Overview Committee  

The meeting was called to order at 8:35 A.M.  

1. Approval of BET Nathaniel Witherell Strategic Planning Committee Meeting Minutes of October 10, 2017  

Consideration of minutes from the October 10, 2017 meeting was postponed until the next scheduled meeting.  

2. Discussion of Nathaniel Witherell Business, Financial Models  

Mr. Norton thanked the members of the Committee for their dedication to the discovery process and for working collegially for the past 19 months.  

Mr. Norton stated that The Nathaniel Witherell is an example of the law of unintended consequences of gifts to the Town and that Greenwich had struggled for decades with the question of The Nathaniel Witherell. It is his studied conclusion that TNW needs to change its business model and to be operated as a business. He noted that in deciding upon future tactics the Town will need to defer to the grantors’ wishes, unless the Town obtains a release of these obligations from the grantors’ heirs.  

3. Preliminary Outline and Discussion of Final Report  

Ms. Weissler reported that Allan Brown, Executive Director of TNW, commented that the draft of the business and financial model placed too great of an emphasis on the HDG Long Range Plan.  

Ms. Oberlander suggested that the final report include a recommendation that the Town pursue a release of obligations from the grantors’ heirs and that the Town retain outside assistance to accomplish this expeditiously.  

The Committee discussed the draft section on existing structure and regulations. Ms. Weissler referenced Committee discussions on land use parameters and the Friends of Nathaniel Witherell and suggested the report include both topics. The Committee also agreed to research the history of the Bruce Museum governance and to include changes in at-home care with the Money Follows the Person program talked about by Lori Contadino, Executive Director, Commission on Aging.
The Committee discussed the differences between TNW and Smith House, a municipally-owned nursing home in Stamford that was recently turned over to a private manager.

In response to a question from Andy Duus about enforcing management changes, Mr. Norton stated that the Committee can make recommendations but that any real change would require broader community support and possibly charter change.

4. Items for Future Committee Meetings

The next scheduled meeting is November 3rd at 8:30 A.M. in the Gisborne Room. The Committee also set a meeting for November 14th at 8:00 A.M.

5. Adjournment

On a motion duly made by Ms. Weissler and seconded by Ms. Krumeich, the Committee voted 4 to 0 to adjourn the meeting at 10:37 A.M.
