He commented on the Flash Report for the Retirement System and noted the high risk retirement investments not reaching the performance level of their benchmarks. Mr. Norton remarked that the Audit Committee is assembling information for the annual Audit. Mr. Mason noted that the Audit Committee found that motor vehicle accidents had been greatly reduced as a result of the successful safety training implemented by Risk Management and HR for drivers of Town vehicles.

**NEW BUSINESS**

- Approval of RSM, LLP (formerly named McGladrey) to Audit the Town of Greenwich Financial Statements for the Year Ending June 30, 2016 – Mr. Norton advised the Board that the Audit Committee had voted 4-0 in favor of approving RSM, LLP to Audit the Town of Greenwich for the fiscal year ending June 30, 2016.

  Upon a motion by Mr. Norton, the Board voted 12-0-0 to approve the RSM, LLP appointment for the FY16 Audit.

- Approval of Amendment of Agreement for the Retirement Board’s existing investment – Landmark Real Estate Partners VII, L.P. – Ms. Tarkington advised the Board that the Law Committee had reviewed the Amendment and found it to be in legal order.

  Upon a motion by Ms. Tarkington, the Board voted 12-0-0 to approve the Landmark Real Estate Amendment.

- Approval of Retirement Board Investment – HarbourVest Partners X Buyout Fund, L.P. and HarborVest Partners X Venture Fund, L.P. in the amount of up to and including $10 million in total – Mr. Drake informed the Board that the IAC found the investment consistent with the portfolio allocation of private equity and recommended it to the BET 3-0-1. (Norton). Ms. Tarkington reported that the Law Committee voted 2-0 to find the documents for this investment in legal order. Mr. Ramer expressed opposition to the volume of the portfolio invested in private equity and debt.

  Upon a motion by Mr. Mason, seconded by Mr. Drake, the Board voted 9-2-1 to approve the HarbourVest Partners X investment. (Opposed: Ramer, Lash; Abstain: Norton)

- Creation of a Nathaniel Witherell Special Project Team - Mr. Mason appointed Mr. Norton, Ms. Krumeich, Ms. Weissler and Ms. Oberlander to a newly created Special Project Team to review TNW business plan and report its findings. Mr. Drake encouraged the Project Team to be open minded and not avoid an analysis of changing TNW ownership, to benefit the Town. Mr. Blankley stated that an analysis of TNW ownership was too broad a mandate for this project team. Mr. Mason affirmed that the analysis should be broad and thorough.

- Resolution to Authorize Refunding of Various General Obligation Bonds Previously Issued – Mr. Mynarski commented that a refinancing opportunity has arisen on several issues of General Obligation Bonds (2010, 2011, 2012 and 2014) for 20 year sewer bonds and for the Nathaniel Witherell related debt. The refunding authority in the attached resolution will lapse on January 1, 2017. He pointed out that there was an advantage to refunding at this time to take
advantage of lower interest rates. In addition, only one rating agency would be involved rather than the customary three. The Board discussed whether the refinancing approval would be possible within the RTM’s normal meeting schedule or alternatively, if a special meeting of the RTM might be necessary. The Board considered the possibility of inviting IBIC to make a presentation.

Upon a motion by Ms. Kiernan, seconded by Mr. Norton, the Board voted 12-0-0 to approve the Resolution for issuance and sale of refunding General Obligation Bonds.
