to perform the M/C Compensation study. She stated there were eight (8) proposals
from a broad, diverse group. She asked the members of the M/C Compensation
Committee to evaluate the proposals. Their consensus was to invite back the top four
proposers and maybe the fifth tentatively around January 10, 2007. The top Request
for Proposal responses were CPS Human Resource Services, Hay Group, The Archer
The other three firms which responded to the RFP included Capital H Group,
Condrey and Associates, Inc., and Donald I Jacobs Consulting, Inc. Ms. Kast
informed the Committee that the timeline for completion of the process would be
approximately sixteen (16) weeks after the selection of the consultant.

4. **Review of HR Schedules Prepared by the HR and Finance Departments** – Leslie Tarkington handed out a variety of schedules prepared by the Human Resources and Finance Departments. They included the following: Vacant Position Listing as of December 12, 2006, Reclassifications/Upgrades 2006, and Total Employees, including Part-time workers. Committee members requested that after the next snow storm the detailed Part-time workers report once again be prepared.

5. **Discussion Topics** – Jim Lash gave the Committee an extended update on a variety of topics. Mr. Lash gave an extended status update on a variety of areas he will be addressing in the upcoming fiscal year 2007-2008 budget. Areas covered were the Fire Department with its new Deputy Fire Chief, Police Department including civilianization of police dispatching, the possible removal of police officers directing traffic from Greenwich Avenue, potential relocation of certain Parks Department employees to the Senior Center, and possible relocation of various departments in Town Hall.
