[Sec. 6-17.2. PROCEDURE FOR THE SUBDIVISION OF LAND IN MIXED USE – CONDOMINIUM DEVELOPMENTS.

(a) Where the Planning and Zoning Commission has granted site plan approval or special permit approval for a mixed use development or a residential or non-residential single use development, and where the owner or developer wishes to create separate condominium, then a division of the approved tract into two parcels or lots for the purpose of sale or building development may be permitted by the Commission after the filing of an amended site plan and a certified map to be filed in the Town Clerk’s Office showing such division, referring to the site plan number and containing a notation that the property shown thereon is subject to the site plan approved for said property. Any conveyance relating to said approval or any portion thereof shall make reference to said certified map.

The amended site plan shall not be changed without the prior approval of
the Commission by way of special permit procedure or site plan review. Cross-easements shall be provided to enable each parcel or lot to be a self-sufficient entity. For the purpose of compliance with these regulations such a divided tract development shall be considered a single lot. (6/30/92)

(b) A division into two or more parcels or lots may only be effected by the procedures set forth in the subdivision regulations. (4/24/2013)
