Re: Amendment to Traffic Ordinance – North Street

Date: May 13, 2021

Attached for review and approval by the Board of Selectman is a proposed amendment to the Traffic Ordinance.

The Department of Parking Services received a request to investigate parking on North Street between Lita Drive and Maple Avenue. The request centered on a safety concern that vehicles parked along the western curb of North Street caused a significant line of sight issue to the drivers of vehicles exiting the driveways of number 7 and 9 North Street.

The Department of Parking Services, in conjunction with the Engineering Division of the Department of Public Works, conducted a review of the traffic pattern in this area. As a result of this review, both Town Departments are in agreement that the concern is valid and that parking should be prohibited along both sides of North Street between the intersections of Lita Drive and Maple Avenue.

Re: Amendment to Traffic Ordinance Schedule I – Milbank Avenue

Date: May 13, 2021

Attached for review and approval by the Board of Selectman is a proposed amendment to the Traffic Ordinance. The Department of Parking Services recently received a request to review the parking along the western side of Milbank Avenue between the intersections of Lexington Avenue and Lincoln Avenue. The request centered around a safety concern that the narrow width of the roadway in this area caused vehicles traveling southbound on Milbank Avenue to cross over into the northbound lane when passing vehicles that are parked along the western curb.

The Department of Parking Services, in conjunction with the Engineering Division of the Department of Public Works, conducted a review of the traffic pattern in this area. As a result of this review, both Town Departments are in agreement that the concern is valid and that parking should be prohibited along the western side of Milbank Avenue from a point 100 feet south of the intersection with Lexington Avenue to the intersection with Lincoln Avenue.

RE: Proposed Parking Restriction
Milbank Avenue

Dear Milbank Avenue resident/home owner:

The Department of Parking Services recently received a request to investigate the current parking situation on Milbank Avenue between the intersections of Lexington Avenue and Lincoln Avenue. The request centered on a safety concern that the narrow width of the roadway in this area caused vehicles traveling southbound to cross over into the northbound travel lane when passing vehicles that are legally parked along the western curb of Milbank Avenue.

The Department of Parking Services, in conjunction with the Engineering Division of the Department of Public Works, conducted a review of this area. As a result of this review, both Town Departments are of the opinion that the concern is valid and that parking should be prohibited along the western side of Milbank Avenue from a point 100 feet south of the intersection with Lexington Avenue to the intersection with Lincoln Avenue.

The Department of Parking Services will be requesting that the Board of Selectman add this item to their meeting agenda on Thursday, May 27th at 10 A.M. The request will be to amend the Town’s parking ordinance to prohibit parking in the aforementioned area. You are welcome to attend this meeting should you like to provide input on this request. Please visit the Town’s website for virtual meeting details.

Questions may be directed to Senior Civil Engineer Jason Kaufman at 203-622-3839 or Deputy Chief of Police Mark Marino at 203-622-3395.

Mark Marino

RE: Proposed Sublease Between Greenwich Adult Day Care Inc.  
and Open Arts Alliance, Inc.

In September 2015, the RTM approved a renewal of the lease between the Town and Greenwich Adult Day Care, Inc. (“GADC”) for a ten-year period ending February 9, 2025. GADC operates an adult day care center at the property located at 125 River Road Extension in Cos Cob. Section 11 of the Lease states that “GADC shall not sublet the demised Premises or any portion thereof without consent of the Town” and that a “sublease, if any, shall be limited to a non-profit group or agency.” GADC has requested permission from the Town to sublease a portion of the leased building to the Open Arts Alliance, Inc. (“OAA”). In keeping with Town policy, we are seeking your review of GADC’s request. If you vote to approve GADC’s request, the proposal will be forwarded to the RTM for further review and a vote. We are also seeking your approval to refer this request to the Planning & Zoning Commission for a municipal improvement.

OAA is a 501(c)(3) non-profit social service organization that uses therapeutic arts programs to educate students and senior citizens in our community. OAA proposes to use two areas of the leased building: the Waterfall Room and an alcove which it plans to convert to a private office. The Waterfall Room will be utilized for OAA classes, programs, leadership council/junior leadership council meetings after 3:00 p.m. daily to allow for shared space during GADC’s daily programs. Additionally, OAA would have the use of communal rooms during weekends for larger programs. OAA plans to replace the wallpaper in the Waterfall Room and install flame retardant, retractable curtains. An alcove will be transformed into an administrative office where OAA’s Artistic Administrative Assistant and its Treasurer will be based. GADC and OAA wish to
commence the sublease on July 1, 2021. OAA will pay a monthly rent of One Thousand ($1,000.00) Dollars. An informational flyer provided by OAA is attached for your review.

We look forward to answering any questions you may have at your meeting on May 27th.
