Introductory Meeting Greenwich Food Alliance (GFA)

at

Coffee For Good
48 Maple Avenue
Greenwich, CT 06830

The primary focus of GFA will be to advance our respective initiatives through leveraging inspiration, knowledge, and networks. Roundtable discussions will be an opportunity for supportive connection & collaboration, to share initiative updates and get to know each other as food system thought leaders. In time, the Alliance might evolve into a Greenwich Food Policy Council as per Sustainable CT Action, 7.4.

The GSC-FSS prioritizes the promotion and elevation of equity, diversity and inclusion for a more engaged, just and sustainable community. If you know someone who might be interested in participating; a colleague, team member, student, volunteer, please feel free to extend this invitation. Our success in cultivating shared understanding is as strong as our diversity.
