Call to Order

Chairman Ozizmir introduced the Special BET meeting as an opportunity to discuss and vote on the Board's second read of recommended allocations of the American Rescue Plan Act.

Upon a motion by Mr. Ramer, seconded by Ms. Tarkington, to open the discussion, the BET voted 12-0-0. Motion carried.

1. ARPA as recommended by the Budget Committee

<u>ARPA Grant</u>	<u>Amount</u>	<u>Purpose</u>
	\$31,399,117	Additional Appropriation American Rescue Plan Grant

- **Affordable Housing**

Upon a motion by Mr. Ramer, seconded by Mr. Selbst, to amend the appropriation to Affordable Housing by restoring it to \$1.8 million.

Ms. Moriarty began the general discussion by reminding the BET that the intent of the ARPA was to benefit sectors of the economy that had been negatively impacted by the pandemic and are not specifically addressed in the budget. The intent of allocations was to restore economic equity. Elements considered included: establishing eligibility, examining project timing, accountability and how the funds could be conditioned so that if not spent, could be reallocated to other projects rather than be returned to the Federal Treasury.

Ms. Ahmad remarked that to condition release of funds, a Declaration of Trust and a recommended minimum amount be granted to belong to the Trust. Mitigation of risk was considered because the Board was responsible for compliance. It was suggested that the Trust Agreement could be amended to include: conditioning and adding an Ordinance; Qualifications of expertise and discretion were proposed for the Trust's Trustees; responsibilities included selection criteria, defining the application process and auditing standards for the allocation's results.

The Board adjourned to separate Caucuses at 10:38 to return at 11:00 A.M.

Mr. Ramer made a motion, seconded by Mr. Selbst to withdraw the motion on the table.
