The Chair asked for a motion to change the Order of Business.

Upon a motion by Ms. Krumeich, seconded by Ms. Hess, the Committee voted 4-0-0 to move and combine Item #5 OLD BUSINESS on the Agenda during discussion of Item #2 Human Resources REPORTS Vacancy Report. Motion carried.

• Vacancy Report
The Committee discussed several management and confidential positions that were currently open. Ms. Pepe explained the recruiting process, including the need to potentially outsource some long-standing openings, such as sewer plant operator.

  o Executive Director of The Nathaniel Witherell
Director Pepe updated the Committee on the status of the search for the Executive Director of The Nathaniel Witherell (TNW) indicating that the
executive search firm was arranging preliminary interviews that will most likely start next week.

- **Labor Relations Specialist**
  Director Pepe explained that several rounds of recruiting interviews had taken place, but the applications screen have shown the applicants trended more toward Human Resources managers and this skill set is not what is needed for this position. The job description specification will be revised to reflect the need for experience in the collective bargaining process.

- **Internal Auditor**
  The Comptroller explained that the individuals who responded to date did not have the qualifications needed for the position. The Human Resources Department is in the process of revising the job description specifications for a higher rated position and possible upgrade of the salary. It is anticipated that any salary upgrade will still be in the salary range for the current position. Until the position is filled, a contract is being reviewed by the BET Audit Committee for the engagement of a consultant, blumshapiro, to complete five (5) audits for the total contracted rate of $100,000.

- **Director of Purchasing**
  The recruitment process for a new Director of Purchasing is ongoing.

- **Unemployment Charges Report**
  The Committee reviewed Fiscal Year 2019-20 Unemployment Charges in comparison to previous Fiscal Year 2018-19. Reasons for the higher cost of Part Time employees at the Board of Education (BOE) and TNW were discussed.

- **Workers' Compensation Claim Report**
  Director Pepe noted that the cost of claims was trending well. The new members of the Committee asked for clarification of what types of employees made claims, the seasonality of claims and the claims payment process.

- **Workers' Compensation Analysis**
  The Comptroller described the risk management process administered by a third-party vendor, Connecticut Intercoastal Risk Management Agency (CIRMA), and how each category of employees (Active, Inactive, Terminated and Retired), claims were managed. Mr. Mynarski also described the process of Other Post Employment Benefits (OPEB) transfers into the General Fund to cover claims. The Finance Department closely monitors individual claim costs.

3. **M&C Salary Recommendations for FY21**
   The Chair indicated that data was being gathered and therefore discussion of salaries for management and confidential employees (M&C) would take place during the Committee's February meeting.

4. **Registrars of Voters Salary Recommendation for FY21-22**
   Registrar of Voters Hegarty, supported by Registrar of Voters DeCaro made a short presentation of the information being gathered to support their requests for an increase in
salaries for each of the Registrar of Voters positions that would be considered at the February meeting.

5. **New Business**
The Chair asked for a motion to add an item to the Agenda.

Upon a motion by Ms. Hess, seconded by Ms. Krumeich, the Committee voted 4-0-0 to add an item to the Agenda under NEW BUSINESS. Motion carried.

- **ADP Update**
  Ms. Pepe described the current ADP payroll system and noted certain issues would be improved by upgrading the Town's ADP system to ADP's Vantage platform. The upgraded ADP platform would facilitate and correct outstanding issues encountered during the original transition to ADP. A consultant knowledgeable in the ADP system is coordinating the upgrade process, and the cost is being covered by the vacant Human Resource Information System (HRIS) position's salary. Roll-out is ahead of schedule with a completion target of October 2020.

- **Law Department Contract**
The Chair commented that there is a potential change of the Town Attorney. Director Pepe explained that the Town Attorney is not a Town employee but rather an attorney who had entered into a contract with the Office of the First Selectman (OFS). Therefore, any changes to such position would be carried out through the OFS and not the Human Resources Department.

6. **Items for Future Discussion**

- Continue M&C Salary increase discussion/recommendations
- Continue Registrars of Voters salary increase discussion/recommendation
