3. NEW BUSINESS

- **Economic Conditions Report**

Mr. Gieger reported that Conveyance tax collections were lagging behind those of the last two years, but they were still above budget. He added that Building Permit revenues were trending the same as last year. The Interest Income was coming in much higher than budgeted due to rising interest rates.

It was reported that property tax collections were under reported by \$20 million due to upgrades in TD Bank computer systems, requiring the Town to upgrade its internal reporting. Although the tax receipts were not reflected in the presented report, the cash is in the bank.

It was also reported that the recording of Parking Services revenues was also undergoing internal computer systems upgrades and understated in the report.

Ms. Tarkington asked about the negative variance in Senior Center expenses. Mr. Gieger responded that he would research the variance and get back to the BET.

Ms. Tarkington stated that the Consumer Price Index (CPI) for December was up 0.2% and 6.3% for the year.

The Budget Committee members discussed the upcoming budget process. Ms. Tarkington stated the process will start next Tuesday, January 24th with presentations from the First Selectman and the Board of Education followed by a Public Hearing. She said there will be the option for written public comments for those who cannot attend the meeting.

Ms. Moriarty asked if the option for written comments from the public be left open until the end of the week. She also requested that the public be granted the option to call in with comments. Ms. Tarkington responded that the opportunity to submit written comments as an alternative to speaking at the Public Hearing would end at the earlier of the close of the Public Hearing or at 11:50 PM on January 24th. The meeting will be televised by GCTV on Channels 24, 79, and YouTube.
