3. Request to Fill Vacant Positions

NW-1 Nathaniel Witherell – New Position $61,200(FY12)

Mr. Brown presented information concerning the request for an appropriation for a new Social Services position to the FY12 Budget, including a job description and hours per patient day comparison. He also gave an overview of the social services staffing at Nathaniel Witherell, which presently encompasses one full-time position and two part-time positions. The requested new position would replace one of the part-time positions.

A discussion followed regarding short-term occupancy, part-time staffing, fund balance and projected deficit. It was noted in particular that Nathaniel Witherell is projecting to either break-even or a small deficit for the current fiscal year but is projecting a significant deficit for FY12.

No action was taken on this item.

HD-1 Health Dept. – New Position $75,695(FY12)

Appropriation:
$ 75,695 to A401-51980 New Position
$ 75,695 2011-2012 New Position Request

Ms. Baisley gave an explanation for the request to add a Public Health Emergency Preparedness Coordinator to the 2012 Budget, supported by Dr.’s Franco, Ross Cahn, and Arturi. In her presentation, Ms. Baisley noted that the Town has received federal government grant funding for the past eight years to fund a coordinator position that has been variously classified as full-time or part-time, depending on the funding level each year. In recent years the grant amount has been $61,000 and the Health Department has been unable to hire a full-time coordinator at that funding level and consequently has contracted for a part-time coordinator and returned approximately $20,000 of unused funds each of the past three years.

A discussion followed regarding the duties of the coordinator, the body of work that has been prepared and produced in recent years, the necessity of the position, current staff, and funding.
No action was taken on this item.
