Ms. Tarkington reported that even the lowest bid responding to the Eastern Greenwich Civic Center RFP had exceeded the original estimated costs by $4 million. The Committee learned that requests by Planning & Zoning and the Architectural Review Board, as well as the supply chain cost increases were responsible for the higher cost beyond Public Works estimates. The Budget Committee voted 3-0-1 with Ms. Arora abstaining. Ms. Arora noted that her abstention at the Budget Committee was due to two reasons – first, that the bid for this proposal had gone out during the 3rd and 4th quarter of 2021 when supply/demand for certain materials including steel were at unprecedented highs. Second, Ms. Arora noted an item on the bid document for $2.6MM site work did not have a public works estimate.

Upon a motion by Mr. Ozizmir, seconded by Ms. Tarkington, to approve the additional appropriation of $4,040,000 for the rebuilding of the Eastern Greenwich Civic Center, the Board voted 12-0-0. Motion carried.

BET Members Fassuliotis, Moriarty, Selbst and Ozizmir expressed their thanks to Mr. Monelli on his upcoming retirement and expressed appreciation for his professionalism, knowledge, and contribution to the Town as Superintendent of Building Construction and Maintenance for the Department of Public Works.

Ms. Tarkington remarked that the Chairman of the Board of Assessment Appeals, made a request for an additional appropriation of $1,000 for temporary salaries for temporary salaries in anticipation of a higher volume of residential appeals during following the 2021 Grand List Residential Property Revaluation.

Upon an amended motion by Ms. Tarkington, seconded by Ms. Moriarty, to amend the appropriation from $3,500 to $4,500 for temporary salaries for Board of Assessment Appeals Hearings, the Board voted 12-0-0. Motion carried.

**ASSESSOR’S REPORT**

The Town Assessor, Ms. Elliott, highlighted the following items from her written monthly report: The Board of Assessment Appeals received 650 to 675 tax appeals for Hearings in March; Senior Tax Relief applications started to come in on February 1st and need to be returned by the deadline of May 16th, 2022. The Assessor suggested that the BAA adjustments could possibly be as much as $220,000,000 but would likely not exceed 2015’s revaluation adjustments of $162,000,000. A member of the Committee asked if the Assessor had considered placing the application online in the Department’s area on the Town’s website. Ms. Elliott was commended by another Committee member for accomplishing the Grand List Revaluation without having to request an extension unlike the 2001, 2005, 2010 and 2015 Revaluations which all utilized the 30-day extension.

Upon a motion by Ms. Tarkington, seconded by Mr. Ramer, the Board voted 12-0-0 to accept the Assessor’s Report. Motion carried.

**COMPTROLLER’S REPORT**

Comptroller Mynarski drew the Board’s attention to topics in his written Report for possible discussion or questions: the importance of increasing residents’ awareness of all of the Town’s Capital Projects; as a result of a recent sale of MUNIS software, its name will become Enterprise ERP (Enterprise Resource Planning) with an enhanced integrated application; the names of RFP responders for the new External Auditor 5-year contract will not be made public until the Audit Committee interviews the applicants and the Purchasing Department agrees. The incumbent’s contract ends June 30, 2022; the history of the OPEB Trust Fund and recent changes were discussed. The OPEB Trust fund was initially formed by the town as a special revenue fund and
run by BET members – it became a trust fund in January 2008 and formed its own board of four members. The OPEB trust Board has lost two members and can no longer assemble a quorum. While the OPEB Trust Board issue is unresolved, solutions are being explored. The Vanguard OICO for the Trust assumed investment responsibilities for the Trust Portfolio as of February 1, 2022.

Upon a motion by Ms. Tarkington, seconded by Ms. Moriarty, the Board voted 12-0-0 to accept the Comptroller’s Report. Motion carried.

Chairman Ozizmir thanked the Budget Committee, all Department heads, and staffs for the efforts made to accomplish presentations at the annual Departmental Hearings. This is due to the findings from the engineering report that cited potential safety concerns at Central Middle School. These interim requests would require
special meetings – first with Budget Committee on Monday, February 28, and then with the full BET Tuesday, March 1st.

**Adjournment**

Upon a motion by Ms. Kreuzer, seconded by Mr. Basham, the Board voted 12-0-0 to adjourn the meeting at 7:45 P.M. Motion carried.
