Section 2. The aggregate principal amount of the bonds of each series to be issued, and the manner of issue and sale shall be determined by the Comptroller, provided the bonds shall be issued in amounts which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the costs of issuance of such bonds. The annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details and

Notes evidencing such borrowings shall be signed by the Chairman of the Board of Estimate and Taxation, the Treasurer and countersigned by the Comptroller, have the seal of the Town affixed and attested by the Town Clerk, be approved as to their legality by nationally recognized bond counsel, and be certified by and payable at a bank or trust company designated by the Comptroller, pursuant to Section 7-373 of the Connecticut General Statutes. They shall be issued with maturity dates which comply with the provisions of the Connecticut General Statutes governing the issuance of such notes, as the same may be amended from time to time. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a capital cost of the Capital Budget Projects. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any temporary borrowings then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 5. The Town hereby expresses its official intent pursuant to §1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and anytime after the date of passage of this resolution in the maximum amount and for Capital Budget Projects with the proceeds of bonds, notes or other obligations ("Bonds") authorized to be issued by the Town. The Bonds shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the Capital Budget Projects, or such later date the Regulations may authorize. The Comptroller is authorized to pay project expenses in accordance herewith pending the issuance of Bonds.

Any agreements or representations to provide information to MSRB made prior hereto are hereby confirmed, ratified and approved.

Section 7. The time for the issuance of bonds, notes or other obligations authorized hereunder shall not be limited but shall remain in full force and effect until all payments are made and all borrowings completed for the Capital Budget Projects financed by such bonds or other obligations.
