Donald E. Hamilton, Member of District 7, made a motion, to delete \$4,600,000 from 302 DPW-Engineering Division account 984-14122 (Park Improvement) Cos Cob Park Development.

Several members appealed the ruling of the Chair, which was duly moved and seconded.

A member of District 8, raised a Point of Order that the Hamilton motion was improper due to the fact that it was not originally made when the Moderator first called for motions addressed to Code 302.

The Moderator noted that there had been some confusion regarding whether a standing committee was going to make the motion, and this confusion, not any intentional delay on the part of members, was the reason no motion was made until the Moderator had briefly passed Code 302 in the Budget Book. Additionally, because the motion was made as soon as its supporters determined that no committee motion was made, the

Moderator ruled that the Point of Order was not well taken and that the Hamilton motion was properly before the body.

A member appealed the ruling of the Chair, which was duly moved and seconded.

The vote was now on the question:
