PD-1	Police Z213 59000	\$310,022	Additional Appropriation Body Cameras
------	----------------------	-----------	--

First Selectman Camillo, as the Town's Police Commissioner, reported that the acquisition of Body Cameras for the Police Department required an appropriation of \$310,022 for the purchase of 160 cameras and maintenance and storage fees of \$173,000 to cover years 2-5. He noted that police in many of CT's large cities already used body cameras and the State was offering a partial reimbursement for their purchase. He recommended the initiative as a safety device that would have long term savings by reducing risk. He proposed putting it on the RTM's September Agenda. The Board expressed the need for more information about the contract's details and recommended further discussion either off-line or at a special meeting. The Town Attorney suggested additional contract language. Mr. Camillo withdrew the application. Mr. Mason asked Ms. Fassuliotis and Ms. Moriarty to organize BET member questions. A discussion of the Body Cameras initiative is scheduled with the Board, the First Selectman, Police Chief Heavey and the Axon Corporation at a virtual meeting to be held on Thursday, July 23.

No interior visits are planned at this time; the First Selectman received approval from the State Office of Policy & Management (OPM) of his request to move the date of the Town's 2020 ReVal to October 2021; one new commercial real estate tax appeal, in addition to the six residential appeals previously filed, are pending against the 2019 Grand List.

The Comptroller Mr. Mynarski drew the Board's attention to topics in his Report: the Fire Study Steering Committee reviewed the first draft of Matrix's Report and submitted questions for additional information; after reviewing the second draft, the Fire Study was circulated to the First Selectman and the Fire Department; Boomershine's Actuary, Greg Stump, will make a preliminary Report to the Retirement Board on July 30, 2020 regarding recommendation for interest and discount rate assumptions; an election of a new Retirement Board member is scheduled for next week; and, despite the COVID-19 Tax deferral of July's payment until September, \$67 million has been received to date which excludes bank escrow payments anticipated before the end of July.
