The Moderator announced that as all members had received a copy of the minutes of the June 8, 2015 meeting, the reading of the minutes would be omitted. He asked if there were any corrections or comments. William Clark of District 4 noted corrections
Dean Goss, Chairman of District 1 offered the resolution in memory of Joan Pankosky.

The passing of Joan Pankosky this past August leaves a gap in our delegation. She was in our minds a very special person.

Joan was truly a daughter of Greenwich, born and reared here. School educated here. She graduated from Greenwich High School in 1956, then on to University of Connecticut where she graduated in 1960. She then spent many years in elementary class room. She graced class rooms in Wilton, St. Mary’s here in Greenwich and was founding teacher at the Mead School.

Away from the classroom there were few idol hours. She was a life long member of Sokol USA. She was an active member of the Mianus River Yacht & Boat Club and as programs were developing at the Senior Center, she was a very active president of it’s User Group and all the while teaching quilting classes, a craft form dear to her heart.

We will miss her. In some way we are all the better for her having passed our way. She is gone, we wish her a Bon Voyage.

This resolution was passed by unanimous consent with the members standing for a moment of silence in her memory.

Robert May, Chairman of District 12, offered the following resolution in memory of Bernard Schneider.

During the RTM summer break, on the second of July, the members of District 12 were deeply saddened to learn of the sudden, and untimely passing of our fellow member and friend, Bernard Schneider.

Bernard was born in Brooklyn, New York. He studied economics at Brooklyn College and earned a Master’s Degree from Princeton University.

During his life, Bernard pursued three different career paths. As an economist/statistician he taught at Princeton and later worked for the Federal Reserve Bank of New York.

In 1977 he earned a law degree from New York University and began a career as a corporate attorney. He worked at Linden and Deutsch, and was a partner at Leavy Rosensweig and Hyman, and later at Robinson Brog. He represented a wide variety of clients, including such Broadway shows as Phantom and Les Miserables.

In 2005 Bernard began his third career by earning a Master’s Degree in education. He taught mathematics at Briggs High School in Norwalk and worked as a substitute, and permanent substitute teacher in Greenwich and Stamford.
Bernard also had a lengthy commitment to service in his community. While living in Dobbs Ferry, NY, he was a member of, and served as Chairman of the Board of Education. During his tenure, the district engaged in two major school construction projects, where he negotiated the architect’s and general contractor’s agreements.

After moving to Greenwich, Bernard continued to be active in many community organizations. A highly respected member of the Retired Men’s Association, he served as Publicity Chair. There, he was responsible for obtaining weekly guest speakers and advertising their appearance. He was also tasked with publicizing the many volunteer accomplishments of the RMA throughout the community.

Bernard joined the Democratic Town Committee where he served on the Executive Board and was Chair of the DTC District 12 delegation. He became a member of RTM District 12 in 2010 and served as alternate on the Land Use committee. When Bernard spoke before this body, he would always preface his remarks with “I know I’m the new kid on the block” but his statements were always carefully thought out and well-articulated. He also served as a member of the Institutional Review Board at Greenwich Hospital, as an ESL Tutor for Literacy Volunteers of America in Stamford, and most recently as Vice President of the Board of Trustees for the Academic Leadership Charter School in the Bronx, NY.

Bernard was an avid Bridge player. It was said that he was a great chess player in college, but found that few women played the game, and switched to Bridge. He was a member of the Board of Directors of the Connecticut Unit of the American Contract Bridge League and delegate from Connecticut to the New England Bridge Conference. He also wrote a quarterly column for two Contract Bridge publications.

I think that Retired Men’s Association member, Mr. Horst Tebbe, expressed it best in an email to the Greenwich Time. “He was a true, modern Renaissance man. From Talmudic studies, to the law, to literature, to art, to math, to computer technology, he not only was aware but could and did contribute….” His friendship and wise consul will be missed.

District 12 asks that the members of this body join with them in recognizing his service to the town, and the many other contributions made by Bernard Schneider for the betterment of the Greenwich community. In his honor, we ask that these comments be included in the minutes of the meeting.

This resolution was passed by unanimous consent with the members standing for a moment of silence in his memory.
