Approval of Investment Advisory Committee Meeting Minutes of September 8, 2016

Upon a motion by Mr. Drake, seconded by Ms. Moriarty, the Committee voted 2-0-1 to approve the Meeting Minutes of September 8, 2016. Abstain: Norton

Review and Approval of Actions of the OPEB Trust Board Meeting

During the OPEB Board’s preceding meeting, the Board voted 3-0 to increase holdings in Financial Select Sector SPDR (XLF) from 1.4% of portfolio and holdings in SPDR S&P Regional Banking (KRE) from 1.6% of the portfolio to a total of 5% of the portfolio; proceeds for the purchases are to come from sale of all the Trust’s position in Vanguard Total Bond Market Index-ADM (VBTLX) (0.6% of the portfolio) with the remainder to come from sale of iShares US Preferred Stock E (PFF). Each of the financial sector funds, XLF and KRE, would be increased to 2.5% of the portfolio from these transactions. Rationale: the expected increase of interest rates will positively influence the earnings of financial institutions.

Upon a motion by Mr. Drake, seconded by Mr. Norton, the Board voted 3-0 to approve the foregoing transactions of the OPEB.

Additionally, the Board voted 3-0 to increase its holdings in the energy sector by investing 2% of the portfolio in the Energy Select Sector SPDR (XLE). Proceeds for the purchase were to come from sale of the needed amount of the Trust’s position iShares US Preferred Stock E (PFF). Rationale: after the recent difficulty in the energy sector, valuations in this sector are attractive.

Upon a motion by Mr. Drake, seconded by Mr. Norton, the Committee voted 3-0 to approve the foregoing actions of the OPEB Trust.

Old Business - Consideration of a BET Procedure for Retirement Board Investments and Agreements

Further action on this item was continued until Mr. Fox and Mr. Smoot reconciled the Town’s views on the interpretation of Section 208a.
Ms. Moriarty questioned the difference between OPEB investing in ETF vehicles and the Retirement Board being unable to do so. Mr. Drake explained that Section 208a states that the BET is to approve the Retirement Board's investment "Agreements", which is not the same as approving the investment merits of each.

**New Business**

Mr. Mynarski said that the Committee would likely be asked whether the Finance Department should hire three rating agencies or two to analyze the Town's financial position for securing favorable future bond bidding. He commented that it had been recommended that only two agencies were needed and that the third, Fitch, be discontinued for a savings of between $20,000 and $30,000. Mr. Norton remarked that comparable AAA CT towns used all three agencies and it would be difficult to quantify the impact on bids for Greenwich's bonds and the resulting impact on Wall Street's opinion if TOG changed its current practice.

The Committee postponed voting on future meeting dates proposed by the OPEB Board below until its member, Mr. Blankley, could be consulted on his schedule.
