3. Approval of Minutes:
   The minutes from the September 24 meeting were amended to change the name of the second working group to “Collection Systems and Regulations” from “Materials and Regulations.” As amended, the September minutes were seconded and approved.

4. Committee Members Update:
   First time attendees Gregg Adonizio, Aux Delices, and Michael Wolpensinger, Greenwich Hospital, introduced themselves and expressed their interest in participating in the FSWMC. It was noted that Lucia Jansen resigned from the FSWMC. JR Mastro, Brunswick, communicated he is unable to attend Thursday FSWMC meetings due to scheduling conflicts but expressed interest in continuing on the FSWMC and participating actively in the working group.

5. Working Group Updates:
   Markets and Data is working with Amy Siebert, Commissioner of the Greenwich Department of Public Works, and other sources, to collect current data on tonnage, revenue, and costs for MSW, recycling and organic waste, including direct drop-off and waste tipped by haulers.

   Collection Systems and Regulations is investigating waste management solutions and systems developed by other towns, dual-stream recycling, food scrap programs, and other alternatives developed by the state. The group is reporting on meetings of the Connecticut Coalition for Sustainable Materials Management (CCSMM) and coordinating site visits and calls.

   Commercial and Non-Profits Data and Solutions is collecting tonnage and pricing data for businesses and non-profits in town, pre- and post-tipping fees. The group also is collecting data for the same constituents regarding recycling and organic waste disposal.

6. Next Meeting and Adjournment:
   The next meeting of the FSWMC was set for 4PM on Thursday, November 5th
   The meeting was adjourned at 4:53PM
