The Budget Committee received the requested updated breakdown of costs for each project phase and voted 4-0-0 to recommend it to the full BET.

The local funds of \$45,261 would be absorbed by a) \$34,061 from the Police Department budget, total over the next three years and b) \$11,200 sourced from the Federal Asset Forfeiture Account. The Grant is designed to enhance the Departments’ fleet equipment for water response and staff safety. The Budget Committee voted 4-0-0 to recommend the project to the full BET. Mr. Mason commented that several Town newspapers reported the grant award. ### **ASSESSOR'S REPORT**

The Town Assessor, Ms. Elliott, highlighted the following items from her written monthly report: Personal property declarations sent on September 28 to all business owners are due to be returned by November 2 and canvassing will take place to confirm how many businesses have been closed or relocated over the past year. Audits of 15 businesses that have never filed declarations have begun. For the first time, the Tax Collector sent out 5,241 delinquent Motor Vehicle notices on the 2018 Grand List to allow for adjustments that can no longer be made after December 31 per state statute. The normal process was to refer these delinquent accounts to the collection agency. Ms. Elliott reported a drop of 2,300 cars between the 2019 and 2018 Supplemental Motor Vehicles list. She will further look into this issue which may be partially due to disruption of DMV services as a result of the pandemic. The processing of all years' motor vehicle cancellations, additions, corrections, and pro-rations continues. Recognizing that revenues could significantly change, Mr. Mason asked the Assessor to follow-up with information on delinquent properties nearing the Statute of Limitation foreclosure deadline, provide a plan to communicate how the Department is pursuing delinquencies and provide a list of the Town's tax-exempt properties.

Upon a motion by Ms. Tarkington, seconded by Mr. Ramer, the Board voted 12-0-0 to accept the Assessor's Report. Motion carried.

### **COMPTROLLER'S REPORT**

Comptroller Mynarski drew the Board's attention to topics in his written Report: the Town's annual external audit by RSM has begun, and 5 internal audits by Blumshapiro Consulting are planned or underway. Mr. Mynarski thanked Mr. Gieger and Ms. Larkin for the assistance with administrative details during the interim between a retirement and the hire of a new Executive Assistant for the Finance Department who arrives November 2.

Upon a motion by Mr. Weisbrod, seconded by Ms. Tarkington, the Board voted 12-0-0 to accept the Comptroller's Report. Motion carried.

### **TREASURER'S REPORT**

Upon a motion by Ms. Tarkington, seconded by Mr. Duus, the Board voted 12-0-0 to accept the Treasurer's Report. Motion carried.

The Workers' Compensation expense is favorable despite a recent large settlement with a retired employee.

Thanks were expressed for Mr. Gieger's on-site consulting with the new employees in TNW's Finance Department. Mr. Mason noted these good results.
