OLD BUSINESS

Approval of Senior Tax Deferral Ordinance

Mr. Tesei presented the proposal and stated that this proposal provides seniors an alternative to the credit program to defer a portion of their property taxes. Only one option may be selected. It is a good first step to providing the town’s senior population a choice that is available under Connecticut General Statutes. The Board agreed that for discussion and approval purposes it would use the Ordinance as revised November 16, 2009 at 4:39 pm. A discussion followed regarding changes made to the original document presented to the Budget Committee, trusts, residency requirements, the operating plan, economic risks, and deadlines.

In response to Mr. Krumeich, Mr. McLaughlin stated that a specific amendment was made that a trust would not qualify for the deferral part of the program.

Mr. Walko highlighted the points that Ms. Barton had made at the Budget Committee meeting that this body, in approving this plan, should be committed, and it’s expected that this deferral program, along with the credit program, will be requested for full funding. The Board should have an understanding, going forward, that it is the intent to fund this program.
Mr. Krumeich stated that it is important to give tax relief to the seniors in our community. It is important to look at the Tax Credit and the Tax Deferral programs separately. They are combined in this proposal, because the deferral is new. The tax credit program has turned out to be a valuable tax relief for qualified seniors.

Ms. Barton pointed out, the deferral program was designed to be more attractive than the credit program, which should make it more expensive if it proves popular. Currently there are serious questions concerning the cap and income levels that the town should take into account, as the deferral program moves forward.

Upon a motion by Mr. Simon, seconded by Mr. Kelly, the Board voted 10-0-1 (Ms. Barton abstained), to approve the change to Sec. 12-6.1. Property tax relief for seniors, 11.(b) Tax Deferral. (2), last sentence - to read "repaid in whole at any time without penalty with five (5) days prior written notice to the town treasurer".

The Board adopted by unanimous consent that any change referencing the second Monday in May revert back to May 15.

Upon a motion by Mr. Simon, seconded by Mr. Kelly, the Board voted 11-0-0, to approve the Senior Tax Deferral (Ordinance Sec. 12-6.1. Property tax relief for seniors), as amended (Attached as Exhibit A).

Approval of Revaluation 2010

Mr. Gwartney explained the recommendation for approval of the resolution to allow the Tax Assessor's office to proceed with a town-wide revaluation to be implemented on October 1, 2010. Mr. Gwartney stated that there are now a sufficient number of valid sales to proceed with the revaluation, and the sales are starting to increase in numbers and are expected to continue throughout this coming year. This information should provide for sound modeling and proper values for the revaluation.

A discussion followed regarding the cost of delaying the process, modeling and analysis, real estate trends, economic changes, public information and education, analysis of land values, and developing a valid statistical model.

Mr. Simon stated that next fall when the Board reviews the results of the model, the statistical evidence will be presented and the Board will make a decision at that time, whether there is enough acceptable data. If not, the Board will defer the revaluation to October 1, 2011.

Upon a motion by Mr. Simon, seconded by Ms. Tarkington, the Board voted 11-0-0, to approve the resolution that the Greenwich Assessor's Office shall proceed with a Town-wide Revaluation to be implemented as of October 1, 2010.

4. Limit on abatement. The total credit and deferral abatement of property tax revenue which may be granted in each tax year by the town pursuant to the provisions of this section shall be set by the Board of Estimate and Taxation at the time it sets the mill rate for such tax year at an amount which is (a) not less than the lesser of (1) $570,000 or (2) the amount of the tax [credits] relief for approved applications and (b) not greater than an amount, equal to one-half of one (½) percent of the total real property tax levied in the town in the current tax year. Such tax relief granted to eligible persons for any fiscal year shall be decreased if necessary to keep the total amount of the town tax relief within such limit by applying such decrease ratably to the [credit] relief for the eligible persons with the highest qualifying total annual income and relief determined under subsections 6 and 11[(a)] and then if no [credit] relief is left for persons with such income and relief, by applying the decrease ratably to the [credit] relief for the persons with the next highest income and relief and so on for the others, until the decrease that is required to stay within such limit is met.

5. Principal residence requirement. For purposes of this section the principal residence requirement in subsection 1 shall be met if the resident[s] seeking qualification shall have maintained residence in the property for which tax relief is being sought for at least one hundred eighty-three (183) days during the twelve (12) months immediately prior to the filing of an application hereunder and does not otherwise qualify as a resident of any other country, state, municipality or territory.

Minutes of the Regular Meeting of the Board of Estimate and Taxation November 16, 2009 – APPROVED
(3) Once the amount including interest that is cumulatively deferred for any property exceeds fifty (50%) percent of the assessed valuation of that property or the taxpayer’s prorated assessed valuation of that property as determined by the assessor under subsections 14 or 15 hereof the taxpayer for that property shall no longer qualify for a tax deferral.

(4) Upon the approval of an application for deferral the assessor shall forward notification of the approval together with the agreement specified in subsection 8 hereof to the tax collector who shall file in the land records the agreement together with a tax lien on the property which shall become effective and be continued in the same manner as with other tax liens for the cumulative amount of deferred taxes plus the interest specified herein.

(c) For fiscal years commencing July 1, [2010]2011 and following the qualifying total annual income shall be adjusted by the percentage increase in the Consumer Price Index affecting the town designated "CPI-W NY-NJ-CT-PA" rounded down to the nearest $500.

12. Death of taxpayer. Upon the death of any person entitled to tax relief pursuant to this section, the tax relief hereunder shall end the following June 30, unless his or her spouse is otherwise qualified hereunder. Any deferred tax plus interest shall be paid by the expiration of 270 days from the date of death and if not paid shall become delinquent from the expiration of such time limit in the same manner as for delinquent taxes.

13. [Conveyance] Transfer of property. If any person entitled to a tax [credit] relief hereunder [sells] transfers the property with respect to which the tax relief hereunder has been granted to someone other than a spouse otherwise qualified hereunder, the tax relief shall be suspended as of the date of [conveyance] transfer, the deferred tax plus interest shall thereupon become due and if not paid within thirty (30) days shall become a delinquent tax from the date of transfer. [and] If the nonqualifying [purchaser] transferee of such property shall be liable for any such unpaid taxes and shall pay the town a prorated share of taxes that become [thereby] due and owing as provided by General Statutes § 12-81a.

14. Proration of relief. The property tax relief provided for in this section may, in any case where title to real property is recorded in the name of the taxpayer or his or her spouse and any other person or persons, be prorated to reflect the fractional portion of such taxpayer or spouse or, if such property is a multiple family dwelling, such relief may be prorated to reflect the fractional portion of such property occupied by the taxpayer.

15. Cooperatives. Persons qualifying in accordance with age and income requirements of this ordinance shall be eligible if they are unit owners and occupants of a cooperative. The amount of annual property tax relief in accordance with this section to any such person shall be determined in relation to an assumed amount of property tax liability applicable to the assessed value of the dwelling unit which such person owns and occupies as determined by the assessor which may be based on the number of cooperative shares attributable to the unit compared to the total number of shares in the cooperative. For purposes of this section the assessor shall determine the assumed amount of property tax liability applicable to the assessed value for the dwelling unit of each such person who is otherwise eligible under this section, but such determination shall not constitute a tax bill for purposes of property taxation of such cooperative or any individual dwelling unit thereof. Annually not later than the first day of June, the assessor, upon the basis of an application for such relief, shall determine, with respect to the assessment list for the assessment year commencing October first immediately preceding, the portion of the assessed value of the entire cooperative, as included in such assessment list, attributable to the dwelling unit occupied by such person. The assessed property tax liability for purposes of determining the amount of such relief shall be the product of such assessed value and the mill rate in the town as determined for purposes of property tax imposed on said assessment list for the assessment year commencing October first immediately preceding. The amount of relief to which such person shall be entitled for such assessment year shall be equivalent to the amount of tax reduction for which such person would qualify, considering such assumed property tax liability to be the actual property tax applicable to such person's dwelling unit and such person as liable for the payment of such tax.

16. Procedures. The tax collector and assessor shall prescribe with regard to their respective duties under this section, such forms and procedures as may be necessary to implement this section. The assessor, in addition, shall take such steps as are necessary to satisfactorily establish the facts as to the qualifying income of an applicant for benefits under this section by requesting and reviewing income tax forms filed therewith and any additional evidence of qualifying income, which the assessor may require. This documentation shall not be open to public inspection. The assessor may deny the application of a person who fails to provide information required by the assessor that is necessary to determine eligibility.

17. Effective date. This ordinance, as amended, shall be effective starting with applications accepted February 1, [2009]2010 for tax relief for the fiscal year commencing July 1, [2009]2010.

18. All provisions of this ordinance, as amended, shall cease to be effective on June 30, [2013]2014 unless an ordinance extending this ordinance is properly submitted to the Board of Selectmen, the Board of Estimate and Taxation and the Representative Town Meeting and approved prior to that date.
