

# ANNUAL REPORT

July 1, 2008 – June 30, 2009

## TOWN OF GREENWICH CONNECTICUT

COAT OF ARMS  
OF  
GREENWICH, CONNECTICUT  
Adopted April 25, 1940

## **TOWN OF GREENWICH, CONNECTICUT**

### **NOTICE**

This annual report has been compiled and published by the Board of Estimate and Taxation in accordance with Section 7-406, General Statutes, State of Connecticut, and Section 224 of the Town of Greenwich Charter. It includes the various reports of Town Officers to the Representative Town Meeting, called for by such chapters, and also financial statements and statistics.

While the statements in this report are fairly comprehensive, further details may be found in the Annual Recommended Budget and in other office records of the comptroller and other Town departments.

Copies of the Audit Report are also filed in the office of the Connecticut State Tax Commissioner at Hartford.

The constant improvement of the Annual Report of the Town of Greenwich is earnestly desired. Corrections of errors and suggestions as to form or substance, forwarded to the Board of Estimate and Taxation, Town Hall, Greenwich, Connecticut 06830, will be very much appreciated.

According to the literature, 30% of older adults have untreated dental caries and 50% have periodontal disease. Servicing the Town's senior population, the staff referred six (6) senior citizens from the Senior Center to a dentist for follow-up care and reached out to the homebound elderly through two telephone conferencing programs.

In addition, a seminar about HUSKY insurance and access to dental care was offered to Head Start and Armstrong Court parents. This year, thirty-two (32) children were examined as part of the Department's comprehensive Well Child Clinic. Notably, nineteen (19) children or 60% required dental care. Both the Dental Hygienists and the Clinic's Nurse Practitioner collaborated on referrals and follow-up. The staff also provided services to the Woman, Infant and Child (WIC) program that meets once a month in Town Hall. A total of one hundred forty-six (146) children were screened.

Finally, the staff participated in several Department of Health sponsored health fairs by distributing oral health literature. As part of the Town's Employee Health incentive, twenty (20) employees were screened with six (6) or 30% being referred for follow-up dental care. The staff also assisted the State of Connecticut Oral Health Program (which has recently received authority through legislative mandate) by participating in the *Give Every Child a Smile* program. As a result, twenty-two (22) elementary students were referred to a local pediatric dentist for treatment. The program, which was based upon finances and the extent of work needed, was offered at no cost.

Caroline Calderone Baisley, MPH, RS  
Director of Health

The Nathaniel Witherell is a 202-bed skilled nursing facility, owned by the Town and operated as a not-for-profit facility. It is licensed as a Chronic Care Nursing Home by the State of Connecticut Department of Public Health and provides rehabilitation services and skilled nursing care, offering priority for admission to residents of the Town of Greenwich. The facility participates in Medicare and Medicaid and all 202 beds are fully certified by both of those Programs. The Nathaniel Witherell is located on a 24-acre campus on Parsonage Road, two miles from downtown Greenwich.

A person-centered model of care is utilized by The Nathaniel Witherell, which incorporates a philosophy of individualizing care for each resident by 1) maximizing choice; 2) building relationships; 3) helping to achieve personal goals; 4) celebrating life-cycle events; 5) maintaining relationships with the external community; 6) providing transition support into the Witherell community; and 7) collaborating with residents and their families. The Nathaniel Witherell (TNW) is committed to providing the highest quality of life and quality of care possible for each resident based on their individual needs in the areas of nursing, medical care, rehabilitation, social work, dining services, pastoral care and therapeutic recreation. TNW has support staff in Nursing, Engineering, Housekeeping, Laundry, Finance, Admissions and Administration, all of whom are vital members of the total Witherell Care Team. Rounding out that Team are physicians, nurse practitioners, volunteers, and a Family Council who are also committed to enhancing the residents' quality of life.

Nathaniel Witherell staff deliver customized care specific to each resident's needs. Whether a resident's stay is for short-term rehabilitation or for the treatment of chronic conditions that require long-term care, their needs are addressed by both professional and service personnel with training in areas, such as

- Medication Management
- Medical Rehabilitation.
- Cardiac Rehabilitation
- Wound/Skin Management
- Pain Management
- Breathing Management
- Alzheimer's Disease and Dementia Care
- IV Therapy
- Nutritional Support
- Renal Therapy
- Enteral Feeding
- Tracheostomy Care
- Coma Care
- Hospice
- End of Life Care

The Nathaniel Witherell is currently governed by an eight-member Board of Directors. The members of the governing body are David Ormsby, Chairman, Christopher Ann Thurlow, Vice Chairman, David Ayres, Thomas Saccardi, Lloyd Bankson, Paul Toretta, Frank Scarpa, M.D. and Bruce Dixon.

### MAJOR ACCOMPLISHMENTS AND ACTIVITIES

- The facility remained among the best nursing homes in the state as measured by Medicare's 5-Star Quality Rating index.
- TNW became a Revolving Fund operation for financial reporting purposes.
- The Town, assisted by the Nathaniel Witherell's Board of Directors Search Committee, appointed a new Executive Director, effective August 31, 2009.
- The facility remained strong financially, generating an operating surplus (\$90,941) for the second successive year while working proactively to control costs in the face of statewide economic pressures that translated into a difficult reimbursement environment.
- The facility performed well on its annual licensing survey, achieving full compliance with The CT Department of Public Health Code, Medicare and Medicaid regulations.
- The Town of Greenwich Building Committee hired an architect (S/L/A/M Collaborative) and a construction manager (Turner Construction) and moved closer to realizing its goals of renovating the facility to meet consumer expectations for accommodations and amenities and supporting its person-centered model of care.
- Admissions continued to grow, increasing by 22% over the prior year, largely due to growth in short term rehabilitation services activity.
- Revenue growth continued, increasing by 3.8% from the previous year.

Allen Brown  
Executive Director

## DEPARTMENT OF SOCIAL SERVICES

	<u>2008-09</u>	<u>2007-08</u>	<u>2006-07</u>
Budgeted Personnel:	55	58	70
Expenditures:			
Current	\$3,122,732	\$3,186,529	\$3,029,369
Capital	\$0	\$0	\$0
<b>Total:</b>	<b><u>\$3,122,732</u></b>	<b><u>\$3,186,529</u></b>	<b><u>\$3,029,369</u></b>
Revenue:	\$24,810	\$23,015	\$28,092

*Note:* Fifty of the 55 budgeted positions in 2008-09 were filled (26 full-time and 24 part-time, seasonal, and temporary). Expenditures included \$2,695,029 in operating expenses plus \$427,703 to External Entities. Operating expenses were reduced by (\$37,366) over last fiscal year. Revenues, generated only through Homemaker services, were up \$1,795 from last fiscal year.

### STATEMENT OF DEPARTMENT MISSION, GOALS, AND TARGET POPULATION

**Mission:** To protect and promote the welfare of the most vulnerable individuals in the community, through support and services of the highest quality, which maximize competency, independence, and quality of life.

**Goals:** To provide for basic human needs; maintain the integrity of families; strengthen self-reliance and self-sufficiency; and promote positive social development and emotional adjustment for residents unable to access these services elsewhere.

**Target Population:** Greenwich's economically-disadvantaged residents; children and youth at risk of poor social or emotional adjustment; residents with confusion, dementia, and other declining abilities due to age and health conditions; those with intellectual disabilities and chronic mental illness; and those of limited income with physical and medical needs whose needs are not fully met by other agencies.

**Oversight:** The Department is overseen by the seven-member, policy-making Board of Social Services. Board members serve three year terms. Board officers this year were: Mrs. Kimberly Terrenoire, Chairperson; Mr. Steve Maxwell, Vice-Chairman; Dr. Victoria deBary, Secretary. Other board members were: Mr. Steve Francis; Mrs. Mary Ann Ramos; Dr. Rebecca Wayland; and Ms. Liz Menten.

### KEY DEPARTMENT OPERATIONAL ACTIVITIES IN 2008-2009

- **Accountability:** The Greenwich Department of Social Services (GDSS) has fully implemented the EVOLV<sup>CS</sup> system, allowing for greater accountability in the delivery of services. The system provides data that helps in future planning through balancing services and the cost of delivering these services, as well as measuring their effectiveness and efficiency. The Commissioner uses EVOLV<sup>CS</sup> data in the monthly report to the Board of Social Services and Town leaders.
- **Meeting Community Needs:** The economic downturn resulted in an increased demand for social services. Departmental response continuously shifted to meet growing demands. In October 2008, GDSS, for the first time, participated in the National Depression Screening Day, offering screenings and referrals to residents. In February 2009, GDSS held a Resource Fair, bringing together community organizations and Greenwich residents, with the aim of informing, educating, and empowering those who needed help by linking them with local resources. Twenty-seven agencies participated, and over 100 residents attended.

- **Strategic Planning:** The Board of Social Services formed a strategic planning committee to assess departmental services and community needs, with the aim of delivering services in the most cost efficient and socially effective manner.

**KEY SERVICES TO THE COMMUNITY IN 2008-2009**

The Department provides various direct and indirect services to Greenwich residents.

**I. Direct Services.** In FY '08-09 GDSS provided services to 2,636 unduplicated clients (individuals and families), representing a 21% increase (460 clients) over last fiscal year. The monthly departmental caseload steadily increased over the year, ranging from 1,106 – 1,592 at the end of the fiscal year (June '09). There were 980 new clients (never seen before) to the Department. The greatest needs were for short-term and supportive counseling; financial assistance; housing issues that include eviction prevention and rent assistance; and seasonal programs such as energy assistance and assistance with entitlements. There was also a big increase in food and clothing assistance through Neighbor-to-Neighbor. Other major services included: conservatorship and protective services for seniors; clinical case management and supportive group therapy to the chronically mentally ill; and homemaker services to seniors and the disabled.

Other includes mixed race, West Indian, and unrecorded

- **Casework and Case Management Services:** Greenwich Department of Social Services (GDSS) provides casework services to town residents. Those able to pay are referred to the appropriate community agencies. The Department offers the only single point of entry for case management services to individuals and families who have basic human needs, and little economic and/or emotional ability to address them. The Department services are seen as those of last resort after residents exhaust all other viable options for self-sufficiency. Caseworkers make all efforts to locate and engage other community resources in meeting clients' needs. Services are delivered through two teams, one focusing on adults and families, and one focusing on seniors.
  - The A&F team provides services to families and individuals under age 55. The team served 1,570 clients in this fiscal year, a 30% increase over last year, and 60% of the total clients served by the Department.
  - The Senior team provides services to the age of 55 and over population. The team served 1,066 clients, an 18% increase over last fiscal year. Of the 1,066, 27% ranged in age 75-84, and 24% were 85 and above, showing a growing need for homecare services. Serving this population often necessitates going where the client is, be it in the home, Senior Center, or elsewhere.

- **Mental Health Services:** Both the Adult and Family, and the Senior teams share in the provision of mental health services to the chronically mentally ill population. Services include individual on-going support, clinical case management, and group counseling, including a weekly socialization group for clients who would otherwise remain isolated at home. The Department served 116 individuals this past fiscal year.
- **Food Insufficiency:** GDSS screens and refers clients to Greenwich's food and clothing bank, Neighbor-to-Neighbor (N-to-N). In addition, GDSS provides emergency food from the Department's Food Pantry. We had 500 households/families, or 1,312 individuals, enrolled in N-to-N. This represented 704 adults, of which 103 were seniors, and 608 children. This year an average of 310 families, up from 264 last year, received food monthly.
- **Town Financial Aid:** The Department disbursed \$156,700 to 300 Greenwich households. The majority of funds (43%) went toward preventing evictions; 18% went toward utility shut-offs; 10% went toward Meals-On-Wheels for Seniors. The balance spread over miscellaneous items such as health emergencies, medication, Lifeline alert for seniors, and transportation.
- **Youth Services:** The A&F team oversees two programs geared to Greenwich youth: The Greenwich Youth Conservation Project (GYCP), a 72-slot, summer employment, educational, and socialization program for 14 and 15 year-olds; and the Byram Archibald Neighborhood Center After-School Program (BANC), for children in kindergarten through 5th grade.
  - BANC served 53 children in FY '08-09, 10 more than the previous year, showing greater demand.
- **Homemaker and Escorted Transportation:** The Department provides Homemaker Services for low-income seniors and disabled individuals who meet specific criteria. Services include light housekeeping, laundry, meal preparation, and, with a doctor's authorization, bath assistance for clients unable to manage these tasks themselves, due to frailty or illness. Escorted transportation is provided for the physically and mentally challenged clients who receive casework services from the Department.
  - **Homemaker Service:** Homemakers provided 13,000 hours of service to 150 seniors and individuals with disabilities, for an average of 9.5 hours per month per client.
  - **Escorted Transportation:** Case Aides provided approximately 6,000 hours of service to 206 unduplicated clients. These services help many clients to access their medical providers, food, and other needs, such as medication pick-up.
- **Elderly/Disabled Renter's Program and Energy Assistance Program:** State law provides a renters rebate program for Connecticut renters who are elderly or totally disabled, have resided in the State for at least one year, and have incomes below certain limits.
  - **Renters Rebate '08-09:** GDSS submitted 346 applications to the State for renters rebate. 100% were granted with benefits to applicants totaling \$173,479. The number of applications remained the same as last year, but the financial assistance increased by 9%.
  - **Energy Assistance '08-09:** GDSS accepted 414 applications, a 17% (61 families) increase over last fiscal year. The total awards distributed by the State were \$227,530. Only 75% of households received awards as opposed to 80% last year, 20% had incomes that exceeded the maximum, and 5% were denied due to missing documentation.
- **Operation Fuel:** Operation Fuel is a privately funded fuel bank providing financial assistance to eligible low-income families with fuel or utility emergencies. GDSS administers the program locally. In FY '08-09 the State contributed to this fund for the first time, adding \$14.5 million to address record high heating costs, and the downturn in the economy. Operation Fuel awarded over \$47,425 to 64 Greenwich households. The amount increased over last year by \$20,000; however, 15 fewer households received an award.

- **Community Gifts Program:** The A&F team oversees this program involving Town and private sector collaboration, distributing toys, food, cash, clothing and shoes to Greenwich families in need. There are several component programs:
  - The *Holiday Aid Program* provided for 919 eligible households (2,692 individuals) during the Thanksgiving and December Holidays.
  - The *Campership Program* provided partial and full scholarships to summer camps for 254 children ages three to fourteen, up from 240, and 25 seniors, totaling 279 campers.
  - The *Boots and Shoes Program* provided families with vouchers toward back-to-school footwear for 288 children, ages five to fifteen, through the *Salvation Army Emergency Aid Program*. The Salvation Army also provides other assistance, such as food vouchers, and financial assistance regarding specific needs.

**II. Indirect Services:** The Department works in collaboration with community agencies to identify human service needs and responds accordingly.

- **External Entities:** Since 2006, GDSS has had the responsibility for oversight of local Human Services Organizations that receive Town funding. In FY '08 – 09, \$427,703 was distributed, a \$25,000 reduction over the previous year. The reduction resulted from one entity (Greenwich Adult Day Care) moving to a new facility. Other entities funded were: Liberation Programs, Shelter for the Homeless, TAG, and the Town's share for a Youth Coordinator through the United Way of Greenwich.
- **Community Partnerships:** The Department provides access to needed resources for clients through collaborating with various community organizations, and participating on Boards and Committees in the community. Leading collaborative partners include Greenwich Hospital, the Greenwich United Way, Greenwich Housing Authority, Family Centers, the Dubois Center, local churches, and individual and group philanthropists. GDSS staff also works closely with other Town departments, including the Office of the First Selectman, Police Department, Department of Health, Public Works, and Parks and Recreation, to coordinate services, such as evictions and condemnations, services for youth, and general public safety.

#### DEPARTMENT ACCOMPLISHMENTS IN 2008–2009

- **Assessment of Services:** The Department conducted an in-house, ten-town study, comparing social services in Greenwich to social services in like towns in the state. Some lessons learned included: (1) Greenwich per capita spending on social services is on par with our Fairfield neighbors; (2) Greenwich's budget allocation of 1% of total town spending on social services is comparable to the other towns; (3) Greenwich has the most public housing among its Fairfield neighbors, the residents of which comprise nearly half of GDSS' clients; (4) In general, the other towns offer most of the same services as Greenwich, though the means of delivery differ; (5) GDSS automated monitoring and management system (EVOLV<sup>CS</sup>) is superior to most; and (6) GDSS is unique in delivery of Homemaker Services.
- **Measurement of Service Outputs:** With the EVOLV<sup>CS</sup> implementation, the Department is better able to quantify service delivery, produce statistical analysis, assess ongoing needs, and improve accountability.
- **Student Interns:** Last year, GDSS re-instituted internships for Masters level Social Work students. This year two students, one from Columbia University, and one from New York University, interned in the Department.

#### SPECIAL PROJECT PLANS FOR 2009-2010

- **GDSS Anniversary: "A Century of Service."** On October 2, 2009, GDSS celebrated its 100<sup>th</sup> Anniversary with a tree dedication in front of Town Hall. The Department also hosted a breakfast on October 16, 2009, in Town Hall which was joined by local and State officials, and Town residents to commemorate this milestone.

- **Strategic Planning:** The Board of Social Services plans to finalize its five year plan in fiscal year 2009-2010. This plan will be used as a roadmap for the Department in its delivery of services to the Greenwich community. The strategic planning process includes a rigorous needs assessment interview with multiple Town officials and leaders of not-for-profit organizations active in the provision of social services.
- **Collaborative Projects:** The State of Connecticut has issued an RFP for organizations to collaborate and provide a program aimed at improving employability for individuals who receive State nutritional assistance, formerly food stamps. The program is called Supplemental Nutrition Assistance Program - Employment and Training (SNAP-ET): The Department is working with Family Centers and other organizations to participate. Family Centers has been designated the lead organization, and has submitted the application to the State.
- The Department is planning a collaborative project with the Boys & Girls Club regarding a newly formed program, The Greenwich Mariners. This is a sailing program for disadvantaged youth aimed at increasing science and math scores through exposure to sailing. The program will be modeled on that of the Stamford Sailing Foundation. Plans are underway to begin in January 2010.

## GREENWICH LIBRARY

	<u>2008-09</u>	<u>2007-08</u>	<u>2006-07</u>
Budgeted Personnel:	64	66	66
Expenditures:			
Current	\$8,193,349	\$8,017,272	\$7,614,187
Capital	\$215,262	\$1,289,343	\$540,692
<b>Total:</b>	<b><u>\$8,408,611</u></b>	<b><u>\$9,306,615</u></b>	<b><u>\$8,154,879</u></b>
Revenue:	\$1,446,486	\$1,417,447	\$1,403,996

2008-2009 was an extraordinary year at Greenwich Library. In these challenging economic times, it is clear that our Library is more valuable and relevant to the children, adults and families of the Greenwich community than ever before. The support of the residents of Greenwich, Trustees, Friends, and the State of Connecticut has been critical to our success this year.

### ACCOMPLISHMENTS OF 2008-2009

- Greenwich Library was named a Five Star Library by Library Journal in a nationwide ranking of libraries. The ranking is based on four 2006 per capita output indicators: patron visits, circulation, program attendance and public internet computer use.
- The Distinguished Lecture Series, sponsored by the Board of Trustees, featuring acclaimed author David McCullough was a great success with all 368 seats filled in the Cole Auditorium. McCullough, a two-time winner of both the National Book Award and the Pulitzer Prize discussed the idea that “We are What we Read.”
- Over 190 residents gathered in the Cole Auditorium and the Cos Cob Branch Library to witness as a community President Obama take the Oath of Office and deliver his Inaugural Address on January 20, 2009.
- The Director’s Search Committee chose Carol Mahoney, Neighborhood Services Manager at the Boston Public Library to assume the Director’s position.
- The Town issued a Temporary Certificate of Occupancy for the Byram Shubert Branch Library on Friday, March 27. Branch Manager Miguel Garcia-Cólon and staff reopened the Library for service on Saturday, March 28 to over 700 thrilled patrons. The opening was featured on the front pages of the *Greenwich Time* and *Greenwich Post* as well as on *News12*. The sound of bagpipes opened the dedication ceremony on Saturday, May 2. Governor M. Jodi Rell proclaimed it to be Byram Shubert Library Day in the State of Connecticut and over 100 people attended, including local state representatives Livvy Floren, Lile Gibbons and Fred Camillo, state senator L. Scott Frantz and Selectmen Lin Lavery and Peter Crumbine. First Selectman Peter Tesei spoke at the dedication and he discussed the importance of the library to the community as a center for learning.
- The Library co-sponsored a visit from Ted Turner with the World Affairs Forum. Turner discussed the “The U.N. and our Common Future” to a capacity crowd, moderated by Ned Lamont.
- “Catch the Reading Bug” summer reading program drew a record total of 412 participants at the Main Library, compared to 284 last year, a 45% increase.

### STATISTICS AND HIGHLIGHTS

Greenwich Library patrons continued to utilize the libraries with a door count of 736,688 visits, representing an increase of 6% over the previous fiscal year door count.

- Circulation increased 6% to 1,484,619. During the fourth quarter, statistics increased dramatically including circulation (11% increase), door count (16% increase) and program attendance (13% increase) as the economic downturn caused even more patrons to turn to the Library.
- Juvenile circulation increased at all three locations; Byram Shubert Library increased 25%, Cos Cob Branch Library increased 21%, and the Main Library's children's circulation increased 7%.
- The Library's mix of educational, cultural and recreational programming drew 52,586 participants, an increase of 14%.
- Reference assistance rose 4% as patrons turned to the libraries to research a variety of topics including job searches, health information, investments as well as submit government assistance and grant applications.

## **SOURCES OF FUNDING**

The Town of Greenwich funds the Library's annual operating budget. The Trustees Development Office is responsible for raising private funds to support initiatives of the Trustees, Friends and Staff. These initiatives continue the public/private funding of the library to enhance and develop new programs and services for the public. Membership contributions to the Friends of the Greenwich Library also funds programs and other service initiatives.

The Clementine L. Peterson Foundation was established under the will of Clementine L. Peterson in memory of her son, Jonathan, and her husband, J. Whitney Peterson. Peterson Foundation trustees, not the Greenwich Library Board of Trustees, govern the investment plan and distribution of funds. Mrs. Peterson's bequest enabled the construction of the 32,000 square feet Peterson Wing. The annual distribution from the fund is used for the operating and staffing costs for the area as well as for enhancing business and music collections and services as determined by the 1999 Stowell-McCulley Agreement between the Greenwich Library and the Town of Greenwich.

## **FOCUS ON CAREERS**

As the economic downturn continued, the Information Services Team responded with a series of 15 programs focusing on careers throughout the month of March, designed to sharpen business and job searching skills. Participants learned to use online business networking resources such as LinkedIn and Indeed.com, practiced completing applications and learned to use the CT Department of Labor as a resource. Ellen Mehling from Queens Library System presented Writing a Winning Resume: What Employers Want and The Less Stress Interview: How to Prepare Yourself. Staff provided training on Library resources including ProQuest Entrepreneurship, which grants access to tools for starting a business including templates and sample business plans; and the Foundation Directory Online, which offers information about private and community foundations, grant making public charities and exclusive funder portfolios. On the home front, patrons learned to turn unwanted items into cash with Selling on eBay and how to use online grocery and coupon sites to save money. Later in the year, Austin Pryor from SCORE (Service Corps of Retired Executives) presented Becoming an Independent Consultant to an overflow crowd.

## **PROGRAMS AND RESOURCES FOR EVERYONE**

The Technology Training Center kicked off Spotlight Online, a summer series designed to give an in-depth look at popular online resources including iTunes, YouTube, Google Extras, podcasts and more. The positive response encouraged staff to highlight a different web-based service every Monday throughout the year. The series has expanded to cover Library databases including Heritage Quest and Medline Plus.

Greenwich Library offered access to the Vault Online Career Library, a source for insider career and education information. ProQuest Entrepreneurship, resources for starting your own business, and streaming audio databases Naxos Music Library and Naxos Jazz Library were made available to Library patrons both on and off-site. Long awaited, all downloadable audio titles in the Overdrive Digital Library, both MP3 and WMA format, can now be transferred to iPods.

The Book Van added a new stop- Greenwich Adult Day Care's River House facility.

Noted information specialist Mary Ellen Bates presented Turbo Charging Your Web Research, providing a fast-paced, information packed review of key tips, techniques and resources. Local History and the Friends of the Cos Cob Library presented several genealogy programs, including Irish Roots Ancestry Program, which was a huge success. The Poet's Voice Series secured Pulitzer Prize winning poet, Philip Schultz, who read from his most recent book *Failure*.

The Peterson Concert series drew capacity crowds to the Cole Auditorium with singer Nellie McKay, contemporary and acoustic jazz group Trio Globo, guitar virtuoso Oz Noy and jazz saxophonist Sonny Fortune. Children's author and magician Grace Zhang drew a full house for the annual Chinese New Year Celebration featuring a dragon dance, acrobatics and live Chinese music. The Ashforth Children's Concert Series featured the Project, Amelia Piano Trio and Hayes Greenfield.

## **LIBRARY BRANCHES AND FRIENDS**

**Byram Shubert Branch Library:** The branch staff spent much of the year in their temporary space at St. Paul Lutheran Church in Byram as the new building neared completion. The community was overjoyed when the branch reopened on March 28<sup>th</sup> with over 700 patrons visiting the branch. Since the opening, the staff have partnered with the Friends of the Byram Shubert Library to offer programs for children, teens and tweens, as well as adults and families. The Friends of the Byram Shubert Library held two successful book and media sales in November and May.

**Cos Cob Branch Library:** In September, over 300 people attended the branch's annual open house with an international theme featuring crafts, dancing and foods. During the spring, the branch offered a popular Spanish language story time for children ages one to three in partnership with the Language Exchange of Cos Cob and in June, Jan Kardys conducted a successful and timely program, *You Wrote a Book, Now What?* to a group of 65. Her presentation offered tips for getting published, finding an agent and developing marketing tools. This year, Cos Cob's long running book clubs were joined by a new arrival- the Mystery Lovers Book Club. The branch staff continues to partner with the Friends of the Cos Cob Library to offer a variety of programs for adults and children including art shows, craft workshops and lectures.

**The Friends of Greenwich Library:** The Flinn Gallery offered another year of excellent exhibits including "Boris Chaliapin: Faces of History" featuring 92 unpublished cover paintings from *Time*. The Greenwich Library Oral History Project published its 135th book, *Soldier, Teacher, Policeman: Overcoming Discrimination* featuring an interview with Greenwich resident Eugene Moye. The Children's Program series offered four sold-out performances including concerts by Rebecca Frezza and Big Truck, Brady Rymer and the Little Band that Could, and TheatreWorks productions of *Alexander and the Terrible, Horrible, No Good, Very Bad Day* and *If You Give a Pig a Pancake*. The Cole Concert series brought three groups from the esteemed Musicians from Marlboro to the Cole Auditorium stage, as well as 15 year-old piano prodigy Peng Peng and pianist Joyce Yang.

## **LOOKING FORWARD**

As the recession continues, Greenwich Library will continue to be an essential resource for residents. With materials for research and entertainment, career and technology training, art exhibits and music concerts, story times for children and programs for adults, Greenwich Library is an important cultural and educational institution in the town. In 2009-2010, Greenwich Library will continue to focus on its vision to provide the community with superior library services and collections; and launch a new website that is easier to navigate and more functional, providing access from anywhere at any hour. The implementation of patron self-checkout units will expand patron self-service points and the print management system will continue to be enhanced with payment of fines and fees with credit cards.

### LIBRARY STAFF AND SERVICES

2008-2009 will be long remembered as Perrot Library's *annus horribilis* with the tragic deaths of our beloved colleagues and friends, Kate McClelland and Kathy Krasniewicz on January 28, 2009. The outpouring of grief, then the thoughtful and heartfelt remembrance by their families, the library staff and Board, friends and colleagues throughout the world, and by the children and families in the Greenwich Community culminating in a moving ceremony celebrating their lives on the Spring Equinox will always be cherished.

This past year will also be remembered for our role in assisting people with the worst economic calamity since the Great Depression of the 1930s. Perrot Library contributed \$131,000 in savings to the Town of Greenwich during the last fiscal year to assist the town by forgoing our Capital Budget Appropriation for new carpeting, by maintaining a full-time Librarian position vacancy in Youth Services, and by implementing a 5% rescission in our FY 09/09 operating budget appropriation. Simultaneously, we experienced increases in the number of visitors to the library, use of the computers and free wireless access, circulation and attendance at library programs. In particular, we answered many more inquiries related to job searching utilizing our print and electronic resources and directly assisting patrons with applying online for a variety of jobs.

**MISSION STATEMENT**

The Department of Parks and Recreation consists of a team of Recreation Professionals who provide high quality leisure opportunities within a healthy and attractive environment. We foster a sense of community spirit and civic responsibility through the use and preservation of the town's natural resources for the enjoyment of current and future generations.

The Department of Parks and Recreation was established on January 9, 1971, by a home rule amendment approved by the Representative Town Meeting on April 27, 1970. The department, under the direction and control of the First Selectman, is headed by a Director of Parks and Recreation and includes the Division of Recreation, the Division of Parks and Trees, the Division of Marine and Facility Operations, and the Division of the Griffith E. Harris Golf Course.

The primary responsibility of the Department of Parks and Recreation is to provide leadership, planning, and direction in identifying, implementing, and administering the finance, personnel, areas, and facilities that are made available for leisure services. The primary objective of the department, in cooperation with other private and public agencies and departments, is to create wholesome and beneficial use of leisure for all Greenwich residents through recreational opportunities in our parks, programs, and facilities.

**ACCOMPLISHMENTS**

Fiscal year 2008-2009 represented another dynamic and challenging year for the Department of Parks and Recreation. Delivering high quality programs and facilities at reasonable price points continue as the fundamental tenets of our service deliverables. Major initiatives include:

- Transitioned the Marine and Facilities Operations boating division to Rec Trac. This places all business segments into one computerized system.
- Started construction of the new Golf Center building with a targeted completion date of December 2009.
- In a joint partnership agreement with the Junior League a "Boundless Playground" was completed.
- Athletic fields were surveyed and inspected with results used to tailor the Organic Turf Program.
- Began the 2<sup>nd</sup> phase of the Coastal Resource Plan.
- Developed an Ice Allocation Policy/Procedure for ice time usage at the Hamill Skating Rink
- Completed the transition of seasonal beach cards to utilize bar coding
- Revisited and updated Shared Services Agreement

Joseph A. Siciliano  
Director, Department of Parks and Recreation

## GRIFFITH E. HARRIS GOLF COURSE

Note: Includes Loan of \$1,500,000 for GEH Admin Building

**Golf Center Building:** The project is well into the construction phase with an expected completion date in the fall.

**Holes 10 and 18 Improvements:** The bunkers on holes 10 and 18 were redesigned and renovated. This was the next phase of the Master Plan for the golf course.

**Cart Path Renovations:** Also as part of the Master Plan implementation, renovations to cart paths on holes 1, 8, 9, 12 and 17 were completed.

**Back of Driving Range:** Another part of the Master Plan implementation was completed with the back end of the driving range being leveled and graded with additional drainage put in. This is where the golf pros do their teaching.

**Survey:** Each year the golf course surveys the golfers on pertinent and timely topics and policies affecting the operations of the course. This year was no exception and results have recently been disseminated dealing with the golf course renovations and guest starting times on weekends and holidays.

**Town Tournament:** This year the course once again hosted the Town Championship Tournaments for men, ladies and juniors. All were very successful, especially the men's which had an all-time high number of participants.

David D'Andrea  
Golf Course Operations Manager

## MARINE & FACILITY OPERATIONS DIVISION

The Marine and Facility Operations Division of the Department of Parks and Recreation is accountable and responsible for all municipal beaches, ferry services, off-shore islands, boating facilities, all harbors, and use of and traffic in the waters of Long Island Sound and elsewhere, subject to the jurisdiction of the Town.

The division is responsible for the planning, construction, development, service, maintenance, alterations, repair, and storage of all physical properties under the control of the Department of Parks and Recreation. Its superintendent acts as a local enforcement officer in implementing Town, state and federal policies with regard to all marine activities, both private and municipal. Staffing consists of 20 permanent full-time positions and 80 seasonal positions.

### BEACH ATTENDANCE

Byram Beach	76,463
Greenwich Point	580,926
Great Captain Island	3,637 *
Island Beach	47,182 *

\* Ferry Service only; not included are those who use private transportation.

### PARK PASSES

A total of 38,194 seasonal park passes were issued to the residents of Greenwich. The breakdown is as follows:

<u>Pass Type</u>	<u>Number Issued</u>
Adult	28,372
Child	8,671
Senior	1,063 *
Nanny	76
Summer Adult	5
Summer Child	7
<u>Total</u>	<b>38,194</b>

\*2nd yr. of 3 yr. Card

### HARBOR AND BOATING FACILITIES

The Harbor and Boating Facilities consist of four marinas. They are located in Byram, Cos Cob, Grass Island, and Greenwich Point. Use Permits are required for each vessel using our municipal boating facilities. The Marine Facility Operations Division issued 1,565 use permits. The division issued 490 boat slips, 341 out water

moorings, 310 trailer launch permits (including 30 non-resident launching permits), 76 dry sail spaces, 272 boat rack spaces, 60 lockers, 392 boats in winter storage, and 152 trailers in summer storage.

Frederick J. Walters  
Superintendent, Marine & Facility Operations

## PARKS AND TREES DIVISION

<b>Total:</b>	<b><u>\$5,176,348</u></b>	<b><u>\$5,434,456</u></b>	<b><u>\$5,555,311</u></b>
Revenue:	\$14,844	\$20,975	\$29,835

The character of a community can be defined by its people and culture. Greenwich is uniquely fortunate to have those attributes set against the backdrop provided by its extensive collection of parks, shade trees, street trees, beaches, and Long Island Sound. The quality of life in Greenwich is greatly enhanced by well-designed and maintained formal parks, passive and natural recreation areas, delightful ‘pocket parks’, floral streetscape gardens, and scenic beaches.

The Parks and Trees Division is responsible for the maintenance of all parks, playgrounds, school campuses, athletic fields, passive recreation areas, beach parks, traffic circles, public cemeteries, shade trees, roadside trees, and public grounds under the jurisdiction of other departments of the Town (i.e. fire and police stations, Town Hall, libraries, etc.).

### **PARKS DEPARTMENT** **[William Burgess, Parks Operations Manager]**

The Parks Division provides professional grounds maintenance services to all areas within our realm of responsibility, paying particular attention to formal parks and streetscapes in high use areas. Plants are selected that are attractive and pleasing, yet reasonable to care for and hardy enough for urban growing conditions. Maintenance responsibilities also include the collection and removal of leaves in parks and Town properties and assisting the Department of Public Works with ice and snow removal.

The Parks Division operates from five regional locations:

- Bruce Park (located at the Roger Sherman Baldwin Park complex)
- Binney Park
- Byram Park
- Montgomery Pinetop
- North Street (adjacent to North Street School)

Each area has a foreman and staff who maintain parks in their district as well as fire stations, libraries, traffic islands, and abandoned cemeteries. In addition, over 300 neighborhood cul-de-sac ‘islands’ are landscaped and maintained by the Parks Division.

The Parks Division continues to work cooperatively with community groups on various special park improvement projects that are in accordance with the Master Plan for the Department of Parks and Recreation.

### **TREE DEPARTMENT** **[Steven Gospodinoff, Tree Operations Manager]**

The Tree Department is responsible for the care and maintenance of all trees on roadsides, in parks, schools, and all other Town owned properties. The Tree Department is trained and equipped to provide a complete range of

tree care services for the Town of Greenwich. Tree care services include tree removal, stump grinding, safety & maintenance pruning, bracing, cabling, tree planting, insect & disease control, hazard tree evaluation, and tree value appraisal. The Tree Department is equipped with dump trucks, crane hoists, wood chippers, aerial lift trucks, high pressure tree sprayers, and stump grinders. The Tree Department removes dead and dangerous trees along public roads promptly in order to limit the Town's liability and to provide for the public's safety and convenience. Tree crews are on call at all times for trees damaged during extreme weather. Trees and limbs are cleared from streets and Town properties to provide access for emergency services and to restore normal traffic conditions.

Trees are systematically inspected and pruned in parks, school campuses, roadsides, parking lots, and other Town facility properties to remove dead limbs for purposes of public safety. Ornamental and shade trees are also pruned to promote health and vigor as well as to enhance aesthetic appearance.

Town trees are inspected and monitored for damaging insect and disease problems. Historically, insects and diseases have devastated some important shade tree and street tree species. All but a few American Elm trees have succumbed to the 'Dutch Elm Disease'. There is currently a program to attempt to save some remaining significant elm trees in Greenwich with injections of fungicide. The American Chestnut tree has been eliminated from our streets, parks, and forests as a result of the 'Chestnut Blight' disease imported into this area in the early 1900s. Other trees similarly endangered are the White Ash (Ash 'Yellows' disease), Eastern Hemlock (Hemlock Woolly Adelgid insect), and Butternut tree (canker disease). These trees will be inspected, monitored, and treated if feasibly possible.

Although many trees are removed for reasons of public safety and scheduled management, many new trees are planted to replenish our Town's tree population. Trees are selected that will conform to the limitations of a specific site. Trees planted under utility lines are selected so their mature form will fit that site without significant conflicts with overhead utility lines in the future. Small, medium, and large size shade trees are placed where they will fit the site and develop to their natural form while being compatible with the buildings, sidewalks, utilities, and the infrastructure around them. Diversity of the tree population with regards to tree species, form, function, and aesthetics was also considered when planting trees. This is important so the town tree population will not become a monotonous collection of similar trees or become vulnerable to tree damaging insects or diseases.

## **TREE WARDEN**

**[Bruce Spaman, Superintendent / Tree Warden]**

As Tree Warden, the Superintendent of Parks & Trees is responsible for the enforcement of state and local laws pertaining to trees and plantings on all Town properties. This includes state mandated posting of trees for removal for public safety purposes or unavoidable conflicts with infrastructure improvements. Every city and town in Connecticut is required to have an appointed tree warden (Connecticut General Statutes, Section 23-58). The legislative intent of this statute is to assure that municipalities maintain, care for, and protect a valuable and essential natural resource - municipally owned trees. It is the responsibility of the tree warden to ensure public trees are properly maintained, removed if deemed hazardous to the public, and replaced with appropriate species for the location.

## **TURF OPERATIONS**

**[Timothy Coughlin, Turf Operations Manager]**

Since 1999 the Parks and Trees Division has assumed the responsibility of the care and maintenance of all school campuses and athletic fields. The Turf Operations Department of the Parks and Trees Division is now responsible for the management and care of all athletic fields in the Town of Greenwich.

There are 60 public athletic fields in Greenwich located on 15 school campuses and in parks. Over 4.5 million square feet (104 acres) of athletic turf are maintained. A variety of field sports are played on Greenwich's

athletic fields including baseball, softball, football, lacrosse, soccer, little league baseball, cricket, rugby, tee-ball, field hockey, lawn bowling, and croquet.

Turf Operations also maintains the Lawn Bowling / Croquet green in Bruce Park. Turf Operations is located at the North Street maintenance facility adjacent to North Street Elementary School.

The superintendent of parks and the turf operations manager have drafted a comprehensive Athletic Field Inventory and Management Plan to guide the maintenance and renovation of all athletic fields. Standard routine management practices for the athletic fields include fertilization, aeration, insect & disease control, mowing, lining, seeding, sodding, weed control, irrigation, drainage, fencing, and complete field reconstruction.

Bruce Spaman  
Superintendent, Parks & Trees/Tree Warden

## RECREATION DIVISION

	<u>2008-09</u>	<u>2007-08</u>	<u>2006-07</u>
Budgeted Personnel:			
Full Time	11	11	14
Perm Part Time	3	4	11
Expenditures:			
Current	\$1,669,849	\$1,703,810	\$2,176,248
Capital	\$14,400	\$125,525	\$40,000
<b>Total:</b>	<b><u>\$1,684,249</u></b>	<b><u>\$1,829,335</u></b>	<b><u>\$2,216,248</u></b>
Revenue:	\$1,696,038	\$ 1,637,035	\$1,443,656

The Recreation Division is responsible for the implementation of both active and passive recreation and leisure programs to meet the needs and interests of Greenwich residents. Approximately 200 part-time employees and a multitude of volunteers supplement the full-time staff. The division has several facets of operation that include organized recreation, senior services, and specialized recreational facilities.

### ORGANIZED RECREATION

The division works to provide safe and pleasurable recreational services. A wide variety of programs are offered at facilities throughout Town.

### RECREATION DIVISION HIGHLIGHTS IN 2008-2009

- The Junior League of Greenwich sponsored a major renovation of the Bruce Park Playground.
- Tennis and basketball court repairs – crack repairs and court painting were made to GHS (four middle courts), and Byram Park Tennis Courts. This repair is a more permanent system and will last for a minimum of three (3) years. In total 11 courts were repaired.
- Tennis courts at Binney Park, Loughlin Ave., and Bruce Park had a new fence put in around the perimeter of the courts.
- The Greenwich Skatepark began offering “Free Fridays” when kids can skate at not charge.
- Fall Field Hockey held its second Jamboree on the GHS turf hosting teams from 4 towns.
- Western Greenwich Civic Center put together a new Program Guide Brochure to include program and rental information.
- Amenities such as backstops, players’ benches and safety fencing were added to several athletic fields this past year.
- A new set of soccer goals retrofitted to existing ring boards
- VivaPop sponsored the first Soap Box Derby in over 30 years on Greenwich Avenue.
- After 19 years, “Lunch with Santa” was changed to “Breakfast with Santa”.
- A new portable light stanchion was purchased to provide illumination and increase safety at concerts and other special events.

### VOLUNTEERS

Over the course of the year the Recreation Division utilized the help of more than 1,000 volunteers with various sports programs and special events. Volunteers are trained by the division for program safety and basic first aid prior to the start of each program. All volunteers are pre-screened.

### GIFTS, SCHOLARSHIPS & CAMPERSHIPS

- A gift of \$25,000 was accepted by the RTM and received by the Recreation Division from RBS Greenwich Capital for the 2008 annual Fireworks display at Greenwich Point Park and Binney Park. A gift in the amount of \$2,500 from the Second Congregational Church all helped to support scholarships for needy residents.
- The Recreation Division also provided partial scholarships for youth programs in Town. The Scholarship Fund is supported by local donations and applicants are screened by the Department of Social Services to ensure confidentiality. The amount of \$21, 572 in partial scholarships was given to 78 Greenwich children in the past year.
- The third Annual Barbara Boruchoff Winer Memorial Awards were presented to two young ice skaters for their work ethic and potential in figure skating. These awards were funded by a \$30,000 gift to the Parks & Recreation Foundation by the Boruchoff Family.

## ATHLETIC FIELD SCHEDULING

Excluding school day and “after-school” activity usage by the Board of Education (largest field user) there were over 26,350 field hours scheduled by permit this past year, an increase of over 250 hours. Including the school day uses bring the total to over 34,830 hours. Over 100 individual field permits were issued during the year for the 53 baseball diamonds and athletic field areas scheduled by the Recreation Division staff. The scheduling of baseball and softball practice fields in double shifts during the spring contributed to the increase in use.

The Recreation Division continues to charge a field user fee for all Town and non-Town programs on Town fields. Over 12,500 field users were registered for the past year.

## SPECIAL EVENTS

Greenwich Academy Walk/Run	Perrot Library Movie Night	Young Life Movie Night
Greenwich Ave. Teen Initiative	Point Perspective Race	YWCA Ultimate Frisbee Tourn.

The Recreation Division plans and assists with approximately 100 special events throughout the Town during the course of the fiscal year.

## SUMMER PROGRAMS

Under Organized Recreation the Division offers four summer programs for children. These programs are structured differently in order to help parents meet various childcare issues.

- Kamp Kairphree runs four two-week sessions out of the Eastern Greenwich Civic Center and Greenwich Point. 500 children participated in a variety of activities that included beach days, roller-skating, special trips, boating, and arts and crafts.
- Summer Fun I & II is a popular drop-in program that allows parents to pick and choose days and times that are convenient to them. Participants (112) are offered a variety of activities that include cookouts at the beach, games, special events, and craft projects.
- Music & Art Program had 145 participants. This five-week program offers music instruction in the morning and art in both the morning and afternoon. The program ends the season with an evening concert and art exhibit.
- Skatepark Ramp Camps ran for 5 weeks in the summer. This program offers skateboarders and inline skater's free skate time, a lesson, other fun games, and a chance to cool off in the sprinkler. Last year the camp had 87 participants in the 5 weeks that it was offered.

The Recreation Division continues to offer a variety of youth programs and sports clinics during school holidays and vacations. Our participants are given the opportunity to work on honing their skills and parents are relieved of childcare worries for a portion of the week. Examples of these clinics are Doyle Baseball Clinic, Girls Softball Clinic, and Indoor Soccer Clinics. In addition to this, one-week programs are offered at the end of August including Soccer with Aldwin, Mad Science Camp, Chess Camp and Future Stars Tennis and Sports Clinics. During school holidays and vacations we have offered a number of different special events such as roller skating, magic and puppet shows.

<u>Program</u>	<u>Participants</u>
Baseball	628
Doyle Baseball	36
Soccer	994
Girls Softball	310
Tennis Cards & Guest Tennis Cards	2,991

Skatepark Competition (2 per summer)	33
Skatepark Total Attendance	1,829

**Dorothy Hamill Skating Rink** – In its thirty-eighth year of operation this fully enclosed facility offers a wide variety of winter programs including group lessons, hockey clinics, youth and adult hockey leagues, a Town-wide figure skating competition, general skating sessions, stick and puck sessions, birthday parties, school lessons, school fund raisers, and more. The rink is home site for a number of school teams; youth travel hockey and home rink for the Windy Hill Skating Club, Greenwich Blues Youth Hockey Association, Greenwich Academy, Greenwich High School and Eagle Hill School, Skyliners Synchronized Skating, and Greenwich Special Olympics.

**Eastern Greenwich Civic Center** – Events that utilize the center include antique and train shows, car shows, seminars, banquets, senior citizen programs, dog shows, baby and bridal showers, and children's birthday parties. Also offered at the center are roller skating, men's basketball, recreation open basketball, softball pitching clinics, soccer clinics, basketball clinics, Tennis for Tots, Weight Watchers, Bridges Nursery School, Girls, Inc., Lunch with Santa, Old Greenwich Art Society Painters, Greenwich Police Training Classes, Greenwich Parkinson Support Group, Old Greenwich Garden Club, Old Greenwich Lion Club Pancake Breakfast, lunchtime basketball, indoor golf, continuing education classes, Halloween Happenings, and oldies dances. During the W.G.C.C. construction project the Eastern Greenwich Civic Center is serving as the home for their senior programs. The center serves as home for the Kamp Kairphree summer day camp program. The center also serves as home for the Old Greenwich Riverside Community Center.

**Bendheim Western Greenwich Civic Center** –The center completed a very successful second full year of operation on March 12, 2008. The center features a Technology Room, Weight Exercise Room, and a Multi Purpose/Gym, Dance/Exercise Studio, Community Room with an attached kitchen, and six activity rooms. The Civic Center meets the needs of the community by offering a wide variety of programs and services. Some of the services it offers are birthday parties, community meetings, basketball, volleyball, preschool programs, and a full facility day care, different sports programs and clinics for children, a dance exercise class, karate and ballet.

**Greenwich Skatepark** – The Greenwich Skatepark continues to meet the needs of inline skaters and skateboarders in Town. Open daily during daylight savings time, and on the weekends November – March, weather permitting closed December, January and February. The Skatepark provides a safe, supervised and fun facility for Greenwich youths six years and older. This year 2,863 youths in Greenwich and the surrounding area used the Skatepark on a drop-in basis, clinics, camps and birthday parties.

Owned and operated by the Parks and Recreation Department, the Skatepark is located on Arch Street in a section of the Roger Sherman Baldwin Park parking lot, designated for Town employee parking and the Arch Street Teen Center. The Skatepark consists of a series of ramps and rails two feet to five feet high. Some of the pieces include a four-foot half pipe, a series of quarter pipes, a fun box different height ramps, and rails. The

park is always supervised with at least two trained and first aid certified staff on duty. The fees to use the park are \$175 annual membership with a prorated scale as the season progresses, to \$140 and \$100 depending on when you purchase the membership. Ten-day passes cost \$60. Residents of Greenwich are able to buy membership passes non-residents may enter the park for the \$10 day pass. All users must wear elbow, kneepads, and a helmet. Every participant must sign a waiver form, and a parent or legal guardian must sign for anyone under 18 years of age. The park also offers skateboard and inline lessons and birthday parties. The Skatepark was a gift from the Junior League of Greenwich in 2003. With the help of a \$6000 gift from the JLG the Skatepark was able to make some much needed repairs to its ramps and transitions.

**Neighborhood Community Centers** –The William A. Yantorno (Pemberwick) Community Center and the Cos Cob Community Center are used for numerous social and family activities throughout the year. The Cos Cob Center is used for the Preschool Playgroup Program. The William A. Yantorno Community Center is the home of Greenwich Green & Clean.

**Tennis Courts** – Monitored courts that can be reserved with a valid tennis card are at Bruce Park, Loughlin Avenue, Binney Park, Eastern Greenwich Civic Center, Eastern, Central and Western Middle Schools, Byram Park, and Greenwich High School. Courts that are not supervised and available on a first-come, first-served basis are at Lyon Avenue and Pemberwick Park.

**Paddle Tennis Courts**- Located in Loughlin Avenue Park in Cos Cob. Season runs from November 1<sup>st</sup> to April 3<sup>rd</sup>. Lighted courts are available 5 days a week, Monday through Friday 8:30 am -9:30 pm. Saturday and Sunday from 8:30 am until dusk.

**2008-2009 Fiscal Year Revenues**

Organized Recreation	\$779,303
Eastern Greenwich Civic Center	190,231
Neighborhood Community Centers	27,301
Dorothy Hamill Skating Rink	462,557
Western Greenwich Civic Center	177,642

## COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM

	<u>2008-09</u>	<u>2007-08</u>	<u>2006-07</u>
Budgeted Personnel:	1.5	1.5	2
Expenditures:			
Current	\$49,507	\$51,166	\$130,516
Capital	\$0	\$0	\$42,183
<b>Total:</b>	<b><u>\$49,507</u></b>	<b><u>\$51,166</u></b>	<b><u>\$172,699</u></b>
Revenue:	\$188,718	\$38,718	\$38,718

*Note: The CDBG Program Year is administered on a calendar year basis (January – December). Therefore, this report covers two program years, the second half of PY2008 (Jul. 1-Dec. 31, 2008) and the first half of PY2009 (Jan. 1-Jun. 30, 2009). Reported Current Expenditures represent annual program monies spent for Administrative budget while Capital Expenditures represent annual program monies expended as they are paid out to CDBG program recipients. Information and expenditures reflect data as of June 30, 2009.*

### PROGRAM DESCRIPTION

The Community Development Block Grant (CDBG) is one of the formula grant programs administered by the Community Planning and Development of the U.S. Department of Housing and Urban Development (HUD). The program is authorized under Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended; 42 U.S.C-5301 et seq. This program provides annual grants on a formula basis to eligible grantees (cities and counties) for the purpose of addressing the needs established by the local communities by providing decent housing, suitable living environment and expanding economic opportunities for low- and moderate-income persons and families. The Town receives entitlement grants (CDBG funds) to carry out a wide range of community development activities to improve community facilities and services through sub-recipients. The CD Administrator works with an Advisory Committee, CDAC, in selecting the activities to be recommended for CDBG funding. Attached is the CDAC membership list as of June 30, 2009.

### STAFFING

HUD regulations limit the CDBG planning and administration budget with a 20% cap restriction on administrative expenditures. This means that the Town can only spend 20% of the total CDBG Entitlement grant plus the prior year's program income (if any) on administrative costs for CDBG related activities. For PY2008, expenditures for planning and administrative activities were 14.22% of the annual grant and program income, well below the expenditure cap.

### CDBG PY2008 ACCOMPLISHMENTS

During the last half of year 2008, the CDBG Office worked with non-profit agency sub-recipients to close out program activities that received 2008 CDBG funding from the Town as well as prior year activities that were completed during 2008. It should be noted that at least 51% of the total beneficiaries for activities supported with CDBG funds were low- and moderate-income. HUD requires that not less than 70% of the total available CDBG funds received should be used for activities that meet the 51% low/mod criteria. As in the past, 100% of the CDBG funds received and expended during PY2008 benefited low/mod income persons. At the conclusion of PY2008, six rehabilitation projects were completed. These projects are as follows: one PY2008 funded Family Centers HVAC Upgrade and Parking Lot Resurface Project; four PY2007 funded Family Centers Roofs/Skylights & Water Pipes/Valves Replacement Project, Hill House Senior Residence Rehabilitation Project, Housing Authority Adams Garden Heating System Upgrade and Housing Authority Town Hall Annex Heat/Hot Water Upgrade; and lastly, the Greenwich Adult Day Care Pump House Conversion to Adult Day Center Project which was funded during program years 2005 and 2006.

A total of fifteen public service activities were completed during program year 2008. The following is a list of the accomplishments:

- A total of 122 low-income, transportation-disadvantaged individuals were provided with free access (at no charge) to available rides to non-emergency medical, dental, physical therapy, well-baby clinic and rehabilitation appointments through the Transportation Service to Medical Appointments program of the Greenwich Chapter of the American Red Cross.
- A total of 350 youth/children (ages 6-18) from low-income families were offered with access to affordable after school programs that focus on academic learning and character development through the Project Learn and Character Development programs of the Boys and Girls Club of Greenwich.
- A total of 513 clients (children and their families) from low-income, underinsured and uninsured households were provided with access to available mental health diagnostic and treatment services through the Mental Health Services program of the Child Guidance Center.
- A total of 245 senior/elderly clients who were underinsured or uninsured were provided with access to available dental health services through the Dental Care of Stamford's Dental Services to Seniors program.
- A total of 147 clients (preschool children and their families) who are low-income public housing or Section 8 residents were offered access to affordable early childhood day care, which provided quality school readiness skills to better prepare the children as they enter Kindergarten through the Head Start program of the Family Centers, Inc.
- A total of 214 low-income public housing or Section 8 residents were provided with access to comprehensive vocational skills support, training and guidance programs as well as job search services, educational opportunities and job skills training to increase their employability or level of employment through the RITE program of the Family Centers, Inc.
- A total of 9,288 low-income persons were assisted and supplied with non-perishable, nutritious and healthy food directly by non-profit agencies through the Food Services program of the Food Bank.
- A total of 149 low-income elderly clients were provided with access to available quality health, recreation and social services which include health assessments, treatments, medications, therapies and personal care to address preventive care through the Health program of the Greenwich Adult Day Care.
- A total of 16 school-aged children from low-income households were provided with affordable before and/or after school child care services that offer homework assistance as well as recreational activities to avoid the risk of becoming latch key kids by receiving scholarship support through the Greenwich School Age Child Care program of the Greenwich Family YMCA.
- A total of 215 low-income, homebound and frail elderly were assisted and provided with access to a grocery shopping and case management program that enables the elderly to continue living in their homes through the Supermarketing for Seniors program of the Jewish Family Services of Greenwich.
- A total of 65 youth ages 12 to 17 were provided with access to available therapeutic emergency shelter and crisis outreach, support, intervention and counseling services through the Teen House program of the Kids in Crisis.
- A total of 100 clients who are low-income, needy and/or infirm were provided access to a meal delivery service to ensure that nutritious and affordable food were available to those who are no longer able to prepare their own food through the Food Service program of the Meals-On-Wheels of Greenwich.
- A total of 422 homeless individuals were assisted and provided with access to healthy (cold and hot) meals, emergency/overnight shelter, counseling, job training and other supportive services in a continuing effort to end (chronic) homelessness through the Food Services of the Night program at the Pacific House Shelter of the Shelter for the Homeless.
- A total of 79 homeless women were provided with access to available emergency and transitional housing services which include case management and supportive services to become self-sufficient and eventually move into a more stabilized housing environment through the Women's Housing program of St. Luke's Community Services (d/b/a St. Luke's LifeWorks).
- A total of 4,317 persons who are victims of domestic abuse violence (children and adults) were provided with access to available crisis intervention services and counseling support through the Domestic Abuse Services program of the YWCA of Greenwich.

**CDBG PY2009 GOALS**

The Entitlement Grant received for program year 2009 was \$948,007. The following is a summary of the activities that were approved to receive CDBG funding as they provide services or improve community facilities to benefit low- and moderate-income Greenwich residents (Note that 2009 activities are underway):

**CDBG Program Year 2009 - Allocation of Funds**

<b>Agency - Activity</b>	<b>CDBG \$</b>	<b>Objective</b>	<b>Goal</b>
American Red Cross (Greenwich Chapter) - Transportation Service to Medical Appointments program	\$ 7,000	Transportation Services	Improve access to available (free) rides to medical appointments for low/mod income, transportation-disadvantaged individuals
