MAY IF CALL
The detailed object classifications supporting each one of the above appropriations within each department as shown in the detailed budget recommendations, are set forth for informative purposes only. However:

1. Payments of salaries and wages from any appropriation for Personal Services must be in conformity with the salary and wage rates as shown in negotiated collective bargaining agreements with employee organizations and approved by the Representative Town Meeting or in accordance with approved salary rates for non-represented positions.

2. Any new regular employee must be employed at the minimum pay rate for the class of position he or she is to fill. This shall not apply to teachers and other "Certified" personnel in the school system, except that written notice to the Comptroller shall be given when such personnel are employed, promoted or transferred.

3. If a department or board wishes to employ a person (other than certified personnel) at a pay rate above the minimum of the wage range, the salary for such position shall be approved by the Board of Estimate and Taxation except that the Director of Personnel may approve a pay rate above the minimum to the midpoint of the wage range and shall approve pay rates for temporary, seasonal and part-time employees. This does not apply to persons paid on a fee basis for professional services.

4. Payments for "in-town" and "out-of-town" automobile travel shall be at the rates given in the recommendations of the Budget Committee.

5. Expenditures for miscellaneous equipment not fully itemized shall be substantially for the object shown in the detail or notes which support the total amount recommended for such equipment within each department (shown in "Justification" in each case, unless a change is approved by the Comptroller).

All appropriations shall be committed by and payable upon the order of the Head of the Department, Chairman or Secretary of the Board, Official, or person designated by the Board or by Statute for which or for whom the respective appropriations are made, except as may be, from time to time, determined by the Board of Estimate and Taxation.

The appropriations for General Assistance, and such other appropriations as may be so designated, shall be allotted by the Board of Estimate and Taxation, from time to time, in its discretion, with the power in said Board to change, from time to time, any such allotment as to uncommitted balances thereof; and, when so allotted, such allotments shall be paid upon
the order of the Head of the Department, or Chairman or Secretary of the Board, or Official to which or to whom such allotment is made, except as may be, from time to time, determined by the Board of Estimate and Taxation.
