

Plan of Conservation and Development (POCD) Schedule, moving forward:

1. **I WANT TO MEET WITH YOU** before Sept. 19th if possible! Please e-mail me, Katie DeLuca, Town Planner, to set up a time to:
 - a. Go over the contents of the plan
 - b. Explain how we arrived at the various Objectives and Action items
 - c. Take note of your comments and any revisions
 - d. Anything at all you would like to discuss re: the POCD
 - e. I am happy to meet you individually, in small groups or large groups etc., and I can facilitate meeting times and rooms etc. You name the number of people and I'll take care of the rest.

2. **September 19** - public workshop to be held at Greenwich High School. Details to follow, but please mark your calendars. This is NOT a Public Hearing and is simply designed to get your feedback. A Public Hearing date where the Commission will take action on the Plan will be set based on the comments received before and at the 9/19 workshop.

3. **December RTM meeting** - We are aiming for the December RTM meeting, but the Commission has committed to not finalizing anything until they are sure they have true community consensus. To that end, your contributions at the September 19 meeting are critical.
