

ENGINEERING DIVISION  
DEPARTMENT OF PUBLIC WORKS  
**NEWS RELEASE**

**3<sup>rd</sup> PUBLIC INFORMATION MEETING**

**FOR**

**TRAFFIC SIGNAL OPTIMIZATION AND INTERSECTION IMPROVEMENTS ALONG THE  
GLENVILLE STREET/GLENVILLE ROAD CORRIDOR**

**TOWN PROJECT NUMBER 15-18**

The Town of Greenwich will be presenting preliminary plans as a result of the first and second public information meetings for the Traffic Signal Optimization and Intersection Improvements along the Glenville Street/Glenville Road Corridor for a distance of approximately 1,500 feet.

Funding for this project is provided under the Congestion Mitigation and Air Quality Improvement Program (CMAQ) with 100% Federal funds administered by the Connecticut Department of Transportation. The Town has selected Milone and MacBroom, Inc. for the design of this project.

The Town will conduct a third public information meeting on Wednesday, September 25, 2019 at 7:00 p.m. in the lower room of the Bendheim Western Greenwich Civic Center, 449 Pemberwick Road Greenwich, CT 06831. It is the Town's and State's policy to keep persons informed and involved when such projects are undertaken. If you are a user of this corridor, the Town is requesting your presence at this meeting so that you may share your concerns with us and our consultant so that your input can be reflected in the project's development. Information related to this project can be found at [www.greenwichct.gov/1493/Glenville-RdSt-Corridor-Traffic-Improvem](http://www.greenwichct.gov/1493/Glenville-RdSt-Corridor-Traffic-Improvem)

Anyone interested in obtaining further information, or in providing input, may do so by contacting Gabriella M. Circosta Cohee, P.E., Senior Civil Engineer, at 203-861-3151.
