Call-A-Ride of Greenwich Drivers and Riders,

Dear Friends and Colleagues,

It is with a very heavy heart that I write this note on behalf of our Board of Directors

We, The Board, have decided to suspend the Call-A-Ride service effective, end of day Friday, March 13 we are doing this with the firm belief that we MUST take the safe, cautious route. In good conscience, to do all we can to protect the health and welfare of our Riders and Drivers

The Coronavirus is in the US and in our area. In abundance of care and caution we make this decision. I pray and hope that our medical experts will find cures and preventive means and that we will all stay calm and strong, exercising caution and safe practices We WILL RESUME our Special Treasured Service to Greenwich Seniors as soon as it is deemed safe. We will contact you and post the date on our web site www.callaridegreenwich.org as well as on the Town's site

Please stay safe. Do not hesitate to contact me, should you wish.

Sincerely,

M' Lavelle Shields, President
