The Town of Greenwich is requesting all contractors to please follow the latest CDC guidelines regarding best practices for working during the COVID19 outbreak on their job sites.
You can find the guidelines here:

Within the web pages found through the above link, you can find guidance about practices to reduce the likelihood of getting sick, as well as information about how and when to use masks, how to make them, and more.

Please go to the CDC website regularly as this information continues to be updated as more is learned about this illness.

INSPECTIONS
The Town’s Division of Building Inspection is conducting field inspections at this time under the following conditions:

Exterior inspections - Can be called into the automated phone system at 203-622-7772. If the system does not accept the request then follow the instructions below for indoor inspections.

Indoor inspections –
Inspection requests shall be emailed to: bldginsp@greenwichct.org

In order for the Division to accept your request you must verify the following:
THE BUILDING MUST BE UNOCCUPIED WITH NO ONE ON SITE EXCEPT ONE CONTRACTOR AND NO WORKERS OR OCCUPANTS - IF THAT IS NOT THE CASE THE INSPECTOR WILL NOT ENTER THE BUILDING.
Whoever greets the inspector at the site should be wearing a mask and is expected to abide by social distancing guidelines. Failure to do so will result in our inspector not entering the jobsite.

Thank you and be safe!
