Subject: RE: ROUTING - 8 & 14 Fox Run Lane - FRSB - PLPZ 202100078

The Health Department has reviewed and approved an 8 bedroom septic system design for a new residence at 8 Fox Run Lane. We have not reviewed any septic proposals for the vacant lot at 14 Fox Run Lane. The septic tank for the pool house will need to be abandoned properly when the structure is demolished. This office has no objection to the proposed lot line change.
