

ENGINEERING DIVISION
DEPARTMENT OF PUBLIC WORKS
PRESS RELEASE

DAVIS AVENUE BRIDGE REPLACEMENT PROJECT
TOWN PROJECT NUMBER 17-16
STATE LOTCIP PROJECT NO. L056-0003
APRIL 8, 2021

GREENWICH, CONNECTICUT – The Town of Greenwich, Department of Public Works, Engineering Division will be commencing a bridge replacement project on Davis Avenue in Bruce Park. The project involves the replacement of an existing bridge over Indian Harbor with a new pre-stressed concrete beam structure. The Contractor, A. Vitti Excavators, LLC, Stamford, CT, will be working between 7am – 6pm, Monday – Friday and 9am – 5pm on Saturdays, beginning around Monday, April 26, 2021 with installation of temporary traffic control devices.

The road closure is anticipated to begin around May 1, 2021. The proposed construction is anticipated to last approximately 15 months, with bridge replacement between May 2021 and September 2021 while final restoration of curbs, sidewalks and pavement will occur between September 2021 and June 2022. All dates are dependent on the weather and any unforeseen complications.

In addition to bridge replacement, curbing and sidewalk will be replaced near the bridge location, portions of Davis Avenue will be repaved in the disturbed area and new pavement markings will be applied.

A detour will be posted with signage and will utilize Davis Ave, Museum Drive, Arch St, I-95, and Indian Field Road. Access to local driveways and Oneida Drive will be maintained throughout construction. Work before and after this duration may utilize alternating one-way traffic control during work hours. It is important for the safety of the public and the contractor's staff that all pedestrians and drivers obey uniformed traffic personnel and all posted traffic control devices.

It is the Town's policy to keep persons informed and involved when such projects are undertaken. The Engineering Division of the Department of Public Works along with Alfred Benesch & Company, the design consultant, will be working together to make sure the public is informed and aware of project updates. Please check the Town of Greenwich Public Works webpage for regular updates related to this project at: <https://www.greenwichct.gov/1549/Davis-Avenue-Bridge>

We understand that there will be some inconveniences and we ask that you please be patient during this construction period. Anyone interested in obtaining further information can contact Jason Kaufman, P.E., Senior Civil Engineer, Monday through Friday between the hours of 8:00 a.m. and 4:00 p.m. via phone at 203-622-3839 or via email at jason.kaufman@greenwichct.org
