Interested in Volunteer Firefighting...?

Come Join the Glenville Volunteer Fire Company

266 Glenville Road
Greenwich, CT 06831

By becoming a volunteer you'll be joining a 107 year tradition of saving lives and giving back to Glenville

Being a volunteer firefighter is a great honor that also holds many advantages and rewards. There are many ways to become involved in your community fire service. We are your neighbors from all walks of life and employment, who come together for a common cause.

"Come join our family as it helps protect yours"

Prospective members must be at least 18 years of age. A town physical and training will be required for those looking to become active.

Benefits include:

- Medical Coverage
- Life Insurance
- Training Stipends
- Gym Membership
- Paid Firewatch for private functions
- Property Tax savings of up to \$1,000 (Home or Auto)
- \$7.50 per emergency response in your personal vehicle
- Leadership and rank advancement
- Uniforms
- Protecting your friends and neighbors lives
- **THE MOST FUN YOU'LL EVER HAVE!!**

Glenville Volunteer Fire Police

Fire police respond alongside firefighters to protect emergency scenes. Whether it's closing off the merit parkway during a motor vehicle accident or keeping the public away from burning structures and enforcing the law, the Fire Police ARE THERE to protect the public and firefighters.

Being a Fire Police officer does not require you to take firefighter courses. You will be trained in traffic control, scene control and emergency scene support with the Greenwich Police Department.
