Interested in Volunteer Firefighting...?

Come Join the Round Hill Volunteer Fire Company

166 West Old Mill Road
Greenwich, CT 06831

By becoming a Round Hill Volunteer, you'll be joining a tradition of saving lives and giving back to the Round Hill Community since 1948.

Being a volunteer firefighter is a great honor that also holds many advantages and rewards. There are many ways to become involved in your community fire service. We are your neighbors from all walks of life and employment, who come together for a common cause.

www.roundhillvfc.org

Also anyone who is 14-18 years old may join the various Greenwich Volunteer Explorer Programs.

Prospective members must be at least 18 years of age. A town physical and training will be required for those looking to become active.

Benefits Include:

- Medical Coverage
- Life Insurance
- Training Stipends
- Gym Membership
- Paid Firewatch for private functions
- Property Tax savings of up to \$1,000 (Home or Auto)
- \$7.50 per emergency response in your personal vehicle
- Leadership and rank advancement
- Uniforms
- Protecting your friends and neighbors lives
- **THE MOST FUN YOU'LL EVER HAVE!!**

Round Hill Fire Police

Fire police respond alongside firefighters to protect emergency scenes. Whether it's closing off the merit parkway during a motor vehicle accident or keeping the public away from burning structures and enforcing the law, the fire police ARE THERE to protect the public and firefighters.

Being a fire police officer does not require you to take the extensive firefighter courses. You will be trained in traffic control, scene control, scene lighting and other support roles.
