# PRESS RELEASE

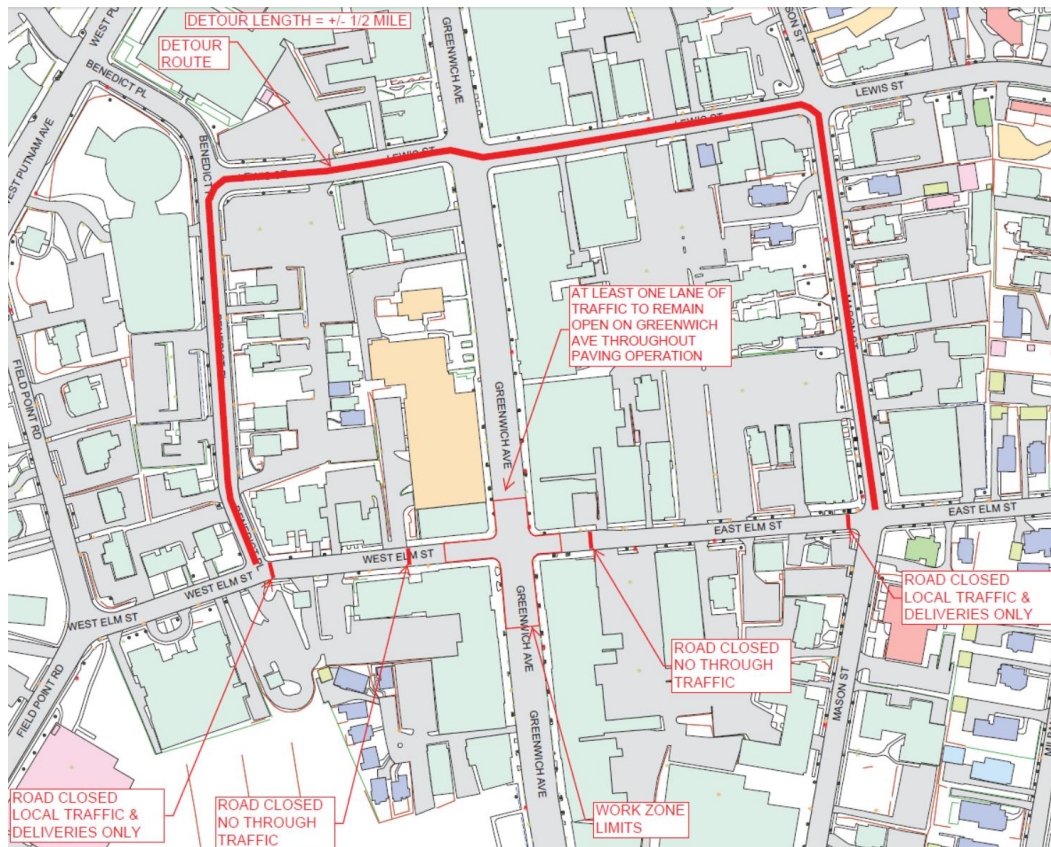

### GREENWICH AVENUE & ELM STREET INTERSECTION IMPROVEMENTS TOWN PROJECT NUMBER 16-22 MAY 17, 2021

GREENWICH, CONNECTICUT – The Town of Greenwich, Department of Public Works, will begin milling and paving operation of Greenwich Avenue & Elm Street intersection around Monday, May 24, 2021. The Contractor, FGB Construction, Norwalk, CT, will be working between 5am and 5pm, Monday through Friday, with setup of temporary traffic control devices beginning as early as 4am. The milling and paving operation may last up to 4 days, weather permitting.

Approximately 1 week after paving is complete, another Department of Public Works contractor, Rocco Iadarola General Contracting Co., Waterbury, Connecticut 06705, will complete installation of decorative crosswalks. The decorative crosswalk operation may also last up to 4 days, weather permitting.

Both operations will occur under a noise variance granted by the Town of Greenwich Health Department and a partial road closure of East and West Elm Street granted by the Board of Selectmen. A detour route will be posted and the partial closures of East and West Elm Street will only be in effect during working hours; all roads will remain open each evening after work is done for the day. See below for proposed detour route.

Please obey police traffic directors, posted signs and be alert when traveling through the work zone. We understand that there will be some inconveniences and we ask that you please be patient during this construction period. Anyone interested in obtaining further information can contact Jason Kaufman, P.E., Senior Civil Engineer, Monday through Friday between the hours of 8:00 a.m. and 4:00 p.m. at 203-622-3839 or [jason.kaufman@greenwichct.org](mailto:jason.kaufman@greenwichct.org)
