

Rink User Committee for Design & Planning

Overview: The Office of the First Selectman has created this advisory committee to identify and address key issues regarding the Skating Rink Project.

Meeting Schedule/Parameters: all meetings will be public, posted agenda, and minutes or transcript available. Each meeting will have a public comment agenda item.

Deliverables:

1. Review results of surveys and reports and make recommendations for design and planning.
2. Craft and support Capital Improvement Project (CIP) request.
3. Develop project funding plan including fund raising opportunities.
4. Act as community liaisons and project support committee.
