

# GREENWICH POINT FIREWORKS INFORMATION SHEET

SATURDAY, JULY 3, 2021 AND MONDAY, JULY 5, 2021

The Fireworks at Greenwich Point on both evenings will start at approximately 9:10 p.m. We are providing the following information for the Greenwich Point Fireworks Displays on Saturday, July 3 and Monday, July 5 for your information and assistance:

## **ALL SPECTATORS ARE STRONGLY URGED TO BRING A WORKING FLASHLIGHT**

- Normal rules for access to Greenwich Point will be in effect. **Valid Park Passes for 2021 will be required of residents all day, and single entry pass and single entry parking passes will be required of non-seasonal pass holders until 5:00 p.m. After 5:00 p.m., non-seasonal pass holders will only need a single entry parking pass. Single entry passes and single entry parking passes for non-seasonal pass holders may be purchased at Eastern Greenwich Civic Center Monday – Friday, (except Holidays) from 9:30 a.m. until sold out or 3:30 p.m. only. Residents who have updated residency status for 2021 may purchase single entry tickets online. Tickets must be shown at the gate.**
- **Please note that Greenwich Point will be closed when parking has reached its capacity or 8:00 p.m., whichever comes first. This also means you will not be allowed to drop-off or pick-up passengers and will not be allowed to access the marina area once the Point is closed. Be sure you have everything you need before coming to the Point.** The Point will still be open to walkers, joggers and bicyclists under normal regulations.
- Parking in Greenwich Point will be under the direction of Police Officers. Parking for vehicles with handicap permits will be provided in the area near the South Concession Stand. Overflow parking will be directed to the Clambake Parking Area. Boaters will be assisted to the marina area.
- **NO Open Flame Candles, Sparklers, Chinese Fire Lanterns, Bomb Bags, Sky Lanterns, Snappers or any type of fireworks will be permitted in the Park. Cooking in Greenwich Point Park is allowed ONLY at Town Grills. (Sec. 7-26). NO glassware is allowed within 200 feet of the beach. (Sec. 7-50).**
- Bicycles should be equipped with lights and reflectors. Bikers may need to walk their bikes through the causeway. Police will establish a walker/biker lane on the causeway to exit the Point after the Show. Portable lighting will be in place at important locations throughout the Park.
- **A Police Command Post will be set-up near the main entrance gate. There will be an area for lost parents/children located at the GEMS field service unit near the South Concession Stand.** GEMS will be on site for first aid coverage. They will have an ambulance on site; a command post will be located near the South Concession. Paramedics will patrol the grounds to assist the public.
- The fireworks will be shot from the bluff area, past the South Concession Stand. Some of the area near the shooting spot will be restricted. **People are welcome to walk the Point, but there will be a detour near the shooting area, which will go up to Founder's Rock and will be enforced. You will not be permitted to walk near the shooting area on the day of either show.** The view from anywhere in the Park, particularly on main beach and in the picnic area by the South Concession Stand, will be outstanding. The Beach Concession will close during the shows and will not reopen. Restrooms, including temporary facilities, will be available.
- **Greenwich Point Park will close immediately after the Fireworks Display.** Please cooperate with the Police to provide a quick and orderly exit for all.
- **In the event of inclement weather, call the Recreation Weather Hotline at 203-861-6100.**
- **Enjoy the Show.**
