Instructions for Financial Interest Disclosure Form for Town Officers

To be filed no later than 30 days after June 30th of each year.

Who has to file?

All Town Officers are covered by the requirements of the Code of Ethics with respect to the filing of Financial Interest Disclosure Statements. If the aggregate amount received is $200 or more, a statement must be filed for each transaction with the Town in any fiscal year (July 1 to June 30) that a Town Officer (or family member) has a direct or indirect personal financial interest in. If a Town Officer didn’t have a substantial personal interest in any transaction with the Town during the fiscal year, no filing is required.

Who is a Town Officer?

A Town Officer is any official, employee or agent of the Town, any consultant to the Town or any member of any board, department, commission, committee, legislative body or other agency of the Town, whether elected or appointed.

What transactions are covered?

A transaction is defined broadly under the Code to include the sale or furnishing of any real or personal property, materials, supplies or services to the Town directly as a vendor or prime contractor, or indirectly as a subcontractor, beneficial owner, family member or otherwise. Transactions include offers, even if they are not accepted, but do not include gifts and similar arrangements where no valuable consideration is paid by the Town. Town employees and contractors are not required to report on the contract for services which makes them a Town Officer. Transactions with the Town include all Town boards, commissions, agencies or other entities owned or controlled by the Town.

What has to be reported?

Transactions aggregating less than $200 a year do not need to be reported. The Code requires that Town Officers report both the nature of their interest in a Town transaction and the amount received during the fiscal year as a result of that interest.

Line by line guidance:

All Town Officers are required to use the form prescribed by the Board of Ethics. Following are explanations of the information required to be provided on each line.

1. Name: Give your full name as it appears in the Town’s official records with respect to the position you hold.

3. Fiscal Year: Indicate the fiscal year reported on.

9-11. Nature of Interest. Describe the nature of your interest in the transaction, such as contracting party or an owner, partner in or employee of the contracting party (or family member thereof). Family members include parents, spouses, siblings, children, nieces and nephews grandchildren and in-laws. Show the value received by the contractor. You may also show the share of that amount you received.

13-14. Other Information: Provide any additional information as appropriate.
