Subject: IMPORTANT: Information for this evening's Virtual P & Z Meeting - Clarification of my objection to St. Saviour's Application

[EXTERNAL]

Hi Bianca,

Thanks so much for coming here yesterday to get a first-hand look at my property which is directly adjacent to St. Saviour's property.

To clarify: I have no objection to the application to allow the use of playground equipment on the grounds of St. Saviour's Church. I do, however object, as any homeowner would, to any use of the adjoining property of 85 Park Avenue for non-residential use. There is currently a large Jungle Gym/Playhouse/Swingset that was placed on the property by St. Saviour's. There is currently a family that is renting what was the rectory. Any notion that this structure was placed there by these tenants is simply not true. The structure was placed there by St. Saviour's well before these tenants moved in. I feel that it is an illegal playground equipment outside the boundaries allocated for the Nursery School. Importantly, it directly faces my property and denies me of my privacy. I respectfully request that this structure be relocated inside the boundaries allocated for the Nursery School.

Best,

Andy Reid
