NOTICE OF FINAL DECISION OF THE COMMISSIONER OF PUBLIC WORKS REGARDING THE REPLACEMENT OF SIDEWALKS, CURBING, PEDESTRIAN RAMPS, CROSSWALKS & ADDITION OF 2 RRFB’S

A Virtual Public Hearing was held on Monday, February 28, 2022, at 2:00pm for the replacement of sidewalks, curbing, pedestrian ramps, crosswalks and addition of RRFB’s at two mid-block crossings, all within the Binney Park Scenic Loop. As required by Town code Article 3 Scenic Roads, Section 11-13(c), a public hearing was called because the location of the project is on a scenic road.

As your Public Works Commissioner, by Town Charter, I am charged with reviewing the modifications and alterations of any projects in the right-of-way of scenic roads. The Commissioner’s Office takes this responsibility seriously.

After careful consideration and having listened objectively to the facts and opinions presented by all parties, I have ruled in the following manner on the project listed above.

It is my decision and I have concluded that the replacement of sidewalks, pedestrian ramps, crosswalks and addition of RRFB’s at two mid-block crossings is approved for construction as presented in the public hearing.

This decision will be posted in the lobby of the offices of the Department of Public Works located on the 2nd floor of the Town Hall, the lobby of Town Hall, the Town Clerk’s office, and on the Town of Greenwich website.

Amy J. Sibert, P.E.
Commissioner of Public Works
Town of Greenwich - Department of Public Works
