Public Health Alerts –

The Department frequently receives information from a variety of sources – including the Connecticut Departments of Public Health and Consumer Protection as well as the Food and Drug Administration – that may pertain to food products you may be serving. It is critical that we release this information to as many people as quickly as possible, in order to reduce the possibility of someone falling ill due to contaminated products. So that we can ensure that the information gets to the appropriate person at your food service establishment in a timely fashion, please provide an email address (preferred) or a fax number that is checked on a daily basis by someone with knowledge of the food products your establishment sells.
