LEGEND
- Federal Navigation Project Boundary
- Waterfront Business Zone

Mianus River and Watershed:
Coordinate planning, management, and regulatory actions with the other communities with jurisdictions in the Mianus River watershed to advance the goals of the Mianus River Watershed-Based Plan and address common concerns that may affect the river, harbor and watershed, including protection of coastal resources and water quality and mitigation of flood hazards.

Mianus Pond Fishway and Walkway:
Operate and maintain to: 1) protect and enhance fisheries resources, 2) provide educational and scientific benefits, and 3) provide opportunities for public access through Greenwich Adult Day Care facility property to observe facility operation.

Newman St. Property: Pursue relocation of DPW facilities to suitable non-waterfront location and redevelop with appropriate facilities and amenities for public access to harbor.
