What is CONNECTT?

CONNECTT is a way to socially connect with other people for free, doing things you enjoy - from the comfort of your own home. All you need is a computer, tablet or a phone.

How Can I Join a Live Session?

- By computer or tablet
- By phone: Landline or Smartphone

Continue to the next page to learn how to join a live session.

Here's How to Join a Live Session:

On your desktop or laptop- 10 minutes before the scheduled session, go to this Zoom link: <https://zoom.us/j/3032051305>

On your smartphone or tablet- first, download the free Zoom app from the App Store. 10 minutes before the scheduled session, go to this Zoom link: <https://zoom.us/j/3032051305>
